C. Contents of Solicitation and Vendors' Responsibilities: The Vendor shall be thoroughly familiar with the requirements of this solicitation. Ignorance of these matters by the Vendor will not be accepted as a basis for varying the requirements of the County, or the compensation to be paid.

E. Restricted Discussions: From the date of solicitation issuance until final County action, Vendors will not discuss any part of the solicitation with any employee, agent, or other representative of the County except as expressly authorized by the designated procurement representative. The only communications that will be considered pertinent to a solicitation are appropriately signed written documents from the Vendor to the designated procurement representative and any relevant written document promulgated by the designated procurement representative.

In order for COUNTY to provide payment, CONTRACTOR will submit a documented invoice that provides the basic information set forth in this Section.

LICENSES AND PERMITS

CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the Work. When time and material rates are used, CONTRACTOR shall be allowed to invoice for actual permit cost plus 15% markup. CONTRACTOR will remain appropriately licensed throughout the course of the Work. Failure to maintain all required licenses will entitle COUNTY to terminate this Agreement.

CONDITIONS

CONTRACTOR acknowledges that it has sufficient understanding of the nature and conditions of the work, including but not limited to, those bearing upon transportation, disposal, handling and storage of materials, availability of water, electric power, and roads, uncertainties of weather, physical conditions, character of equipment and facilities, quality and quantity of surface and subsurface materials, obstacles, or conditions of the site. Any failure by CONTRACTOR to acquaint itself with any aspect of the work or with any of the applicable conditions will not relieve CONTRACTOR from responsibility for adequately evaluating the difficulty or cost of successfully performing the work required, nor will it be considered a basis for any claim for additional time or compensation.

RENTAL

Should CONTRACTOR need to rent equipment to complete the assigned work, prior approval from the Project Manager shall be required. The cost of the rental shall be indicated on the estimate and the invoice. CONTRACTOR shall be allowed to assess a percentage of up to fifteen percent (15%) over the cost of the rental. A copy of the rental invoice to CONTRACTOR shall accompany the invoice being submitted to COUNTY. There will be no allowance for rental if it is reasonably ascertained that the equipment is needed to complete the work as outlined in the scope of work and was not included in the original estimate.

SUBCONTRACTOR

When time and material rates are specified in a contract rather than a lump sum and CONTRACTOR uses a subcontractor to complete the assigned work, the cost of the subcontractor shall be indicated on the estimate and the invoice. CONTRACTOR shall be allowed to assess a percentage of up to fifteen percent (15%) over the cost of the subcontractor. A copy of the subcontractor invoice to CONTRACTOR shall accompany the invoice submitted to COUNTY. Within five (5) calendar days after award of any subcontract, CONTRACTOR shall deliver to COUNTY a statement setting forth the name and address of the subcontractor, a summary of the work subcontracted and a copy of the subcontract.

COUNTY RESPONSIBILITIES

A. Project Manager: COUNTY will designate a COUNTY staff member to act as COUNTY Project Manager. It is agreed to by the parties that COUNTY Project Manager will decide all questions, difficulties, or disputes, of whatever nature, which may arise relative to the interpretation of the plans, construction, prosecution, and fulfillment of the Scope of Services, and about the character, quality, amount, and value of any work done, and materials furnished, under or by reason of this Agreement. COUNTY Project Manager may appoint representatives as desired that will be authorized to inspect all work done and all materials furnished.

B. COUNTY will pay in accordance with the provisions set forth in this Agreement. COUNTY retains the right to inspect all work to verify compliance with the agreement documents. Such inspection may extend to all or any part of the work and to the manufacture, preparation, or fabrication of the materials to be used.

AGREEMENT DOCUMENTS

A. Definitions: For purposes of this Agreement, the term “agreement documents” includes all bid documents, drawings, the Scope of Services, attachments to this Agreement, and provisions within this Agreement, along with any change orders or amendments to this Agreement. It is the intent of the agreement documents to describe a functionally complete Service which defines the scope of work. Any work, materials, or equipment that may reasonably be inferred from the agreement documents as being required to produce the intended result will be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, material or equipment, such words will be interpreted in accordance with that meaning. Reference to standard specifications, manuals, or codes of any technical society, organization, or association or to the laws or regulations of any governmental authority having jurisdiction, whether such reference be specified or by implication, will mean the latest standard specification, manual, code, law or regulation in effect at the time the work performed, unless specifically stated otherwise herein.

B. Agreement Documents: The agreement documents and all referenced standards cited therein are essential parts of the agreement requirements. A requirement occurring in one is binding as though occurring in all. Drawings and specifications are intended to agree and be mutually complete. Any item not contained within the drawings, but contained in the specifications, or vice-versa, will be provided or executed as shown in either the drawing or specification at no extra costs to COUNTY. Should anything not included in either the drawing or the specifications be necessary for the proper construction or operation as herein specified, or should any error or disagreement between the specifications and drawings exist or appear to exist, CONTRACTOR will not derive unjust benefit thereby, or use such disagreement counter to the best interests of COUNTY. CONTRACTOR will immediately notify COUNTY Project Manager of any discrepancy and await the Project Manager's direction before proceeding with the work in question.

C. Completion of the Scope of Services: CONTRACTOR will give the work the attention necessary to assure the scheduled progress and will cooperate with COUNTY and with other contractors on the job site. All work will be done in accordance with the agreement documents. When not specifically identified in the technical specifications, such materials and equipment will be of a suitable type and grade for the purpose. All material, workmanship, and equipment will be subject to the inspection and approval of COUNTY.

D. Errors and Omissions: CONTRACTOR will not take advantage of any apparent error or omission in the agreement documents. If any error or omission appears in the agreement documents, CONTRACTOR will immediately notify COUNTY in writing of such errors or omissions. In the event CONTRACTOR knows or should have known of any error or omission and failed to provide such notification, CONTRACTOR will be deemed to have waived any claim for increased time or compensation CONTRACTOR may have had and CONTRACTOR will be responsible for the results and the costs of rectifying any such error or omission.

CONTRACTOR PERSONNEL

A. Personnel: CONTRACTOR will assure that all personnel are competent, careful, and reliable. All personnel must have sufficient skill and experience to perform their assigned task properly and satisfactorily, to operate any equipment involved, and will make do and proper effort to execute the work in the manner prescribed in the agreement documents. When COUNTY determines that any person is incompetent, unfaithful, intemperate, disorderly, or insubordinate, such person will be immediately discharged and will not again be employed without the written consent of COUNTY. Should CONTRACTOR fail to remove such person or persons, COUNTY may withhold all payments which are or may become due or may suspend the work with approval of COUNTY until such orders are complied with. No alcoholic beverages or drugs are permitted on any COUNTY properties. Evidence of alcoholic beverages or drug use by an individual will result in immediate termination from the job site.

