WHEREAS, the provision of such services will benefit the parties and the residents of Lake County, Florida.

THEREFORE, the parties agree as follows:

1. The foregoing recitals are incorporated herein.
2. The purpose of this contract is for CONTRACTOR to provide [services] to Lake County, hereinafter, the “service.”
3. **Scope:** On the terms and conditions set forth in this contract, COUNTY hereby engages CONTRACTOR and CONTRACTOR agrees to provide all labor, materials and equipment to complete the service in accordance with the scope of services, attached hereto and incorporated herein as **Exhibit A**, as modified or clarified by the addendums. There is no guarantee of a minimum or maximum dollar amount that will be expended as a result of this contract.
4. **Term:** This contract will become effective upon signature of the last party to sign it. This contract will remain in effect for an initial term of one year. The contract prices will prevail for the full duration of the initial term. Prior to, or upon completion, of the initial term, the COUNTY shall have the option to renew this contract for two additional two-year periods. Continuation of the contract beyond the initial period, and any option subsequently exercised, is a COUNTY prerogative, and not a right of CONTRACTOR. This prerogative will be exercised only when such continuation is clearly in the best interest of the COUNTY. The parties acknowledge that the term may be extended until the completion of any express and implied warranty periods provided within this contract.
5. **Payment:** COUNTY will pay and CONTRACTOR will accept as full and complete payment for the timely and complete performance of its obligation hereunder as provided in the pricing sheet attached as **Exhibit B**. Contract prices will prevail for the full duration of the Contract. Prior to the completion of each term, the COUNTY may consider an adjustment to price based on changes as published by the U.S. Department of Labor, Bureau of Labor Statistics.
6. **Invoice:** The COUNTY will make payment on all undisputed invoices in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes. CONTRACTOR will submit an original invoice to the COUNTY after each service has been completed. Submittal of these invoices will not exceed 10 calendar days beyond the date the service was completed. Under no circumstances will the invoices be submitted to the COUNTY in advance of the delivery and acceptance of the service.
7. **Progress Invoices:** CONTRACTOR will submit progress invoices no later than the first of each month to the Office of Facilities Management, 32400 C.R. 473, Leesburg, Florida 34788. All invoices will contain the bid number, date and location of delivery or service, purchase order number, confirmation of acceptance of the goods or services by the COUNTY, and a detailed description of services provided. If parts or materials of a value of more than the \$25.00 minimum

allowable charge are used as part of the Service and are shown on the invoice, they will be accompanied with a copy of the invoice to CONTRACTOR from its supplier. A service ticket will be included showing the name of the technician(s), the date the work was completed, the start and completion time of the service, the service rendered, the parts or materials (if any) installed. CONTRACTOR will also submit with their invoice a completed "Certification of Payment to Subcontractors and Suppliers" form. Failure to submit invoices in the prescribed manner will delay payment, and CONTRACTOR may be considered in default of contract and this contract may be terminated. Final invoices will include an original, completed "Certification of Payment to Subcontractors and Suppliers" form, if applicable.

A. *Service \$25,000 and Under*: The COUNTY will provide a lump sum payment when all Service tasks are completed by the CONTRACTOR and approved by the COUNTY. In order for the COUNTY to provide payment, the CONTRACTOR will submit a documented invoice that provides the basic information set forth herein. If requested, the COUNTY may allow progress payments, but is under no obligation to do so and the specifics of the progress payments will be at the sole discretion of the COUNTY; or

B. *Service Greater than \$25,000*: The CONTRACTOR may receive periodic payments on a 30 day interval for Service tasks completed during that period by the CONTRACTOR and approved by the COUNTY'S Project Manager. Retention of funds will be held in accordance with Florida Prompt Payment Act. In order for the COUNTY to provide payment, the CONTRACTOR will submit a documented invoice that provides the basic information set forth below.

8. Licenses and Permits: CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the service. CONTRACTOR will remain appropriately licensed throughout the course of the service. Failure to maintain all required licenses will entitle the COUNTY to terminate this contract. CONTRACTOR will be registered with the Florida Department of State in accordance with the provisions of Chapter 607, Florida Statutes.

9. Conditions: CONTRACTOR acknowledges that it has sufficient understanding of the nature and conditions of the work, including but not limited to, those bearing upon transportation, disposal, handling and storage of materials, availability of water, electric power, and roads, uncertainties of weather, physical conditions, character of equipment and facilities, quality and quantity of surface and subsurface materials, obstacles or conditions of the site. Any failure by CONTRACTOR to acquaint itself with any aspect of the work or with any of the applicable conditions will not relieve CONTRACTOR from responsibility for adequately evaluating the difficulty or cost of successfully performing the work required, nor will it be considered a basis for any claim for additional time or compensation.

10. Rental: In the event that the CONTRACTOR needs to rent a piece of equipment to complete the work being assigned, prior approval from the Project Manager will be required. The cost of the rental will be indicated on the estimate and the invoice. A copy of the invoice for the rental equipment will be included with the invoice. CONTRACTOR will be allowed to assess a percentage of up to 15% over the cost of the rental. A copy of the rental invoice to CONTRACTOR will accompany the invoice being submitted to the COUNTY. There will be no allowance for rental if it is reasonably ascertained that the equipment is needed to complete the work as outlined in the scope of work.

11. Funding: In the event any part of this contract or the Service, is to be funded by federal, state, or other local agency monies, the CONTRACTOR hereby agrees to cooperate with the COUNTY in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Service and as specifically required by the Federal or state granting agency, and receiving no payment until all required forms are completed and submitted. A copy of the requirements will be supplied to the CONTRACTOR by the COUNTY upon request.

