Thanks Gallus,

Lori is currently working on the press release. We are discussing the date of the closure with the contractor now.  
Thanks.

Jimmy

I have no issues, the work needs to get done but from experience I will tell you they will go through it anyway. However, it is very important a press release is done prior to closing the trail segment, it might also be helpful if signs were posted stating the dates of upcoming closure on the trail in that area. I have cc'd Elisha and Kelly so they can coordinate the press release and get them out there immediately since it is only 4 days away.

Any question please let me know.

Gallus,

Please see attached, our Hancock contractor needs to close the trail for a couple weeks to make the tie-ins. Please share with your folks and let me know if you see any concerns.  
Thanks

**Subject:** FW: N. Hancock Phase 2 Trail Closure

Terry, Joe, Scott;

See proposed trail closure from Pospiech.

RPRudd Comments:

- (1) Only Road Closed Signs would be needed. Minimum of two Type III Barricades at closure location. Detour Signs would not be required;
- (2) VMS's would be set at proposed Road Closed locations ASAP to notice trail users of pending closure;

(3) If Closure Plan Accepted by LCPW then original RFP-13 Trail Detour at STA 40+50, RT to be deleted from the Work.

Thanks,

Robert Rudd  
Tierra, Inc.

Robert,

Pospiech Contracting would like to close down the trail for the Phase 2 construction on Monday, January 18<sup>th</sup> through Tuesday, January 26<sup>th</sup>. Attached are some exhibits showing where signs will be located at the appropriate crossing.

Please let me know if you have any questions.

Thanks,

Scott Smith
