Michael,

N Hancock Rd to be opened to normal traffic in final position this coming Friday, April 29, 2016. The project only has contractual Final Completion no Substantial Completion. We have completed our initial pre-final inspection to be able to open road. There were a number of items on our list yet to be completed. I will let you know when next pre-final inspection or possible final inspection is scheduled so you would be able to arrange to attend.

Thanks,
