Dear Ms. Grady:

As per our telephone conversation on November 11, 1998, we are transmitting three (3) copies of the following construction plan sheets for the above-referenced project:

- Sheets 3, 4, 6 Updated to include minimum swale depths.
- Sheet 9 Updated to include the inverts of the culvert.
- Sheet 11 Updated to show the inverts and pipe sizes of the portion of the storm sewer to be constructed as a part of this project.
- Sheet 16 Updated to include the inverts of the culvert.

If you should have any questions or need additional information, please give me a call at (407) 839-4006.

Very truly yours,

VANASSE HANGEN BRUSTLIN, INC.
