The design has been reviewed and upon completion should meet the regulations and requirements as noted on this application. The driveway shall be constructed per approved subdivision plans if applicable. For inspection, call Lake County Building Services Division at 352-343-9634. For joint (Common Split) driveway inspection, call Lake County Public Works Department at 352-483-9000.

Submit permit to Lake County Public Works, 437 Ardice Avenue, Eustis, FL 32726

Residential Driveway Apron Permit Application Requirements

1 to k 10 k
To be completed by County Staff
Single Family Driveway (standard A) Joint Driveway (Common/Split) (standard B) Permit Number
☐ Driveway apron as Swale Check (standard C) ☐ Piped Driveway apron (standard D) ☐ Driveway apron conforming to Grade or Swale (standard E)
 Driveway apron with Miami Curb & Gutter (standard M) Driveway apron with Standard Curb & Gutter (standard S)
*The applicable driveway apron standard will be included with approved permit that is sent to applicant. *
 Sidewalks must be constructed per FDOT Index 310, with maximum cross slope of 1.5%, 6 inches minimum thickness. (See detail on attachment).
 To conform to sidewalk requirements, subdivision construction plans are available for review in the Lake County Public Works Department located at 437 Ardice Avenue in Eustis.
 Driveways are not permitted in the radius return of an intersection. Driveway aprons must be 100 feet from the nearest intersecting road and may not exceed 24 feet in width at the edge of the roadway. Variance requests should be submitted to the Lake County Public Works Department.
4. Pavers installed as a driveway apron are the resident's responsibility to maintain, replace and/or repair. If pavers are removed to facilitate Lake County and/or a utility company to perform utility installation and/or maintenance, the paver(s) used as replacements may not be able to be matched.
5. If a culvert pipe is required, it shall be the same diameter of existing culverts in neighborhood. If there are no other culverts in the neighborhood, the culvert pipe shall be a minimum of 15 inches in diameter and a minimum of 30 feet in length measured from the end of miter to the end of miter. All right-of-way must be restored to its original condition and in accordance to applicable Lake County Codes. All disturbed areas must be sodded, matching existing grass type. Applicant shall be responsible for sod until it is established.
Driveway apron slope may not exceed 14%. Variance requests should be submitted to the Lake County Public Works Department. In areas where sidewalks are present or planned, the driveway must include a minimum 4 foot wide path traversing the driveway apron (at a maximum 1.5% cross slope) in compliance with ADA requirements.
7. Driveway permit shall expire one (1) year from date approved.
8. Driveway Apron Permit Application shall include a check made payable to the Lake County Board of County Commissioners (BOCC).
I have read and understand the above requirements