B. E-Verify: CONTRACTOR will utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by CONTRACTOR during the term of this agreement; and will expressly require any contractor and subcontractors performing work or providing services pursuant to this agreement to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the agreement term.

C. Employment: CONTRACTOR acknowledges and agrees that, in accordance with Section 255.099, Florida Statutes, if assigned to CONTRACTOR is being supported in whole or in part by State funding CONTRACTOR will give preference to the employment of state residents in the performance of the work if state residents have substantially equal qualifications to those of non-

residents. If CONTRACTOR is required to employ state residents, CONTRACTOR will contact the Department of Economic Opportunity to post the employment needs in the State's job bank system. However, in work involving the expenditure of federal aid funds, this section may not be enforced in such a manner that would conflict with or be contrary to federal law prescribing a labor preference to honorably discharged soldiers, sailors, or marines, or prohibiting as unlawful any other preference or discrimination among the citizens of the United States.

D. Superintendent: CONTRACTOR will have at the site as its agent a competent superintendent capable and thoroughly experienced in the type of work being performed, who will receive instructions from COUNTY. The superintendent will supervise all trades, direct all Service activities, establish, and maintain installation schedules, and provide COUNTY Project Manager with progress reports as requested. The superintendent will have full authority to execute the orders or directions of COUNTY, and if applicable to supply promptly any materials, tools, equipment, labor, and incidentals which may be required. Such superintendent will be furnished regardless of the amount of work sublet. CONTRACTOR'S superintendent will speak, write, and understand English and will be on the job site during all working hours.

E. Dress Code: CONTRACTOR will maintain a dress code for its employees with a minimum of shirts, pants, and work shoes/boots, in decent condition, always while the work is being performed. In the event COUNTY determines ID badges are necessary, COUNTY will provide CONTRACTOR with ID badges and CONTRACTOR agrees to enforce that its employees, whether employed by CONTRACTOR or a subcontractor, wear such ID badge while working on site.

F. Employee Documentation: If required by COUNTY for a Service, CONTRACTOR will provide COUNTY Project Manager with all requested documentation for all personnel, subcontractors, and representatives of CONTRACTOR that will be utilized. Documentation will be provided within five working days of request and will be submitted electronically in PDF format. This information will also be provided when new personnel, subcontractors, and representatives of CONTRACTOR are hired at any time during the agreement period. The information supplied will be used to run background checks and to provide identification badging, proximity cards, and keys. All required documentation will be supplied in one PDF attachment that will be titled with the Company's name, the person's name, and the person's birthdate.

Example: ACME Plumbing - John H. Smith - 10/10/96. The documentation will include Full name, Address, Email address, Telephone number, copy of driver's license/state of Florida identification card/valid passport/valid work visa, current color photo (head shot) taken with a plain background, building name(s) and address(s) of the facilities where the individual will be working, and any additional information that may be requested by the Lake COUNTY Sheriff's Office.

G. Criminal Justice Information Services (CJIS): When advised by COUNTY Project Manager, CONTRACTOR'S personnel, subcontractors, and representatives will be required to complete an online training class that includes testing in order to have access to some secure areas of COUNTY facilities. Finger printing may also be required and will be performed by the Lake COUNTY Sheriff's Office at no expense to CONTRACTOR.

H. Background Check: Background checks may be performed by the Lake COUNTY Sheriff's Office for projects or services being done at the Lake COUNTY Courthouse at no expense to CONTRACTOR. On sites other than the Lake COUNTY Courthouse, all personnel, subcontractors, and representatives of CONTRACTOR will be required to submit to the Florida Department of Law Enforcement (1-850-410-8109) for a "Certified Background Check." CONTRACTOR will be responsible for all costs associated with the "Certified Background

Check.” A copy of the “Certified Background Check” will be supplied to COUNTY Project Manager prior to any work starting. COUNTY Project Manager will notify CONTRACTOR electronically of approved and denied background checks. Reasons for denials will not be provided.

I. Identification Badging / Proximity Cards / Keys: CONTRACTOR’S personnel, subcontractors, and representatives that are approved to work in restricted areas will receive an identification badge which may also act as a proximity card. All approved personnel, subcontractors, and representatives of CONTRACTOR will be issued identification badge(s) and will be required to wear them at all times while on COUNTY property. Personnel, subcontractors, and representatives of CONTRACTOR will not be allowed to work on COUNTY property prior to being given approval by the Office of Facilities Management and the assignment of a CONTRACTOR identification badge. For facilities that do not have proximity card readers, keys may be issued to or approved personnel, subcontractors, and representatives of CONTRACTOR. The Office of Facilities Management will notify CONTRACTOR that identification badges, proximity cards, or keys are ready for pickup, and will have CONTRACTOR complete a release form(s) and then distribute them to CONTRACTOR for disbursement to their personnel, subcontractors, and representatives.

J. Lost/Stolen/Damaged Identification Badges / Proximity Cards / Keys: Should an identification badge, proximity card or key is lost, stolen, or damaged, CONTRACTOR will immediately notify COUNTY Project Manager. Personnel, subcontractors, and representatives of CONTRACTOR will be temporarily substituted by CONTRACTOR until a new identification badge/proximity card is provided. CONTRACTOR will be assessed a \$25.00 fee for each lost, stolen, or damaged card or key. All fees due will be deducted from CONTRACTOR’S next invoice.

K. Reports: CONTRACTOR will provide an initial report within 30 business days of the start date and then an annual report due each anniversary of the initial report date for all employees currently being utilized for Projects or Services for COUNTY. All additions or changes will be highlighted in yellow. Reports will be provided for the duration. The report will be delivered electronically in PDF format to the Lake COUNTY Sheriff’s Office Representative, the Facilities Maintenance Division Supervisor, and COUNTY Project Manager. Reports will include the following information for each employee: individual’s name, birthdate, and driver’s license number; identification badge/proximity card number, all facilities where the employee works, all facilities accessible by proximity card or key, the date the identification badge/proximity card was issued, dates of subsequently issued identification badges/proximity cards due to loss, theft, or damage; and the date that the individual left employment of CONTRACTOR and the date the identification badge/proximity card was returned.