12. Price Redeterminations: CONTRACTOR may, but is not obligated to, petition for one or more price redeterminations where such price redeterminations are necessitated by documented increases in the cost of wages or fuel. Petitions for price redeterminations will be made within 30-calendar days of the anniversary date of the Contract and only after the Contract has been in effect for at least one year. Unless otherwise expressly set forth in the Contract, no other price

redeterminations will be allowed. All price redeterminations, once issued, will be prospective from the date of approval unless otherwise approved by a duly executed amendment to the Contract. The following apply:

A. Basis for Price Redeterminations. The Contractor may petition for price redetermination based on the increased costs of wages, fuel, or materials. Price redeterminations will be based solely upon changes in pricing or costs documented by the Employment Cost Index (ECI) as published by the Bureau of Labor Statistics. The base index number for the ECI will be for the quarter in which the ITB opens. Any subsequent price redeterminations will use the last price redetermination approved for that price redetermination category as the “base index number.” The County will have the right to audit the CONTRACTOR’S records, including, but not limited to, payroll, materials, and fuel cost records, to verify or otherwise investigate the validity of any price redetermination request.

B. Wage Price Redetermination. When requesting a price redetermination based upon an increase in wage costs, the Contractor will refer to and utilize the Employment Cost Index, Total Compensation, Private Industry, Index Number and Occupational Group as prepared by the Bureau of Labor Statistics in the U.S. Department of Labor located on the Statistics Site. The base figure will be tied to Trade, transportation, and utilities under the heading Service Providing Industries. Wage price redetermination increases will be granted only by reason of wage increases associated with the CONTRACTOR’S employees or subcontractors performing work or services pursuant to the Contract.

C. Fuel Price Redetermination. If the price of fuel increases by a minimum of 10% percent, the Contractor may petition for a fuel price redetermination. As a condition of petitioning for a fuel price increase, the Contractor will be required to petition for a fuel price redetermination decrease if/when the price of fuel decreases by a minimum of 10% percent. Failure to make such petition may be grounds for Contract termination and will entitle the County to a refund of the cumulative increase in pay to the Contractor due to any prior fuel price redetermination increases. Fuel price redetermination must be based solely upon changes as documented by the Producer Price Index (PPI) for the commodities “Unleaded Gasoline - WPU057104” or “#2 diesel fuel - WPU057303,” as such may be applicable to the CONTRACTOR’S operations in connection with the CONTRACTOR’S performance of the Contract.

D. All Price Redeterminations will be calculated as demonstrated in this example:
Contractor indicated on the Submittal Form that 30% of the cost to provide the product/service is directly attributed to the redetermination category (wage or fuel).

Current applicable PPI \$200.50
Base index PPI - \$179.20
PPI increase dollars \$21.30
PPI increase percentage $(\$21.30 \div \$179.20 = .1189)$ 11.9%
Unit cost of the service is: \$100.00
30% of \$100.00 is directly attributed to the redetermination category \$30.00
 $\$30.00 \times 11.9\% = \3.57
New unit price is
 $(\$100 + \$3.57) \$103.57$

E. Expiration Upon Failure to Agree to Price Redetermination. If the County and the Contractor cannot agree to a price redetermination, then the Contract will automatically expire without penalty or expense to either party after a period of six months following the CONTRACTOR’S initial request for such price redetermination. Requests for price redeterminations not made in accordance with the provisions of this Section will be deemed null and void and will not be a valid reason or pretext for expiration or termination of the Contract. If the Contract expires pursuant to the terms and conditions of this Section, the County reserves the right, at no expense, penalty, or consequence to the County, to award any remaining tasks thereunder to the next available most responsive and responsible Contractor.

13. County Responsibilities.

A. Project Manager: The COUNTY will designate a COUNTY staff member to act as COUNTY'S Project Manager. It is agreed to by the parties that the COUNTY'S Project Manager will decide all questions, difficulties, or disputes, of whatever nature, which may arise relative to the interpretation of the plans, construction, prosecution and fulfillment of the Scope of Services, and about the character, quality, amount and value of any work done, and materials furnished, under or by reason of this Contract. The COUNTY'S Project Manager may appoint representatives as desired that will be authorized to inspect all work done and all materials furnished.

B. The COUNTY will pay in accordance with the provisions set forth in this contract. The COUNTY retains the right to inspect all work to verify compliance with the contract documents. Such inspection may extend to all or any part of the work and to the manufacture, preparation or fabrication of the materials to be used.

14. Contract Documents.

A. Definitions: For purposes of this contract, the term "contract documents" includes all bid documents, drawings, the Scope of Services, attachments to this contract, and provisions within this contract, along with any change orders or amendments to this contract. It is the intent of the contract documents to describe a functionally complete Service which defines the scope of work. Any work, materials, or equipment that may reasonably be inferred from the contract documents as being required to produce the intended result will be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, material or equipment, such words will be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Service, whether such reference be specified or by implication, will mean the latest standard specification, manual, code, law or regulation in effect at the time the work performed, unless specifically stated otherwise herein.

