4.2 The parties acknowledge that this is a project specific agreement. **The single Service provided for under this Agreement shall be completed by the CONTRACTOR within four hundred sixty-nine (469) calendar days from the date the Notice to Proceed is issued.**

4.3 All work must be performed in accordance with best commercial practice. The work schedule and completion dates must be adhered to by the CONTRACTOR except in such cases where the completion date will be delayed due to acts of God, strikes, or other causes beyond the control of the CONTRACTOR. In these cases, the CONTRACTOR shall notify the COUNTY of the delays in advance of the original completion so that a revised delivery schedule can be appropriately considered by the COUNTY. **No additional days will be granted for rain delays.**

4.4 The CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the Service.

4.5 In the event any conflict between any drawings and specifications contained within this Agreement, the following will govern:

The CONTRACTOR further acknowledges that the CONTRACTOR has satisfied itself as to the character, quality and quantity of surface and subsurface materials, obstacles or conditions of the site. Any failure by the CONTRACTOR to acquaint itself with any aspect of the work or with any of the applicable conditions will not relieve the CONTRACTOR from responsibility for adequately evaluating the difficulty or cost of successfully performing the work required, nor will it be considered a basis for any claim for additional time or compensation. The COUNTY assumes no responsibility for any conclusions or interpretations made by the CONTRACTOR on the basis of the information made available by the COUNTY. The COUNTY also assumes no responsibility for any understanding or representations made by its officers or agents during or prior to the execution of this Agreement, unless such understanding or interpretations are made in writing and incorporated in this Agreement by reference.

Article 5. Payment.

5.1 The COUNTY shall pay, and the CONTRACTOR shall accept as full and complete payment for the timely and complete performance of its obligations under this Agreement as provided in the Pricing Sheet which is attached and incorporated by reference as **Exhibit C**. Retainage shall be released as set forth in Section 218.735, Florida Statutes.

Any hourly rate quoted will be deemed to provide full compensation to the CONTRACTOR for labor, supervision, equipment use, travel time, and all other costs associated with providing the services needed to satisfactorily complete all work provided. This rate is assumed to be at straight-time for all labor, except as otherwise noted.

5.2 Retainage. A retention of funds equal to 5% will be withheld from each invoice in accordance with Section 218.735, Florida Statutes. Retainage will be released in accordance with Section 218.735, Florida Statutes and as provided in Article 6.15 of this Agreement.

The CONTRACTOR may receive periodic payments on a thirty (30) day interval for Service tasks completed during that period by the CONTRACTOR and approved by the COUNTY's Project Manager. Retention of funds will be held in accordance with Section 218.735, Florida Statutes. In order for the COUNTY to provide payment, the CONTRACTOR shall submit a fully documented invoice that provides the basic information set forth below. Each invoice must contain such detail and be backed up with whatever supporting information the COUNTY or the CONTRACTOR reasonably requests and must at a minimum state:

- A. The total Construction Price for the Service.
- B. The amount due for properly provided labor, materials and equipment properly incorporated into the Service; and with respect to amounts invoiced for materials or equipment necessary for the Service and properly stored at the Site (or elsewhere if offsite storage is approved in writing by the COUNTY), be accompanied by written proof that the COUNTY has title to such materials or equipment and that such material and equipment is fully insured against loss or damage.
- C. A breakdown of the various parts of the Service as related to the Pricing Sheet as shown on **Exhibit C**.
- D. The value of the various parts of the Service performed.
- E. Previously invoiced amounts and credit payments made.

- G. Submit a current schedule with every pay application; and
- H. A lien waiver and other documentation verifying the CONTRACTOR's payment to subcontractors and suppliers as the COUNTY may reasonably request.

5.5 The COUNTY shall make payment on all undisputed invoices in accordance with the Florida Local Government Prompt Payment Act, Part VII, Chapter 218, Florida Statutes. The COUNTY will not make payment on partial delivery of supplies, services, or materials.

5.6 Grant Funding. In the event any part of this Agreement or the Service, is to be funded by Federal, State, or other local agency monies, the CONTRACTOR hereby agrees to cooperate with the COUNTY in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Service and as specifically required by the Federal or State granting agency, and receiving no payment until all required forms are completed and submitted. A copy of the requirements will be supplied to the CONTRACTOR by the COUNTY upon request.

5.7 Payment/Performance Bond Requirements. Pursuant to Florida Statutes, Section 255.05, CONTRACTOR must provide a Performance and Payment Bond or irrevocable letter of credit in an amount that represents **100%** of the contract price. The Performance and Payment Bond Form supplied by the COUNTY will be the only acceptable form for these bonds. No other form will be accepted. Bond information and forms are attached hereto and incorporated herein as **Exhibit D**. In the event the CONTRACTOR defaults on the construction, the COUNTY shall utilize the payment and performance bond or letter of credit to complete the work.

5.8 Payment Procedures.

A. The COUNTY will review the CONTRACTOR's applications for payment, including such accompanying data, information and schedules as the Service requires, to determine the amounts due to the CONTRACTOR and, based upon such review, together with its inspections of the Service, will authorize payment by the COUNTY to the CONTRACTOR in writing. Such authorization will constitute the CONTRACTOR's certification to the County that:

- (i) The Service described in the CONTRACTOR's invoice has progressed to the level indicated;
- (ii) The Service has been performed in accordance with the Agreement;
- (iii) All necessary and appropriate lien waivers have been submitted; and
- (iv) the amount requested is currently due and owing to the CONTRACTOR.