L. Leave Reporting and Project Completion: CONTRACTOR will immediately contact COUNTY Project Manager upon the dismissal or permanent leave of any personnel, subcontractors, and representatives of CONTRACTOR that are utilized for Service for COUNTY. CONTRACTOR will contact COUNTY Project Manager to arrange to drop off identification badge(s), proximity card(s), and key(s) of a dismissed worker(s) within three business days of dismissal or leave. At completion, CONTRACTOR will, within three business days, arrange to meet with the Facilities Maintenance Division Manager to return all identification badges, proximity cards, and keys.

M. Subcontractors:

CONTRACTOR will be responsible to COUNTY for the acts and omissions of CONTRACTOR’S subcontractors and of persons either directly or indirectly employed by them.

All subcontractors, for as long as the subcontractor is working on the job site, will have at least one supervisor/foreman on the job site that will speak and understand English.

CONTRACTOR will cause its subcontractors and suppliers to comply with the schedule and applicable sub-schedules.

CONTRACTOR will include with the final invoice a completed CONTRACTOR'S FINAL PAYMENT AFFIDAVIT, which will be provided by COUNTY to CONTRACTOR. A copy of the Affidavit may be provided by request to COUNTY.

N. Emergency Contact: Dependent on COUNTY needs, CONTRACTOR will have a responsible person available at, or reasonably nearby, on a 24-hour basis, seven days a week, who may be contacted in emergencies and in cases where immediate action must be taken to handle any problem that might arise. CONTRACTOR will submit to COUNTY Project Manager, the phone numbers and names of personnel designated to be contacted in cases of emergencies. This list will contain the name of their supervisors responsible for work pertaining to this Agreement.

O. Notification of Emergency: In the event of an emergency affecting the safety or protection of persons, or the work or property at the site or adjacent thereto, CONTRACTOR, without special instruction or authorization from COUNTY, is obligated to act to prevent threatened damage, injury, or loss. CONTRACTOR will contact COUNTY as soon as possible by telephone and with written notice as soon as feasible thereafter, but no later than 24 hours after the occurrence of the emergency, if CONTRACTOR believes that any significant changes in the work or variations from the agreement documents has occurred. If COUNTY determines that a change in the agreement documents is required of the action taken in response to an emergency, a change order request will be issued to document the consequences of the changes or variations. If CONTRACTOR fails to provide written notice within the 24-hour limitation noted above, CONTRACTOR will be deemed to have waived any right it otherwise may have had to seek an adjustment to the agreed amount or an extension to the agreed time.

SAFETY

A. CONTRACTOR will be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work and for complying with all requirements of the Occupational Safety and Health Administration (OSHA) and any other industry, federal, state, or local government standards, including the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA). CONTRACTOR will take all necessary precautions for the safety of, and will provide the necessary protection to prevent damage, injury or loss to, persons or property. CONTRACTOR will be aware that while working for COUNTY, representatives from agencies such as OSHA are invitees and need not have warrants or permission to enter the work site. Any fines levied by the above-mentioned authorities for failure to comply with these requirements will be borne solely by CONTRACTOR.

B. CONTRACTOR certifies that all material, equipment, etc. to be used in an individual Service meets all Occupational Safety and Health Administration (OSHA) requirements. CONTRACTOR certifies that if any of the material, equipment, etc. is found to be deficient in any OSHA requirement in effect on the date of delivery, all costs necessary to bring the material, equipment, etc. into compliance with the requirements will be borne by CONTRACTOR. All standard equipment, work operations, safety equipment, personal protective equipment, and lighting required or mandated by State, Federal, OSHA, or Americans with Disabilities Act (ADA) regulations must be provided and used by CONTRACTOR and its employees.

C. All safety devices installed by the manufacturer on equipment utilized by CONTRACTOR on the jobsite will be in place and in proper working order at all times. If COUNTY determines that the equipment is deficient in safety devices, CONTRACTOR will be notified immediately. CONTRACTOR will immediately repair or remove the equipment from service until the deficiency is corrected to the satisfaction of COUNTY.

D. COUNTY may periodically monitor the work site for safety. Should there be safety or health violations, COUNTY will have the authority, but not the duty, to require CONTRACTOR to correct the violation in an expeditious manner. If there is any situation that is deemed unsafe by COUNTY, work will be shut down immediately upon notice and will not resume until the unsafe condition has been remedied.

E. Should the work site be in a hazardous area, COUNTY will take reasonable actions to furnish CONTRACTOR with information concerning hazards such as the types or the identification of known toxic material, machine hazards, Safety Data Sheets (SDS), or any other information that would assist CONTRACTOR in the planning of a safe work site.

F. CONTRACTOR retains the ultimate responsibility to ensure all work is performed in a manner consistent with all applicable safety standards and directives.

G. CONTRACTOR will erect and maintain, as required by existing conditions and agreement performance, safeguards for safety and protection such as barricades, danger signs, a construction fence, and other warnings against hazardous conditions.

H. CONTRACTOR will be responsible for the removal of all surplus material and debris from the site at the end of each workday. All costs associated with clean-up and debris removal will be included in the lump sum price stated elsewhere herein. CONTRACTOR will leave the site clean and neat. All work must be cleaned up prior to the next day of business. The specified work will not interfere with the regular operating hours of COUNTY.

I. CONTRACTOR must have sufficient and Service site appropriate cleaning supplies and equipment, including vacuum cleaners, on-site for clean-up. CONTRACTOR will not use COUNTY cleaning supplies or equipment. Upon final completion, CONTRACTOR will thoroughly clean-up all areas where work has been involved as mutually agreed with COUNTY Project Manager. If at any time CONTRACTOR fails to clean up the work area to acceptable levels COUNTY will retain outside cleaning services and the actual costs for this service will be deducted from CONTRACTOR'S final payment with the minimum cost of \$50.00 to offset COUNTY time for securing services to properly clean and inspect the site.

J. CONTRACTOR will confine all equipment, materials and operations to the site and areas identified in the agreement documents. CONTRACTOR will assume all responsibility for any damage to any such area resulting from the performance of the work.