B. Contract Documents: The contract documents and all referenced standards cited therein are essential parts of the contract requirements. A requirement occurring in one is binding as though occurring in all. Drawings and specifications are intended to agree and be mutually complete. Any item not contained within the drawings, but contained in the specifications, or vice-versa, will be provided or executed as shown in either the drawing or specification at no extra costs to the COUNTY. Should anything not included in either the drawing or the specifications be necessary for the proper construction or operation of the Service as herein specified, or should any error or disagreement between the specifications and drawings exist or appear to exist, CONTRACTOR will not derive unjust benefit thereby, or use such disagreement counter to the best interests of the COUNTY. CONTRACTOR will immediately notify the COUNTY'S Project Manager of any discrepancy and await the Project Manager's direction before proceeding with the work in question.

C. Completion of the Scope of Services: CONTRACTOR will give the work the attention necessary to assure the scheduled progress and will cooperate with the COUNTY and with other contractors on the job site. All work will be done in accordance with the contract documents. When not specifically identified in the technical specifications, such materials and equipment will be of a suitable type and grade for the purpose. All material, workmanship, and equipment will be subject to the inspection and approval of the COUNTY.

D. Errors and Omissions: CONTRACTOR will not take advantage of any apparent error or omission in the contract documents. If any error or omission appears in the contract documents, CONTRACTOR will immediately notify the COUNTY in writing of such errors or omissions. In the event CONTRACTOR knows or should have known of any error or omission and failed to provide such notification, CONTRACTOR will be deemed to have waived any claim for increased time or compensation CONTRACTOR may have had and CONTRACTOR will be responsible for the results and the costs of rectifying any such error or omission.

15. Contractor Personnel

A. Personnel: CONTRACTOR will assure that all personnel are competent, careful and reliable. All personnel must have sufficient skill and experience to perform their assigned task properly and satisfactorily, to operate any equipment

involved, and will make do and proper effort to execute the work in the manner prescribed in the contract documents. When the COUNTY determines that any person is incompetent, unfaithful, intemperate, disorderly or insubordinate, such person will be immediately discharged from the Service and will not again be employed on the Service without the written consent of the COUNTY. Should the CONTRACTOR fail to remove such person or persons, the COUNTY may withhold all payments which are or may become due or may suspend the work with approval of the COUNTY until such orders are complied with. No alcoholic beverages or drugs are permitted on any COUNTY properties. Evidence of alcoholic beverages or drug use by an individual will result in immediate termination from the job site.

B. E-Verify: CONTRACTOR will utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the CONTRACTOR during the term of this contract; and will expressly require any contractor and subcontractors performing work or providing services pursuant to this contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term.

C. Employment: CONTRACTOR acknowledges and agrees that, in accordance with Section 255.099, Florida Statutes, if the Service assigned to CONTRACTOR is being supported in whole or in part by State funding CONTRACTOR will give preference to the employment of state residents in the performance of the work on the Service if state residents have substantially equal qualifications to those of non-residents. If CONTRACTOR is required to employ state residents, CONTRACTOR will contact the Department of Economic Opportunity to post the employment needs in the State's job bank system. However, in work involving the expenditure of federal aid funds, this section may not be enforced in such a manner that would conflict with or be contrary to federal law prescribing a labor preference to honorably discharged soldiers, sailors, or marines, or prohibiting as unlawful any other preference or discrimination among the citizens of the United States.

D. Superintendent: CONTRACTOR will have at the Service site as its agent a competent superintendent capable and thoroughly experienced in the type of work being performed, who will receive instructions from the COUNTY. The superintendent will supervise all trades, direct all Service activities, establish and maintain installation schedules, and provide the COUNTY'S Project Manager with progress reports as requested. On sites other than the Lake County Courthouse, all personnel, subcontractors, and representatives of the CONTRACTOR will be required to submit to the Florida Department of Law Enforcement (1-850-410-8109) for a "Certified Background Check". CONTRACTOR will be responsible for all costs associated with the "Certified Background Check". A copy of the "Certified Background Check" will be supplied to the COUNTY'S Project Manager prior to any work starting. The COUNTY'S Project Manager will notify the CONTRACTOR electronically of approved and denied background checks. Reasons for denials will not be provided.

I. Identification Badging / Proximity Cards / Keys: CONTRACTOR'S personnel, subcontractors, and representatives that are approved to work in restricted areas will receive an identification badge which will also act as a proximity card. All approved personnel, subcontractors, and representatives of CONTRACTOR will be issued identification badge(s) and will be required to wear them at all times while on COUNTY property. Personnel, subcontractors, and representatives of the CONTRACTOR will not be allowed to work on COUNTY property prior to being given approval by the Office of Facilities Management and the assignment of a CONTRACTOR identification badge. For facilities that do not have proximity card readers, keys will be issued to or approved personnel, subcontractors, and representatives of CONTRACTOR. The Office of Facilities Management will notify CONTRACTOR that identification badges, proximity cards, or keys are ready for pickup, and will have CONTRACTOR complete a release form(s) and then distribute them to CONTRACTOR for disbursement to their personnel, subcontractors, and representatives.

If the COUNTY determines that a change in the contract documents is required of the action taken in response to an emergency, a change order request will be issued to document the consequences of the changes or variations. If CONTRACTOR fails to provide written notice within the 24 hour limitation noted above, CONTRACTOR will be deemed to have waived any right it otherwise may have had to seek an adjustment to the contract amount or an extension to the contract time.

The repairs of any damaged underground utilities as a result of the work being performed by CONTRACTOR will be the responsibility of CONTRACTOR. The proper utility company will be contacted immediately to expedite the repairs, if damage has occurred. CONTRACTOR will notify the COUNTY and provide a written explanation of the incident within two days of the damage to any underground utilities.

