Section A PROJECT IDENTIFICATION

The construction project described below is associated with your organization according to published sources. Please correct any errors or fill in any blanks in items 1 and 2. If necessary, make your corrections in item 10, Remarks, or use a separate sheet. IF YOU HAVE ANY QUESTIONS CONCERNING THIS FORM, PLEASE CALL 1-800-845-8248.

1. PROJECT DESCRIPTION
 NORTH HANCOCK ROAD EXTENSION (PHASE 3A AND 3B) : 140030

140030

2. PROJECT LOCATION
 N HANCOCK RD
 FL

Section D SQUARE FEET

7. Based on exterior dimensions, how many square feet of enclosed floor area (including basements) will be created by this project?

Exclude nonbuilding projects and existing floor space that is being remodeled. If none, enter "0".

Square feet

Section B OWNERSHIP AND START DATE

3. TYPE OF OWNERSHIP - Mark (X) one box.

Is this project

Privately-owned OR Owned by:

State Government or Agency
 Federal Government or Agency
 Local Government or Agency

Section E MONTHLY CONSTRUCTION PROGRESS REPORT

This form will be returned to you EACH MONTH until the project is completed.

- Continue with item 8 if project has started; otherwise skip to section F.
- Report the value of construction put in place each month including only those construction costs defined in item 5C. DO NOT include costs reported in item 6.
- Report costs in the month in which work was done, including any monthly retentions being withheld from subcontractors, other than in the month in which payment was made.
- When project is completed, enter month and year in item 9.

Subject: Re: N Hancock Phase 2

All,

With Phase 2 School Entrance 2 will be reopened to vehicle traffic. With entrance opening intersection should again be maintained in an all stop condition. No reason not to have Fox Trail open also at that point. During Phase 2 Ped crossing at Fox Trail and Fosgate will need to be closed for construction. Critical to have both crossings.

Let me know what you think.

Thanks,

Robert Rudd

I am going to go out there today and take a look. My original thought is use the 4 way stop, see how it goes and if need be close it off.

Subject: Re: N Hancock Phase 2

My thoughts are we should close Fox Trail to all vehicle traffic and make everyone use the other entrance off Fosgate. Only have pedestrians using the sidewalk at Fox Trail.
What are your thoughts Robert/ Jeff?

Bob,

Will the 4 way stop be eliminated at Fox Trail with this Phase II?

I hate to see two stop conditions so close together; but on the other hand, what will be done to safely cross peds at Fox Trail. I would think they will want to cross there rather than walk further south to cross the road at Bridger.

Thanks.

Alan

Subject: N Hancock Phase 2

All,

Trying to look ahead to Phase 2 for Ped route. See attached sketch for temp crossing at Bridger that we should think about. We can use the existing Bridger sidewalk. Sidewalk could remain on Bridger to make a second perm Ped connection from Turkey Farm.

Let me know what you think.

Thanks,

Robert Rudd