K. CONTRACTOR is responsible for notifying COUNTY of any hazardous materials used on the work site and providing COUNTY a copy of the Safety Data Sheets (SDS). Any spillage of hazardous chemicals or wastes by CONTRACTOR will be reported immediately to COUNTY and cleaned up in accordance with all State and Federal Regulations. The cost of cleanup of any spillage of hazardous chemicals or wastes caused by CONTRACTOR will be the sole responsibility of CONTRACTOR and COUNTY will share no responsibility of these costs. A copy of the complete report showing compliance with local, state, and federal agencies will be given to COUNTY. If any hazardous chemicals or conditions are discovered during the normal operation, it is the responsibility of CONTRACTOR to immediately contact COUNTY with a description and location of the condition. The SDS must meet the requirements of 29 C.F.R. 1910.1200(g), and include the following information:

- i. Section 1: Identification
- ii. Section 2: Hazard(s) identification;
- iii. Section 3: Composition/information on ingredients;
- iv. Section 4: First-aid measures;
- v. Section 5: Fire-fighting measures;

- xii. Section 12: Ecological information;
- xiii. Section 13: Disposal considerations;
- xiv. Section 14: Transport information;
- xv. Section 15: Regulatory information; and
- xvi. Section 16: Other information, including date of preparation or last revision. .

FACILITIES PROVISIONS

A. Underground Utilities: Any required digging or subsurface work will be done in accordance with Chapter 556, Florida Statutes. It will be the responsibility of CONTRACTOR to have all underground utilities located before any work begins (Sunshine State One Call 1-800-432-4770). The repairs of any damaged underground utilities because of the work being performed by CONTRACTOR will be the responsibility of CONTRACTOR. The proper utility company will be contacted immediately to expedite the repairs if damage has occurred. CONTRACTOR will notify COUNTY and provide a written explanation of the incident within two days of the damage to any underground utilities.

B. General Inspection Requirements:

- i. CONTRACTOR will furnish COUNTY with every reasonable accommodation for finding out whether the work performed, and materials used are in accordance with the requirements and intent of the agreement documents. If COUNTY so requests, CONTRACTOR will, at any time before final acceptance of the work, remove or uncover such portions of the finished work as may be directed. After examination, CONTRACTOR will restore the uncovered portions of the work to the standard required by the specifications. Should the work so exposed or examined prove unacceptable to COUNTY, the uncovering or removal, and the replacing of the covering or making good of the parts removed, will be at CONTRACTOR'S expense. However, should the work exposed or examined prove acceptable in the opinion of COUNTY, the uncovering or removing and the replacing or the covering or making good of the parts removed, will be paid for as unforeseen work.
- ii. If COUNTY fails to reject defective work or materials, whether from lack of discovery of such defect or for any other reason, such initial failure to reject will in no way prevent COUNTY'S later rejection when such defect is discovered, nor obligate COUNTY to final acceptance or payment, and CONTRACTOR will make no claim for losses suffered due to any necessary removals or repairs of such defects.
- iii. If, during or prior to construction operations, COUNTY rejects any portion of the work on the grounds that the work or materials are defective, COUNTY will give CONTRACTOR notice of the defect, which notice may be confirmed in writing. CONTRACTOR will then have seven calendar days from the date the notice is given to correct the defective condition. If

CONTRACTOR fails to correct the deficiency within the seven calendar days, COUNTY may take any action necessary, including correcting the deficient work utilizing another contractor, returning any non-compliant goods to CONTRACTOR at CONTRACTOR expense or terminating this Agreement. CONTRACTOR will not assess any additional charges for any conforming action taken by COUNTY. COUNTY will not be responsible to pay for any product or service that does not conform to the agreement documents.

- iv. Should CONTRACTOR fail to remove and renew any defective materials used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the agreement documents, within the time indicated in writing, COUNTY may direct CONTRACTOR to correct the unacceptable or defective materials or work at CONTRACTOR'S expense. Any expense incurred by COUNTY, whether direct, indirect, or consequential, in making said repairs, removals, or renewals will be paid for out of any monies due or which may become due to CONTRACTOR. A change order will be issued, incorporating the necessary revisions to the agreement documents, including an appropriate decrease to the agreement amount. Such costs will include, but not be limited to, costs of repair and replacement of work destroyed or damaged by correction, removal or replacement of CONTRACTOR'S defective work and additional compensation due COUNTY. CONTRACTOR will not be allowed an extension of the term of this Agreement because of any delay in performance attributable to the exercise by COUNTY of COUNTY'S rights and remedies hereunder.
- v. If CONTRACTOR fails to honor the change order, COUNTY may terminate this Agreement. In the event COUNTY Project Manager finds the materials or the finished product in which the materials are used and not within reasonably close conformity to the specifications, COUNTY Project Manager will then make a determination if the work will be accepted and remain in place. In this event, COUNTY Project Manager will document the basis of acceptance by a change order that will provide for an appropriate deduction as needed in the agreement price for such work or materials necessary to conform to the determination based on COUNTY Project Manager's professional judgment.
- vi. When all or a portion of the cost of Services is to be paid by federal, state or another governmental agency, the work will be subject to such inspection by federal, state, or other governmental agency representative, but such inspections will not make the government or agency a party to this agreement.

SERVICE MATERIALS AND STORAGE

A. Unless otherwise specified within the agreement documents, all materials to be used to complete work, except where recycled content is specifically requested, will be new, unused, of recent manufacture, and suitable for its intended purpose. All goods will be assembled, serviced, and ready for operation when delivered. In the event any of the materials supplied by CONTRACTOR are found to be defective or do not conform to specifications: (1) the materials may be returned to CONTRACTOR at CONTRACTOR'S expense and this Agreement may be terminated, or (2) COUNTY may require CONTRACTOR to replace the materials at CONTRACTOR'S expense.

B. Materials will be placed to permit easy access for proper inspection and identification of each shipment. Any material which has deteriorated, become damaged, or is otherwise unfit for use, as determined by COUNTY, will not be used in the work, and will be removed from the site by CONTRACTOR at CONTRACTOR'S expense. Until incorporated into the work, materials will

be the sole responsibility of CONTRACTOR and CONTRACTOR will not be paid for such materials until incorporated into the work. If any chemicals, materials, or products containing toxic substances are to be used at any time, CONTRACTOR will furnish a Safety Data Sheet to COUNTY prior to commencing such use.

C. When not specifically identified in the technical specifications, such materials and equipment will be of a suitable type and grade for the purpose.

D. All unusable materials and debris will be removed from the premises at the end of each workday and disposed of in an appropriate manner.

TIME FOR COMPLETION AND EXTENSIONS

A. A written notice to proceed or a Purchase Order with instruction is required for CONTRACTOR to schedule or begin work. CONTRACTOR will diligently pursue the completion of the work and coordinate the work being done by its subcontractors and material suppliers, as well as coordinate CONTRACTOR'S work with the work of other contractors so that CONTRACTOR'S work or the work of others will not be delayed or impaired. CONTRACTOR will be solely responsible for all means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the work under the agreement documents.