B. General Inspection Requirements:

- i. CONTRACTOR will furnish the COUNTY with every reasonable accommodation for finding out whether the work performed, and materials used are in accordance with the requirements and intent of the contract documents. If the COUNTY so requests, the CONTRACTOR will, at any time before final acceptance of the work, remove or uncover such portions of the finished work as may be directed. After examination, CONTRACTOR will restore the uncovered portions of the work to the standard required by the specifications. Should the work so exposed or examined prove unacceptable to the COUNTY, the uncovering or removal, and the replacing of the covering or making good of the parts removed, will be at CONTRACTOR'S expense. However, should the work exposed or examined prove acceptable in the opinion of the COUNTY, the uncovering or removing and the replacing or the covering or making good of the parts removed, will be paid for as unforeseen work.
- ii. If the COUNTY fails to reject defective work or materials, whether from lack of discovery of such defect or for any other reason, such initial failure to reject will in no way prevent the COUNTY'S later rejection when such defect is discovered, nor obligate the COUNTY to final acceptance or payment, and CONTRACTOR will make no claim for losses suffered due to any necessary removals or repairs of such defects.

- iii. If, during or prior to construction operations, the COUNTY rejects any portion of the work on the grounds that the work or materials are defective, the COUNTY will give CONTRACTOR notice of the defect, which notice may be confirmed in writing. The CONTRACTOR will then have seven calendar days from the date the notice is given to correct the defective condition. If CONTRACTOR fails to correct the deficiency within the seven calendar days, the COUNTY may take any action necessary, including correcting the deficient work utilizing another contractor, returning any non-compliant goods to CONTRACTOR at CONTRACTOR'S expense or terminating this Contract. CONTRACTOR will not assess any additional charges for any conforming action taken by the COUNTY. The COUNTY will not be responsible to pay for any product or service that does not conform to the contract documents.
- iv. Should CONTRACTOR fail to remove and renew any defective materials used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the contract documents, within the time indicated in writing, the COUNTY may direct CONTRACTOR to correct the unacceptable or defective materials or work at CONTRACTOR'S expense. Any expense incurred by the COUNTY, whether direct, indirect or consequential, in making said repairs, removals, or renewals will be paid for out of any monies due or which may become due to CONTRACTOR. A change order will be issued, incorporating the necessary revisions to the contract documents, including an appropriate decrease to the contract amount. Such costs will include, but not be limited to, costs of repair and replacement of work destroyed or damaged by correction, removal or replacement of CONTRACTOR'S defective work and additional compensation due the COUNTY. CONTRACTOR will not be allowed an extension of the term of this Contract because of any delay in performance of the Service attributable to the exercise by the COUNTY of the COUNTY'S rights and remedies hereunder.
- v. If CONTRACTOR fails to honor the change order, the COUNTY may terminate this contract. In the event the COUNTY'S Project Manager finds the materials or the finished product in which the materials are used and not within reasonably close conformity to the specifications, the COUNTY'S Project Manager will then make a determination if the work will be accepted and remain in place. In this event, the COUNTY'S Project Manager will document the basis of acceptance by a change order that will provide for an appropriate deduction as needed in the contract price for such work or materials necessary to conform to the determination based on the COUNTY'S Project Manager's professional judgment.
- vi. When all or a portion of the cost of Services is to be paid by federal, state or another governmental agency, the work will be subject to such inspection by federal, state, or other governmental agency representative, but such inspections will not make the government or agency a party to this contract.

18. Service Materials and Storage:

A. Unless otherwise specified within the contract documents, all materials to be used to complete the Service, except where recycled content is specifically requested, will be new, unused, of recent manufacture, and suitable for its intended purpose. All goods will be assembled, serviced, and ready for operation when delivered. In the event any of the materials supplied by CONTRACTOR are found to be defective or do not conform to specifications: (1) the materials may be returned to CONTRACTOR at CONTRACTOR'S expense and this Contract may be terminated, or (2) the COUNTY may require CONTRACTOR to replace the materials at CONTRACTOR'S expense.

B. Materials will be placed to permit easy access for proper inspection and identification of each shipment. Any material which has deteriorated, become damaged, or is otherwise unfit for use, as determined by the COUNTY, will not be used in the work, and will be removed from the site by CONTRACTOR at CONTRACTOR'S expense. Until incorporated into the work, materials will be the sole responsibility of CONTRACTOR and CONTRACTOR will not be paid for such materials until incorporated into the work. If any chemicals, materials or products containing toxic substances are to be used at any time, CONTRACTOR will furnish a Material Safety Data Sheet to the COUNTY prior to commencing such use.

C. When not specifically identified in the technical specifications, such materials and equipment will be of a suitable type and grade for the purpose.

D. All unusable materials and debris will be removed from the premises at the end of each workday and disposed of in an appropriate manner.

19. Time for Completion and Extensions:

A. A written notice to proceed is required for the CONTRACTOR to schedule or begin work. CONTRACTOR will diligently pursue the completion of the work and coordinate the work being done on the Service by its subcontractors and material suppliers, as well as coordinate CONTRACTOR'S work with the work of other contractors so that CONTRACTOR'S work or the work of others will not be delayed or impaired. CONTRACTOR will be solely responsible for all means, methods, techniques, sequences and procedures, as well as coordination of all portions of the work under the contract documents.

B. Should CONTRACTOR be obstructed or delayed in the completion of the work as a result of unforeseeable causes beyond the control of CONTRACTOR, and not due to CONTRACTOR'S fault or neglect, CONTRACTOR will notify the COUNTY in writing within 24 hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which CONTRACTOR may have had to request a time extension.

