

LOCAL GOVERNMENT NOTIFICATION

Lake County
(name of local governmental entity)

hereby provides notification that the

development proposal, submitted to the St. Johns River Water Management District, known

as West - Langley Agricultural Mass Grading Project
(project name)

being proposed by Milton West
(applicant name)

which is located in Section 17 Township 19S Range 28E. and which

Consists of 86.58 acres has been reviewed by the local government. After such

review, all necessary final action has been taken by the government entity to determine, and such determination has been made, that the proposed activity is consistent with the local comprehensive plan and is in compliance with any local development regulation in effect in the area where the development will take place.
