Ms. Ruth E. Grady, E.I.
Department of Water Resources
St. Johns River Water Management District
975 Keller Road
Altamonte Springs, FL 32714

Re: **South Hancock Road**
US 27 to Hartwood Marsh Road
Application Number 40-069-76466-2
Response to Request for Additional Information

Dear Ms. Grady:

Please find enclosed the following revised documents to the South Hancock Road Environmental Resource Permit Application.

- Three (3) copies of the Construction Plans
- Three (3) copies of the Response to Request for Additional Information

We offer the following responses to your comments.

Comment 1: Based on staff's July 1, 2008, teleconference with Melinda Fischl, E.I., of HNTB Corporation, it is the District's understanding that revisions to the construction plans and stormwater calculations will be forthcoming and will include the following:

- a. Provision of three (3) complete sets of revised construction plans (signed, sealed, and dated) that include all appropriate specifications, cross section details, pertinent elevations and proposed erosion and sediment control measures.

RECEIVED IN
ALTAMONTE SPRINGS
JUL 10 2008
REGULATORY
INFORMATION MGT.

- b. Provisions of a draft copy of the joint use agreement between Lake County and the First Baptist Church of Clermont. Clearly identify, in the agreement, which components of the *Hartwood Marsh Road Pond 2* treatment system each entity will maintain.

[40C-4.301(1)(i); 40C-42.027(1)(2); 40C-42.025(1) (6), F.A.C.]

- Response:*
- a. Please refer to the complete sets of signed, sealed, and dated construction plans included with these responses.
- b. Lake County is prepared to use eminent domain to acquire the property from the First Baptist Church if a joint use agreement cannot be established. Through previous coordination efforts between Tom McCann, PE (Lake County) and David Dewey (SJRWMD), it was agreed that this approach was acceptable to the District.

If you have any questions or need further information, please do not hesitate to contact our office.

Sincerely,

HNTB Corporation

William F. C. Umlauf, P.E.
Project Manager

cc: Tom McCann, P.E. (Lake County Public Works)