C. If CONTRACTOR complies with the 24 hour notice requirement, the COUNTY will ascertain the facts and the extent of the delay being claimed and recommend an extension to the contract time when, in the COUNTY'S sole judgment, the findings of fact justify such an extension. CONTRACTOR will cooperate with the COUNTY'S investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the contract time may be granted only for those delays which impact CONTRACTOR'S construction schedule. Extensions of contract time, if approved by the COUNTY, must be authorized by written change order.

20. Changes in the Scope of Services:

A. The COUNTY may at any time, by written change order, in accordance with the COUNTY'S Purchasing Policy and Procedures, modify the Scope of Services. For changes requested by CONTRACTOR, CONTRACTOR will prepare and submit change order requests for COUNTY approval. Each change order will include time and monetary impacts of the change, whether the change order is considered alone or with all other changes during the course of the Service. Both the COUNTY and CONTRACTOR will execute the change order. The value of such extra work or change will be determined by the contract unit values, if applicable unit values are set forth in this contract. The amount of the change will be computed from such values and added to or deducted from the contract price.

B. If the COUNTY and CONTRACTOR are unable to agree on the change order for a requested change, CONTRACTOR agrees to promptly perform the change as directed in writing by the COUNTY. If CONTRACTOR disagrees with the COUNTY'S adjustment determination, CONTRACTOR must make a claim pursuant to the Claims and Disputes section herein, or else be deemed to have waived any claim on this matter CONTRACTOR might have otherwise had. For work not contemplated by the original contract, the amount of an increase will be limited to CONTRACTOR'S reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit, unless otherwise agreed to in writing by the COUNTY. In such case, CONTRACTOR will keep and present to the COUNTY an itemized accounting together with appropriate supporting data. In the event such changed work is performed by a subcontractor, a maximum 10% markup for all overhead and profit for all subcontractors' direct labor and material costs and actual equipment costs will be permitted, with a maximum 5% markup thereon by CONTRACTOR for all of its overhead and profit, for a total overall maximum markup of 15% of the amount of changed work. All compensation due CONTRACTOR and any subcontractor or sub-subcontractor for field and home office overhead is included in the markups listed above.

C. The COUNTY will not be liable to CONTRACTOR for any increased compensation in the absence of a written change order executed in accordance with COUNTY policy. The payment authorized by such a change order will represent full and complete compensation to CONTRACTOR for labor, materials, incidental expenses, overhead, profit, costs and time associated with the work authorized by such change order.

D. Execution by CONTRACTOR of a properly authorized change order will be considered a waiver of all claims or requests for additional time or compensation for any activities prior to the time of execution related to items included in the change order.

E. Upon receipt of an approved change order, changes in the Scope of Services will be promptly performed. All changes in work will be performed under the terms and conditions of this contract.

F. Change orders will not be issued for incidental items or tasks that should have been reasonably construed to be part of the project by the CONTRACTOR.

21. Claims and Disputes:

A. Claims by CONTRACTOR will be made in writing to the COUNTY within two business days after the commencement of the event giving rise to such claim or CONTRACTOR will be deemed to have waived the claim. All claims will be priced in accordance with the section in this document entitled "Changes in Work."

B. CONTRACTOR will proceed diligently with its performance as directed by the COUNTY, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the COUNTY in writing. The COUNTY will continue to make payments on the undisputed portion of the contract in accordance with the contract documents during the pendency of any claim.

C. Claims by CONTRACTOR will be resolved in the following manner:

- i. Upon receiving the claim and supporting data, the COUNTY will within 15 calendar days respond to the claim in writing stating that the claim is either approved or denied. If denied, the COUNTY will specify the grounds for denial. The CONTRACTOR will then have 15 calendar days in which to provide additional supporting documentation, or to notify the COUNTY that the original claim stands as is.
- ii. If the claim is not resolved, the COUNTY may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the parties and each party will pay one-half (1/2) the expense of mediation. If the COUNTY declines to mediate the dispute, CONTRACTOR may bring an action in a court of competent jurisdiction in and for Lake County, Florida.
- iii. Claims by the COUNTY against CONTRACTOR will be made in writing to the CONTRACTOR as soon as the event leading to the claim is discovered by the COUNTY. CONTRACTOR will respond in writing within 15 calendar days of receipt of the claim. If the claim cannot be resolved, the COUNTY will have the option to submit the matter to mediation as set forth in (C)(ii) above.
- iv. Arbitration will not be considered as a means of dispute resolution.
- v. No claim for damages or any claim other than for an extension of time will be made or asserted against the county by reason of any delays. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work will relieve CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. CONTRACTOR expressly acknowledges and agrees that CONTRACTOR will receive no damages for delay. This provision will not

preclude recovery or damages by CONTRACTOR for hindrances or delays due solely to fraud, bad faith or active interference on the part of the COUNTY. Otherwise, CONTRACTOR will be entitled to extensions of the contract time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

22. Acceptance of the Work and Final Payment: The work and services rendered under this contract will remain the property of the CONTRACTOR and will not be deemed complete until a physical inspection and actual usage of the product(s) or service(s) is (are) accepted by the COUNTY and will be in compliance with the terms herein, in accord with the specifications and of the highest quality. Any goods or services purchased under this contract may be tested/inspected for compliance with the specifications listed.

