

ADDENDUM #2

CR 42 Intersection with CR 439 Traffic Signal
Project No. 2023-03, Bid No. 23-530
FPN #441364-2-58-01

This addendum is being issued to make the following changes, corrections, clarifications and additions to the bidding document. The information in this addendum modifies and changes the original bidding documents and takes precedence over the original documents. **Receipt of this addendum shall be acknowledged by the bidder by signing and dating the appropriate line on page W-4 of the bid proposal.** Failure to acknowledge this addendum may preclude consideration of the bid proposal for award.

The bid opening date remains May 11, 2023. All requests for information must be submitted by May 1, 2023.

Questions asked via email:

Q1: Page A-4 of the bid document, under Section 4, it states "Contractor and/or subcontractor shall be FDOT prequalified in the following work classes: Pavement Marking, Flexible Paving, and Traffic Signal." The plans and the pay item list does not show any pavement markings or roadway work. Can this requirement be updated to only "Traffic Signal"?

A1: Section 4 **Pre-qualification of Contractor** of the bid document is hereby amended to read: "Contractor and/or subcontractors shall be FDOT pre-qualified in the following work classes: Traffic Signal."

Deborah Marchese, Construction Program Coordinator