B. Should CONTRACTOR be obstructed or delayed in the completion of the work because of unforeseeable causes beyond the control of CONTRACTOR, and not due to CONTRACTOR'S fault or neglect, CONTRACTOR will notify COUNTY in writing within 24 hours after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which CONTRACTOR may have had to request a time extension.

C. If CONTRACTOR complies with the 24-hour notice requirement, COUNTY will ascertain the facts and the extent of the delay being claimed and recommend an extension to the agreement time when, in COUNTY'S sole judgment, the findings of fact justify such an extension. CONTRACTOR will cooperate with COUNTY'S investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the agreement time may be granted only for those delays which impact CONTRACTOR'S construction schedule. Extensions of agreement time, if approved by COUNTY, must be authorized by written change order.

CHANGES IN THE SCOPE OF SERVICES

A. COUNTY may, by written change order, in accordance with COUNTY Purchasing Policy and Procedures, modify the Scope of Services. For changes requested by CONTRACTOR, CONTRACTOR will prepare and submit change order requests for COUNTY approval. Each change order will include time and monetary impacts of the change, whether the change order is considered alone or with all other changes. Both COUNTY and CONTRACTOR will execute the change order. The value of such extra work or change will be determined by the agreement unit values if applicable unit values are set forth in this Agreement. The amount of the change will be computed from such values and added to or deducted from the agreement price.

B. If COUNTY and CONTRACTOR are unable to agree on the change order for a requested change, CONTRACTOR agrees to promptly perform the change as directed in writing by COUNTY. If CONTRACTOR disagrees with COUNTY'S adjustment determination, CONTRACTOR must make a claim pursuant to the Claims and Disputes section herein, or else be deemed to have waived any claim on this matter CONTRACTOR might have otherwise had.

For work not contemplated by the original agreement, the amount of an increase will be limited to CONTRACTOR'S reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit, unless otherwise agreed to in writing by COUNTY. In such case, CONTRACTOR will keep and present to COUNTY an itemized accounting together with appropriate supporting data.

C. COUNTY will not be liable to CONTRACTOR for any increased compensation in the absence of a written change order executed in accordance with COUNTY policy. The payment authorized by such a change order will represent full and complete compensation to CONTRACTOR for labor, materials, incidental expenses, overhead, profit, costs, and time associated with the work authorized by such change order.

D. Execution by CONTRACTOR of a properly authorized change order will be considered a waiver of all claims or requests for additional time or compensation for any activities prior to the time of execution related to items included in the change order.

E. Upon receipt of an approved change order, changes in the Scope of Services will be promptly performed. All changes in work will be performed under the terms and conditions of this Agreement.

F. Change orders will not be issued for incidental items or tasks that should have been reasonably construed to be part of the project by CONTRACTOR.

SALES TAX RECOVERY PROGRAM

In accordance with Section 212.08(6), Florida Statutes, and Rule 12A-1.094, Florida Administrative Code, COUNTY is tax exempt when it purchases tangible personal property for use in public works projects, subject to certain restrictions. In the event this project is declared a sales tax recovery project by COUNTY, the following procedures will apply:

A. COUNTY, through the Office of Facilities Management, shall determine whether COUNTY will directly purchase certain materials required. CONTRACTOR shall prepare a list of proposed items that may be desirable for COUNTY direct purchasing. Proposed items will be items that are purchased in a single order from a single vendor with a value greater than \$10,000. Upon reviewing this list, COUNTY will determine whether it will directly purchase certain materials. COUNTY shall notify CONTRACTOR in writing of the specific materials which are intended to be purchased.

B. Within ten (10) calendar days from receipt of the written notice described above, CONTRACTOR shall advise COUNTY in writing of: (a) the date upon which the materials must be on-site according to the Construction Schedule approved at that time, (b) the date that CONTRACTOR directs that COUNTY place the order for the described materials, (c) the location to which the materials are to be delivered, and (d) any other particular details of the order which CONTRACTOR requests that COUNTY include in the Purchase Order to the vendor.

C. COUNTY may, but is not required to, provide CONTRACTOR with the proposed Purchase Order for the materials. In that case, CONTRACTOR shall review the Purchase Order for compliance with the Agreement, including, without limitation, the plans, specifications, and Construction Schedule. Within the earlier of five (5) calendar days from the receipt of the proposed Purchase Order or the day prior to the date provided by CONTRACTOR as defined hereinabove, CONTRACTOR shall provide COUNTY with written approval of the Purchase Order or shall provide written revisions to the Purchase Order, in order that the materials and the delivery will

comply with the Agreement Documents, including, without limitation, the plans, specifications and Construction Schedule.

D. COUNTY, through the Office of Facilities Management, will place the Order for the materials with the vendor.

E. COUNTY will take title to those materials directly from the vendor and will bear the risk of loss or damage to the materials which are delivered by the vendor through the time that the materials are delivered to the location designated by CONTRACTOR. After the materials are delivered to the location designated by CONTRACTOR, CONTRACTOR will have full responsibility for storage, protection, risk-of-loss, and installation pursuant to the Agreement, including, without limitation, the plans, specifications, and Construction Schedule.

F. The vendor will invoice COUNTY directly for the materials purchased from the vendor. COUNTY shall pay the invoices for the materials directly, presenting its sales tax exemption certificate to each vendor at the time of payment.

With respect to the materials specifically designated by this Section, CONTRACTOR will be relieved only of its responsibilities to place the order for the subject materials, to pay for the materials and to insure the materials against loss through the date that they are delivered to the location designated by CONTRACTOR. Nothing in this Agreement will revise or modify CONTRACTOR'S responsibilities set forth in this Agreement, including, without limitation, the responsibility to schedule the timely ordering and delivery of the materials purchased, the management of the materials once delivered or the incorporation of the materials into the Work, as provided in the Agreement Documents, including, without limitation, the plans, specifications, and Construction Schedule.

THE PURPOSE OF THE SALES TAX RECOVERY PROGRAM IS TO ACHIEVE COST SAVINGS FOR COUNTY. THE COST OF ANY MATERIALS PURCHASED THROUGH THE SALES TAX RECOVERY PROGRAM WILL BE DEDUCTED FROM THE AGREEMENT AMOUNT. ALL SAVINGS REALIZED BY THE SALES TAX RECOVERY PROGRAM WILL INURE TO THE BENEFIT OF COUNTY.

COUNTY and CONTRACTOR shall execute a written change order described in this Agreement and approved in accordance with COUNTY policy and the Change Order will become a part of the Agreement Documents. CONTRACTOR'S fee will be calculated on the basis that CONTRACTOR, rather than COUNTY, procured the materials. Therefore, for purpose of calculating the fee, the total of subcontractor and supplier costs will include payments made by COUNTY under this program.