23. Final Inspection: When all materials have been furnished, all work has been performed, and the construction contemplated by this contract has been satisfactorily completed, the COUNTY will make the final inspection. The final inspection will be completed within five business days of receipt of notification from the CONTRACTOR that the Service is ready. The COUNTY will notify CONTRACTOR, if necessary, of any deficiencies with the Service, and CONTRACTOR will correct all deficiencies before final acceptance and payment is made.

24. Maintenance of Work: CONTRACTOR will maintain all work in as-new condition until the final inspection is completed and the work is accepted by the COUNTY. All insurance will be maintained until final acceptance by the COUNTY.

25. Final Acceptance: When the Service or any portion thereof, as designated by the COUNTY, is ready for its intended use, the COUNTY and any other invited parties will make an inspection of the Service, to verify its completeness and develop a punch list of items needing completion or correction before final payment will be made. CONTRACTOR will have 10 calendar days to correct all deficiencies. An \$80.00 re-inspection fee will be applied for the third inspection and any required re-inspection thereafter. The COUNTY will have the right to exclude CONTRACTOR from those portions of the work designated as complete after the inspection; provided, however, that CONTRACTOR will have reasonable access for the time allotted by the COUNTY to complete or correct items on the punch list. When the work provided for under this Contract has been completely performed by CONTRACTOR, and the final inspection has been made by the COUNTY, a final invoice will be prepared by the CONTRACTOR. The amount of this invoice, less any sums that may have been deducted or retained under the provisions of this Contract, will be paid to CONTRACTOR in accordance with this Contract, and after CONTRACTOR has agreed in writing to accept the balance due, as determined by the COUNTY, as full settlement of the account under the contract and of all claims in connection therewith. Occupancy by the COUNTY alone does not constitute final acceptance.

26. Waiver of Claims: CONTRACTOR'S acceptance of final payment will constitute a full waiver of any and all claims by the CONTRACTOR against the COUNTY arising out of the contract or otherwise related to the Service, except those previously made in writing and identified by CONTRACTOR as unsettled at the time the final estimate is prepared. Neither the acceptance of the work nor payment by the COUNTY will be deemed a waiver of the COUNTY'S rights to enforce any continuing obligations of CONTRACTOR or to the recovery of damages for defective work not discovered by the COUNTY at the time of final inspection.

27. Termination of Contractor's Responsibilities: This contract will be considered complete when all work has been completed and accepted by the COUNTY and all warranty periods have expired. CONTRACTOR will then be released from further obligation except as set forth in this Contract.

28. Recovery Rights Subsequent to Final Payment: The COUNTY reserves the right, should an error be discovered in the invoice, or should proof of defective work or materials used by or on the part of CONTRACTOR be discovered after the final payment has been made, to claim and recover from CONTRACTOR by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of the COUNTY.

29. Warranties:

A. All warranties will begin on the date of the COUNTY'S acceptance of the Service which will be the date final payment is issued to CONTRACTOR and will last for a period of 12 months unless otherwise specified in the Scope of Services, plans or specifications. CONTRACTOR will obtain and assign to the COUNTY all express warranties given to CONTRACTOR or any subcontractors by any material suppliers, equipment or fixtures to be incorporated into the Service.

B. CONTRACTOR warrants to the COUNTY that any materials and equipment furnished under the contract documents will be new unless otherwise specified, and that all work will be of good quality, free from defects and in conformance with the contract documents. CONTRACTOR warrants to the COUNTY that all materials and equipment furnished under the contract documents will be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for the contract documents. This warranty requirement will remain in force for the full period identified above, regardless of whether CONTRACTOR is still under contract at the time of the defect. These warranties are in addition to those implied warranties to which the COUNTY is entitled as a matter of law.

C. If sod is used as part of an individual Service, it will be warranted to be free of noxious and invasive weeds, disease, and insects. If pests or noxious weeds manifest themselves within 60 days of placement of the sod, CONTRACTOR will treat the affected areas. The process for treating these areas will be approved by the COUNTY. If the sod does not meet any of the required specifications, CONTRACTOR will be responsible to replace it at no expense to the COUNTY. It will be the responsibility of CONTRACTOR to ensure the sod is sufficiently established as described as specified in the scope of services, plans, or specifications. This will include watering the sod on a regular basis as needed to keep it alive until established. Established will be considered as being sufficiently rooted, as determined by the Project Manager, into the surface that it was installed. If the sod dies or does not become established CONTRACTOR will be responsible for the replacement at no cost to the COUNTY.

D. CONTRACTOR will be responsible for promptly correcting any deficiency, at no cost to the COUNTY, within five calendar days after the COUNTY notifies CONTRACTOR of such deficiency in writing. If CONTRACTOR fails to honor the warranty or fails to correct or replace the defective work or items within the period specified, the COUNTY may, at its discretion, notify CONTRACTOR in writing that CONTRACTOR may be debarred as a COUNTY vendor, and become subject to contractual default if the corrections or replacements are not completed to the satisfaction of the COUNTY within five calendar days of receipt of the notice. If CONTRACTOR fails to satisfy the warranty within the period specified in the notice, the COUNTY may (a) place CONTRACTOR in default of its contract and (b) procure the products or services from another source and charge CONTRACTOR for any additional costs that are incurred by the COUNTY for this work or items, either through a credit memorandum or through invoicing.

E. Liquidated Damages: If the deficiencies have been noted and the remedies have not been completed within the contracted time, the COUNTY may send out a notification notifying CONTRACTOR of an assessment of Liquidated Damages. The COUNTY and CONTRACTOR recognize that, since time is of the essence for this Contract, the COUNTY will suffer financial loss if the work is not completed within the time specified. The COUNTY will be entitled to assess Liquidated Damages, not a penalty, for each calendar day. The Service will be deemed to be completed on the date the work is considered complete to the satisfaction of the COUNTY. CONTRACTOR hereby expressly waives and relinquishes any right which it may have to seek to characterize the Liquidated Damages as a penalty. The parties agree that the Liquidated Damages sum represents a fair and reasonable estimate of the COUNTY'S actual damages at the time of contracting if CONTRACTOR fails to complete the work in a timely manner. The Liquidated Damages will be as set forth in the following table:

Service/Project Amount	Daily Charge (Per Calendar Day)
\$5,000 and under	\$25

Over \$5,000 but less than \$10,000	\$65
\$10,000 or more but less than \$20,000	\$91
\$20,000 or more but less than \$30,000	\$121
\$30,000 or more but less than \$40,000	\$166
\$40,000 or more but less than \$50,000	\$228
\$50,001 or more	\$250

F. The COUNTY will retain from the compensation to be paid to the CONTRACTOR the above-described sum. If CONTRACTOR is in default for not completing the Service within the time specified, the COUNTY may require CONTRACTOR to stop work on any other project or service to the COUNTY until the Service specific in this Contract is complete and the Liquidated damages Sum is satisfied.

30. Sanitation: If the Service does not involve interior work, CONTRACTOR will be required to provide and maintain adequate sanitary conveniences for the use of persons employed for the Service. These conveniences will be maintained at all times without nuisance, and their use will be strictly enforced. The location of these conveniences will be subject to the COUNTY’S Project Manager’s approval. All such facilities will be installed and maintained by CONTRACTOR in accordance with applicable federal, state, and local laws.

31. Submittals and Equal Products:

A. Submittals of products required for the Service assigned to CONTRACTOR hereunder, will be supplied to the COUNTY for pre-approval prior to the start of the work. These documents will be provided to the COUNTY at least one week before the installation.

B. If a product or service requested by the COUNTY for the Service has been identified in the specifications by a brand name and has not been notated as a “No Substitute” item, such identification is intended to be descriptive and not restrictive and is to indicate the quality and characteristics of product or service that will be acceptable. If CONTRACTOR offers an alternate product or service for consideration, such product must be clearly identified by CONTRACTOR to the COUNTY. The COUNTY will make a determination whether the alternate meets the salient characteristics of the specifications. An alternate product will not be considered for any item notated “No Substitute.”

C. Unless CONTRACTOR clearly indicates in its response that it is proposing an alternate product, the response will be considered as offering the same brand name referenced in the specifications. If CONTRACTOR proposes to furnish an alternate product or service, the brand name of the product or service to be furnished will be clearly identified. A formal submittal for the alternate/shop drawings will be submitted. The evaluation of the alternate and the determination on acceptability of the alternate product or service will be the responsibility of the COUNTY and will be based upon information furnished by CONTRACTOR. The COUNTY will not be responsible for locating or securing any information which is not included in CONTRACTOR’S response. To ensure that sufficient information is available, CONTRACTOR will furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so the COUNTY can make an informed determination whether the product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

32. Fees: The following is a list of fees that may be assessed to CONTRACTOR during the term of this contract. These fees are assessed to help offset the additional costs associated with the COUNTY’S labor and vehicle usage required for unnecessary inspections or missed appointments. The \$80.00 fee shown below is a re-inspection fee for uncorrected workmanship. The fee will be applied to the third inspection and for any subsequent inspections. Any re-inspection fee charged to the COUNTY by other agencies having jurisdiction over the Service, will additionally be charged back to CONTRACTOR. The fees, if any, will be deducted from the final invoices.

Missing scheduled appointments	\$70.00 each occurrence
--------------------------------	-------------------------

Failure to respond to emergency calls	\$250.00 per day
Late to emergency calls	\$36.00 per hour
Inspected unacceptable workmanship	\$80.00 each inspection
Failure to provide any and all required documentation or reports	\$75.00 per day
Failure to pass all inspecting authority re-inspections (within 30 days of initial inspection)	\$250.00 per day

33. Termination: This contract may be terminated by the COUNTY upon 10 calendar days advance written notice to the other party; but if any work, service or task hereunder is in progress but not completed on the date of termination, then this Contract may be extended upon written approval of the COUNTY until said work, service or task is completed and accepted.

A. Termination for Convenience: In the event this contract is terminated or cancelled upon the request and for the convenience of the COUNTY with the required 10 calendar day advance written notice, the COUNTY will reimburse CONTRACTOR for actual work satisfactorily completed.

B. Termination for Cause: Termination by the COUNTY for cause, default, or negligence on the part of CONTRACTOR will be excluded from the foregoing provision. Termination costs, if any, will not apply. The 10-calendar day advance notice requirement is waived in the event of termination for cause.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years: When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, this contract will be canceled, and CONTRACTOR will be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services/Tasks delivered under this contract.

34. Assignment of Contract: This contract will not be assigned except with the written consent of the COUNTY'S Procurement Services Director. No such consent will be construed as making the COUNTY a party to the assignment or subjecting the COUNTY to liability of any kind to any assignee. No assignment will under any circumstances relieve CONTRACTOR of liability and obligations under this contract and all transactions with the COUNTY must be through CONTRACTOR. Additionally, unless otherwise stipulated herein, CONTRACTOR will notify and obtain prior written consent from the COUNTY prior to being acquired or subject to a hostile takeover. Any acquisition or hostile takeover without the prior consent of the COUNTY may result in termination of this contract for default.