CLAIMS AND DISPUTES

A. Claims by CONTRACTOR will be made in writing to COUNTY within two business days after the commencement of the event giving rise to such claim or CONTRACTOR will be deemed to have waived the claim. All claims will be priced in accordance with the Section in this Agreement entitled "Changes in Work."

B. CONTRACTOR will proceed diligently with its performance as directed by COUNTY, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by COUNTY in writing. COUNTY will continue to make payments on the undisputed portion of the agreement in accordance with the agreement documents during the pendency of any claim.

C. Claims by CONTRACTOR will be resolved in the following manner:

Upon receiving the claim and supporting data, COUNTY will within 15 calendar days respond to the claim in writing stating that the claim is either approved or denied. If denied, COUNTY will specify the grounds for denial. CONTRACTOR will then have 15 calendar days in which to provide additional supporting documentation, or to notify COUNTY that the original claim stands as is.

If the claim is not resolved, COUNTY may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the parties and each party will pay one-half (1/2) the expense of mediation. If COUNTY declines to mediate the dispute, CONTRACTOR may bring an action in a court of competent jurisdiction in and for Lake COUNTY, Florida.

Claims by COUNTY against CONTRACTOR will be made in writing to CONTRACTOR as soon as the event leading to the claim is discovered by COUNTY. CONTRACTOR will respond in writing within 15 calendar days of receipt of the claim. If the claim cannot be resolved, COUNTY will have the option to submit the matter to mediation as set forth in the preceding paragraph above.

Arbitration will not be considered as a means of dispute resolution.

No claim for damages or any claim other than for an extension of time will be made or asserted against COUNTY by reason of any delays. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work will relieve CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from COUNTY. CONTRACTOR expressly acknowledges and agrees that CONTRACTOR will receive no damages for delay. This provision will not preclude recovery or damages by CONTRACTOR for hindrances or delays due solely to fraud, bad faith, or active interference on the part of COUNTY. Otherwise, CONTRACTOR will be entitled to extensions of the agreement time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

ACCEPTANCE OF THE WORK AND FINAL PAYMENT

The work and services rendered under this Agreement will remain the property of CONTRACTOR and will not be deemed complete until a physical inspection and actual usage of the product(s) or service(s) is (are) accepted by COUNTY and will comply with the terms herein, in accord with the specifications and of the highest quality. Any goods or services purchased under this Agreement may be tested/inspected for compliance with the specifications listed.

FINAL INSPECTION

When all materials have been furnished, all work has been performed, and the construction contemplated by this Agreement has been satisfactorily completed, COUNTY will make the final inspection. The final inspection will be completed within five business days of receipt of notification from CONTRACTOR. COUNTY will notify CONTRACTOR, if necessary, of any deficiencies, and CONTRACTOR will correct all deficiencies before final acceptance and payment is made.

MAINTENANCE OF WORK

CONTRACTOR will maintain all work in as-new condition until the final inspection is completed and the work is accepted by COUNTY. All insurance will be maintained until final acceptance by COUNTY.

FINAL ACCEPTANCE

When work or any portion thereof, as designated by COUNTY, is ready for its intended use, COUNTY and any other invited parties will inspect to verify its completeness and develop a punch list of items needing completion or correction before final payment will be made. CONTRACTOR will have 10 calendar days to correct all deficiencies. An \$80.00 re-inspection fee will be applied for the third inspection and any required re-inspection thereafter. COUNTY will have the right to exclude CONTRACTOR from those portions of the work designated as complete after the inspection; provided, however, that CONTRACTOR will have reasonable access for the time allotted by COUNTY to complete or correct items on the punch list.

When the work provided for under this Agreement has been completely performed by CONTRACTOR, and the final inspection has been made by COUNTY, a final invoice will be prepared by CONTRACTOR and submitted with Exhibit E – Final Payment Affidavit. The amount of this invoice, less any sums that may have been deducted or retained under the provisions of this Agreement, will be paid to CONTRACTOR in accordance with this Agreement, and after CONTRACTOR has agreed in writing to accept the balance due, as determined by COUNTY, as full settlement of the account under the agreement and of all claims in connection therewith. Occupancy by COUNTY alone does not constitute final acceptance.

WAIVER OF CLAIMS

CONTRACTOR'S acceptance of final payment will constitute a full waiver of any and all claims by CONTRACTOR against COUNTY arising out of the Agreement or otherwise related work, except those previously made in writing and identified by CONTRACTOR as unsettled at the time the final estimate is prepared. Neither the acceptance of the work nor payment by COUNTY will be deemed a waiver of COUNTY'S rights to enforce any continuing obligations of CONTRACTOR or to the recovery of damages for defective work not discovered by COUNTY at the time of final inspection.

TERMINATION OF CONTRACTOR'S RESPONSIBILITIES

This Agreement will be considered complete when all work has been completed and accepted by COUNTY and all warranty periods have expired. CONTRACTOR will then be released from further obligation except as set forth in this Agreement.

RECOVERY RIGHTS SUBSEQUENT TO FINAL PAYMENT

COUNTY reserves the right, should an error be discovered in the invoice, or should proof of defective work or materials used by or on the part of CONTRACTOR be discovered after the final payment has been made, to claim and recover from CONTRACTOR by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of COUNTY.

WARRANTIES

A. All warranties will begin on the date of COUNTY'S acceptance which will be the date final payment is issued to CONTRACTOR and will last for a period of 12 months unless otherwise specified in the Scope of Services, plans or specifications. CONTRACTOR will obtain and assign to COUNTY all express warranties given to CONTRACTOR or any subcontractors by any material suppliers, equipment, or fixtures to be incorporated.

B. CONTRACTOR warrants to COUNTY that any materials and equipment furnished under the Agreement Documents will be new unless otherwise specified, and that all work will be of good quality, free from defects and in conformance with the Agreement Documents. CONTRACTOR warrants to COUNTY that all materials and equipment furnished under the Agreement Documents will be applied, installed, connected, erected, used, cleaned, and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers, or processors except as otherwise provided for the agreement documents. This warranty requirement will remain in force for the full period identified above, regardless of whether CONTRACTOR is still under agreement at the time of the defect. These warranties are in addition to those implied warranties to which COUNTY is entitled as a matter of law.