35. Insurance:

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

- i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.
- iv. Employers Liability with the following minimum limits and coverage:

Each Accident	\$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA, AND THE BOARD OF COUNTY COMMISSIONERS.
P.O. BOX 7800
TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

36. Indemnity: The CONTRACTOR will indemnify and hold the COUNTY and its agents, officers, commissioners or employees harmless for any damages resulting from failure of CONTRACTOR to take out and maintain the above insurance. CONTRACTOR agrees to indemnify, and hold the Board of County Commissioners, Lake County, Florida, and its officers, commissioners, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities resulting from the negligent act, error or omission of CONTRACTOR, its agents, employees or representative, in the performance of CONTRACTOR'S duties set forth in this Contract.

37. Independent Contractor: CONTRACTOR, and all its employees, agree that they will be acting as an independent contractor and will not be considered or deemed to be an agent, employee, or partner of, or in a joint venture with, the COUNTY. CONTRACTOR will have no authority to contract for or bind the COUNTY in any manner and will not represent itself as an agent of the COUNTY or as otherwise authorized to act for or on behalf of the COUNTY.

38. Prohibition Against Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONTRACTOR to solicit or secure this contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for CONTRACTOR any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this contract.

39. Return of Materials: Upon the request of the COUNTY, but in any event upon termination of this Contract, CONTRACTOR will surrender to the COUNTY all memoranda, notes, records, drawings, manuals, computer software, and other documents or materials pertaining to the services hereunder, that were furnished to CONTRACTOR by the COUNTY pursuant to this contract.

40. Public Entity Crimes: A person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in Florida Statutes, Section 287.017 for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

41. Conflict of Interest: CONTRACTOR agrees that it will not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this contract, or which would violate or cause others to violate the provisions of Part III, Chapter 112, Florida Statutes, relating to ethics in government. CONTRACTOR hereby certifies that no officer, agent, or employee of the COUNTY has any material interest either directly or indirectly in the business of CONTRACTOR conducted here and that no such person will have any such interest at any time during the term of this contract unless approved by the COUNTY.

42. Retaining Other Contractors: Nothing herein will be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by CONTRACTOR or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Contract. While the COUNTY has listed all major items which are utilized by the COUNTY'S offices and departments in conjunction with their operations, there may be similar or ancillary items that must be purchased by the COUNTY during the term of this contract. Under these circumstances, a County representative will contact CONTRACTOR to obtain a price quote for the similar or ancillary items. The COUNTY reserves the right to award these ancillary items to CONTRACTOR, another vendor or to acquire the items through a separate solicitation.

43. Accuracy: During this contract, CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion and coordination of all the services furnished hereunder. CONTRACTOR will, without additional compensation, correct or revise any errors, omissions or other deficiencies in resulting from the services provided herein.

44. Right to Audit:

A. The COUNTY reserves the right to require the CONTRACTOR to submit to an audit, by any auditor of the COUNTY'S choosing. The CONTRACTOR will provide access to all of its records, which relate directly or indirectly to this contract at its place of business during regular business hours. The CONTRACTOR will retain all records pertaining to this contract and upon request make them available to the COUNTY for three complete calendar years following expiration of the contract. The CONTRACTOR agrees to provide such assistance as may be necessary to facilitate the review or audit by the COUNTY to ensure compliance with applicable accounting and financial standards.

B. If the CONTRACTOR provides technology services, the CONTRACTOR must provide Statement of Standards for Attestations Engagements (SSAE) 16 or 18 and System and Service Organization Control (SOC) reports upon request by the County. The SOC reports must be full Type II reports that include the CONTRACTOR'S description of control processes, and the independent auditor's evaluation of the design and operating effectiveness of controls. The cost of the reports will be paid by the CONTRACTOR.

C. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONTRACTOR to the COUNTY in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the COUNTY'S audit must be reimbursed to the COUNTY by the CONTRACTOR. Any adjustments or payments which must be made as a result of any such audit or inspection of the CONTRACTOR'S invoices or records must be made within a reasonable amount of time, but in no event may the time exceed 90 calendar days, from presentation of the COUNTY'S audit findings to the CONTRACTOR.

D. This provision is hereby considered to be included within, and applicable to, any subcontractor contract entered into by the CONTRACTOR in performance of any work under this Contract.

45. Force Majeure: The parties will exercise every reasonable effort to meet their respective obligations hereunder, but will not be liable for delays resulting from force majeure or other causes beyond their reasonable control, including, but not limited to, compliance with any Government law or regulation, acts of nature, acts or omissions of the other party, Government acts or omissions, fires, strikes, national disasters, wars, riots, transportation problems or any other cause beyond the reasonable control of the parties. Any such cause will extend the performance of the delayed obligation to the extent of the delay so incurred.

46. Business Hours of Operation: Unless otherwise specified in the technical specifications, all work performed will be accomplished between the hours of 8:00 A.M. and 5:00 P.M., Monday through Friday, and no work will be performed on Saturdays, Sundays, or County Holidays, unless permission to work has been requested in writing by the CONTRACTOR and approval, in writing, has been granted by the COUNTY. Request for permission to work must be received by the COUNTY no less than two days prior to the requested workday. The exception to this pre-approval requirement would be in the case of an emergency in which the emergency specification as outlined in General Terms and

Conditions, Section 3, Emergencies, would apply.