C. If sod is used as part of an individual Service, it will be warranted to be free of noxious and invasive weeds, disease, and insects. If pests or noxious weeds manifest themselves within 60 days of placement of the sod, CONTRACTOR will treat the affected areas. The process for treating these areas will be approved by COUNTY. If the sod does not meet any of the required specifications, CONTRACTOR will be responsible to replace it at no expense to COUNTY. It will be the responsibility of CONTRACTOR to ensure the sod is sufficiently established as described as specified in the Scope of Services, plans, or specifications. This will include watering the sod on a regular basis as needed to keep it alive until established. Established will be considered as being sufficiently rooted, as determined by COUNTY Project Manager, into the surface that it was installed. If the sod dies or does not become established CONTRACTOR will be responsible for the replacement at no cost to COUNTY.

D. CONTRACTOR will be responsible for promptly correcting any deficiency, at no cost to COUNTY, within five (5) calendar days after COUNTY notifies CONTRACTOR of such deficiency in writing. If CONTRACTOR fails to honor the warranty or fails to correct or replace the defective work or items within the period specified, COUNTY may, at its discretion, notify CONTRACTOR in writing that CONTRACTOR may be debarred as a COUNTY vendor, and become subject to contractual default if the corrections or replacements are not completed to the satisfaction of COUNTY within five calendar days of receipt of the notice. If CONTRACTOR fails to satisfy the warranty within the period specified in the notice, COUNTY may (a) place CONTRACTOR in default of its agreement and (b) procure the products or services from another source and charge CONTRACTOR for any additional costs that are incurred by COUNTY for this work or items, either through a credit memorandum or through invoicing.

E. Liquidated Damages: If the deficiencies have been noted and the remedies have not been completed within the contracted time, COUNTY may send out a notification notifying CONTRACTOR of an assessment of Liquidated Damages. COUNTY and CONTRACTOR recognize that, since time is of the essence for this Agreement, COUNTY will suffer financial loss if the work is not completed within the time specified. COUNTY will be entitled to assess Liquidated Damages, not a penalty, for each calendar day. Work will be deemed to be completed on the date the work is considered complete to the satisfaction of COUNTY. CONTRACTOR hereby expressly waives and relinquishes any right which it may have to seek to characterize the Liquidated Damages as a penalty. The parties agree that the Liquidated Damages sum represents a fair and reasonable estimate of COUNTY'S actual damages at the time of contracting if CONTRACTOR fails to complete the work in a timely manner. The Liquidated Damages will be as set forth in the following table:

Service/Project Amount	Daily Charge (Per Calendar Day)
\$5,000 and under	\$25

Over \$5,000 but less than \$10,000	\$65
\$10,000 or more but less than \$20,000	\$91
\$20,000 or more but less than \$30,000	\$121
\$30,000 or more but less than \$40,000	\$166
\$40,000 or more but less than \$50,000	\$228
\$50,001 or more	\$250

F. COUNTY will retain from the compensation to be paid to CONTRACTOR the above-described sum. If CONTRACTOR is in default for not completing work within the time specified, COUNTY may require CONTRACTOR to stop work on any other project or service to COUNTY until the work specified in this Agreement is complete and the Liquidated damages Sum is satisfied.

SANITATION

If work does not involve interior work, CONTRACTOR will be required to provide and maintain adequate sanitary conveniences for the use of persons employed. These conveniences will be always maintained without nuisance, and the use will be strictly enforced. The location of these conveniences will be subject to COUNTY Project Manager's approval. All such facilities will be installed and maintained by CONTRACTOR in accordance with applicable federal, state, and local laws.

SUBMITTALS AND EQUAL PRODUCTS

A. Submittals of products required hereunder, will be supplied to COUNTY by CONTRACTOR for pre-approval prior to the start of the work. These documents will be provided to COUNTY at least one week before the installation.

B. If a product or service requested by COUNTY has been identified in the specifications by a brand name and has not been notated as a "No Substitute" item, such identification is intended to be descriptive and not restrictive and is to indicate the quality and characteristics of product or service that will be acceptable. If CONTRACTOR offers an alternate product or service for consideration, such product must be clearly identified by CONTRACTOR to COUNTY. COUNTY will decide whether the alternate meets the salient characteristics of the specifications. An alternate product will not be considered for any item notated "No Substitute."

C. Unless CONTRACTOR clearly indicates in its response that it is proposing an alternate product, the response will be considered as offering the same brand name referenced in the specifications. If CONTRACTOR proposes to furnish an alternate product or service, the brand name of the product or service to be furnished will be clearly identified. A formal submittal for the alternate/shop drawings will be submitted. The evaluation of the alternate and the determination on acceptability of the alternate product or service will be the responsibility of COUNTY and will be based upon information furnished by CONTRACTOR. COUNTY will not be responsible for locating or securing any information which is not included in CONTRACTOR'S response. To ensure that sufficient information is available, CONTRACTOR will furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so COUNTY can make an informed determination whether the product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

FEES

The following is a list of fees that may be assessed to CONTRACTOR during the term of this Agreement. These fees are assessed to help offset the additional costs associated with COUNTY'S

labor and vehicle usage required for unnecessary inspections or missed appointments. The \$80.00 fee shown below is a re-inspection fee for uncorrected workmanship. The fee will be applied to the third inspection and for any subsequent inspections. Any re-inspection fee charged to COUNTY by other agencies having jurisdiction, will additionally be charged back to CONTRACTOR. The fees, if any, will be deducted from the final invoices.

Missing scheduled appointments	\$70.00 each occurrence
Failure to respond to emergency calls	\$250.00 per day
Late to emergency calls	\$36.00 per hour
Inspected unacceptable workmanship	\$80.00 each inspection
Failure to provide any and all required documentation or reports	\$75.00 per day
Failure to pass all inspecting authority re-inspections (within 30 days of initial inspection)	\$250.00 per day

RETURN OF MATERIALS

Upon the request of COUNTY, but in any event upon termination of this Agreement, CONTRACTOR will surrender to COUNTY all memoranda, notes, records, drawings, manuals, computer software, and other documents or materials pertaining to the work hereunder, that were furnished to CONTRACTOR by COUNTY pursuant to this Agreement.

RETAINING OTHER CONTRACTORS

Nothing herein will be deemed to preclude COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by CONTRACTOR or from independently developing or acquiring materials or programs that are similar to, or competitive with, the work provided under this Agreement. While COUNTY has listed all major items which are utilized by COUNTY'S offices and departments in conjunction with their operations, there may be similar or ancillary items that must be purchased by COUNTY during the term of this Agreement. Under these circumstances, a COUNTY representative will contact CONTRACTOR to obtain a price quote for the similar or ancillary items. COUNTY reserves the right to award these ancillary items to CONTRACTOR, another vendor, or to acquire the items through a separate solicitation.

ACCURACY

During this Agreement, CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion, and coordination of all work furnished hereunder. CONTRACTOR will, without additional compensation, correct or revise any errors, omissions, or other deficiencies in resulting from work provided herein.

BUSINESS HOURS OF OPERATION

Unless otherwise specified in the technical specifications, all work performed will be accomplished between the hours of 8:00 A.M. and 5:00 P.M., Monday through Friday, and no work will be performed on Saturdays, Sundays, or COUNTY Holidays, unless permission to work has been requested in writing by CONTRACTOR and approval, in writing, has been granted by COUNTY. Request for permission to work must be received by COUNTY no less than two days prior to the requested workday. The exception to this pre-approval requirement would be in the

case of an emergency in which the emergency specification as outlined in General Terms and Conditions would apply. COUNTY Holidays are as follows: New Year's Day; Martin Luther King, Jr. Day; Presidents' Day; Memorial Day; Independence Day; Labor Day; Veteran's Day; Thanksgiving Day; Day after Thanksgiving; and Christmas Day. Special schedules may be established, if necessary, because of problems with noise or similar difficulties affecting other COUNTY facilities, COUNTY operations, or citizens in homes or buildings/rooms adjacent to the work being completed. When CONTRACTOR requests and is approved for Saturday, Sunday or Holiday work, COUNTY may assess CONTRACTOR the sum of \$250.00 per person per day for each Saturday, Sunday or recognized Holiday worked or planned to work. These fees will be deducted from the final invoice.

PROTECTION OF PROPERTY

A. All existing structures, utilities, services, roads, trees, shrubbery, and property in which COUNTY has an interest will be protected against damage or interrupted services at all times by CONTRACTOR during the term of this Agreement, and CONTRACTOR will be held responsible for repairing or replacing damaged property to the satisfaction of COUNTY which is damaged by reason of CONTRACTOR'S operation on the property. In the event CONTRACTOR fails to comply with these requirements, COUNTY reserves the right to secure the required services and charge the costs of such services back to CONTRACTOR. All items damaged because of CONTRACTOR or subcontractor operations belonging to third parties, such as but not limited to: sidewalks, irrigation, curbs, pipes, drains, water mains, pavement, mailboxes, turf, signs, or other property will either be repaired or replaced by CONTRACTOR, at CONTRACTOR'S expense, in a manner prescribed by, and at the sole satisfaction of COUNTY.

B. If work is to be completed within COUNTY facilities, CONTRACTOR will be responsible for repairing or replacing any portion of any COUNTY facility, whether interior or exterior, damaged by reason of CONTRACTOR'S operation within the property. In the event CONTRACTOR fails to comply with these requirements, COUNTY reserves the right to secure the required services and charge the costs of such services back to CONTRACTOR. All items within a facility belonging to third parties, or to commissioners, officers, employees, lessees, invitees, or agents of COUNTY, including but not limited to personal items and furniture will either be repaired or replaced by CONTRACTOR, at CONTRACTOR'S expense, in a manner prescribed by, and at the sole satisfaction of COUNTY.

C. CONTRACTOR will be responsible for re-grading and re-sodding any areas that are disturbed by CONTRACTOR while the work is completed.

RISK OF LOSS/ACCIDENT NOTIFICATION

CONTRACTOR assumes the risk of loss of damage to COUNTY's property during possession of such property by CONTRACTOR, and until delivery to and acceptance of that property to COUNTY. CONTRACTOR will immediately repair, replace, or make good on the loss or damage without cost to COUNTY, whether the loss or damage results from acts or omissions, negligent or otherwise, of CONTRACTOR or a third party. If while completing work as part of this Agreement there is an accident that involves the public, CONTRACTOR will as soon as possible inform COUNTY of the incident by telephone. CONTRACTOR will follow up in writing within two business days of the incident. If Law Enforcement was involved and has written a report, CONTRACTOR will forward a copy of the report to COUNTY.

During the performance of this contract, the Contractor agrees as follows:

A. EQUAL EMPLOYMENT OPPORTUNITY

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The Contractor will include the portion of the sentence immediately preceding paragraph (I) and the provisions of paragraphs (I) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States:

B. DAVIS-BACON AND RELATED ACT PROVISIONS

This section is applicable to all Federal-aid construction projects exceeding \$2,000 and to all related subcontracts and lower-tier subcontracts (regardless of subcontract size), in accordance with 29 CFR 5.5. The requirements apply to all projects located within the right-of-way of a roadway that is functionally classified as Federal-aid highway. 23 U.S.C. 113. This excludes roadways functionally classified as local roads or rural minor collectors, which are exempt. 23 U.S.C. 101.

Where applicable law requires that projects be treated as a project on a Federal-aid highway, the provisions of this subpart will apply regardless of the location of the project. Examples include: Surface Transportation Block Grant Program projects funded under 23 U.S.C. 133 [excluding recreational trails projects], the Nationally Significant Freight and Highway Projects funded under 23 U.S.C. 117, and National Highway Freight Program projects funded under 23 U.S.C. 167.

The following provisions are from the U.S. Department of Labor regulations in 29 CFR 5.5 "Contract provisions and related matters" with minor revisions to conform to the FHWA- 1273 format and FHWA program requirements.

1. Minimum wages (29 CFR 5.5)

- a. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

- b. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph 1.d. of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph 1.b. of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

- b. (1) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

- (i) The work to be performed by the classification requested is not performed by a classification in the wage determination; and
 - (ii) The classification is utilized in the area by the construction industry; and
 - (iii) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.
- (2) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.
- (3) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage

rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs 1.b.(2) or 1.b.(3) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

c. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

d. If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

2. Withholding (29 CFR 5.5)

The contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor under this contract, or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract, the contracting agency may, after written notice to the contractor, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

3. Payrolls and basic records (29 CFR 5.5)

Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions

or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

b. (1) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the contracting agency. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the contracting agency for transmission to the State DOT, the FHWA or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the contracting agency.

Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

- (i) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5(a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

- c. The contractor or subcontractor shall make the records required under paragraph 3.a. of this section available for inspection, copying, or transcription by authorized representatives of the contracting agency, the State DOT, the FHWA, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the FHWA may, after written notice to the contractor, the contracting agency or the State DOT, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4.Apprentices and trainees (29 CFR 5.5)

a. Apprentices (programs of the USDOL).

Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice.

The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a

contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed.

Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination.

Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination.

In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

b. Trainees (programs of the USDOL).

Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration.

The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration.

Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed.

In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.