C. In the case of unit price work, the CONTRACTOR's recommendations for payment will constitute a final determination of quantities and classifications of such work.

D. Payments will be deemed timely if postmarked on or before the payment date defined in this Agreement or any other payment due date stated in this Article 4.

E. The COUNTY may withhold all or part of an application for payment to the extent reasonably necessary to protect the COUNTY if in the COUNTY's opinion the representations to the COUNTY required by this section cannot be made. If the COUNTY is unable to certify payment in the amount of the application, the COUNTY will notify the CONTRACTOR as provided for in this Agreement. If the CONTRACTOR and the COUNTY cannot agree on a revised amount, the COUNTY will promptly authorize payment for the amount which the CONTRACTOR is able to make such representations to the COUNTY. The COUNTY may also withhold payment or, because of subsequently discovered evidence, may nullify the whole or part of an application for payment previously issued, to such extent as may be necessary in the COUNTY's opinion to protect the COUNTY from loss for which the CONTRACTOR is responsible, including loss resulting from its acts and omissions, because of

- (i) Defective Work not remedied;
- (ii) Third party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to the COUNTY is provided by the CONTRACTOR;
- (iii) Failure of the CONTRACTOR to make payments properly to subcontractors for labor, materials, or equipment;

- (iv) Reasonable evidence that the Service cannot be completed for the unpaid balance of the contract price;
- (v) Damage to the COUNTY or other contractor;
- (vi) Reasonable evidence that the Service will not be completed within dates established in this Agreement, and that the unpaid balance would not be adequate to cover liquidated damages for the anticipated delay; or
- (vii) Persistent failure to carry out the Service in accordance with this Agreement.

5.9 County's Right to Refuse Payment. The COUNTY's approval of the CONTRACTOR's invoice will not preclude the COUNTY from exercising any of its remedies under this Agreement. These remedies include, without limitation the COUNTY's right to withhold all or part of any payment (including Final Payment) for the reasons described in Article 4. In the event of a dispute, payment will be made on or before the payment date for amounts not in dispute, subject to any setoffs claimed by the COUNTY. The COUNTY will have the right to refuse to make payment and, if necessary, may demand the return of a portion or all the amount previously paid to the CONTRACTOR to the extent due to:

A. The CONTRACTOR's failure to perform the Work in compliance with the requirements of this Agreement or any other agreement between the parties.

B. The CONTRACTOR's failure to correctly and accurately represent the Service performed in a payment request, or otherwise.

C. The CONTRACTOR's performance of the Service at a rate or in a manner that, in the COUNTY's reasonable opinion, is likely to result in the Service being inexcusably delayed.

D. The CONTRACTOR's failure to use funds previously paid the COUNTY, to pay the CONTRACTOR's Service-related obligations including, but not limited to, the CONTRACTOR's subcontractors, materialmen, and suppliers.

E. Claims made against the COUNTY or its property.

F. Loss caused by the CONTRACTOR's subcontractors, or suppliers and not paid by insurance or covered by bonds provided by CONTRACTOR.

G. The CONTRACTOR's failure or refusal to perform any of its obligations to the COUNTY.

5.10 Contractor's Right to Refuse Performance for Non-Payment. If within the time set forth in Section 218.735, Florida Statutes, the COUNTY, without cause or basis under this Agreement, fails to pay the CONTRACTOR any amounts then due and payable to the CONTRACTOR will have the right, in addition to all other rights and remedies contained in this Agreement, to send the COUNTY an overdue notice. If the payment request is not rejected within four (4) business days after delivery of the overdue notice, the payment request or invoice shall be deemed accepted, except for any portion of the payment request or invoice that is fraudulent or misleading.

5.11 Correction of Past Payments. All prior payments, whether based on estimates or otherwise, may be corrected and adjusted in any subsequent payment and will be corrected and adjusted in the final

payment. If any invoice contains a defect or impropriety which would prevent payment by the payment date, the COUNTY shall notify the CONTRACTOR in writing of such defect or impropriety in accordance with Section 218.735, Florida Statutes. Any disputed amounts determined by the COUNTY to be payable to the CONTRACTOR will be due in the time frames set forth in Section 218.735, Florida Statutes, from the date the dispute is resolved.

5.12 Interest on Outstanding Amounts Due. To the extent allowed by Chapter 218, Florida Statutes, interest will accrue on amounts owed by the COUNTY to the CONTRACTOR which remain unpaid for the time specified in the statutes.

No interest will accrue when payment is delayed because of a dispute between the COUNTY and the CONTRACTOR, or a dispute as to the accuracy or completeness of any request for payment received. This exception to the accrual of interest will apply only to that portion of a delayed payment which is the subject of the dispute and will apply only for the duration of such disagreement.

5.13 Invoice Warranties and Guarantees. The CONTRACTOR expressly warrants and guarantees to the COUNTY that:

A. Title to all goods, products, materials, equipment, and systems covered by an invoice will pass to the COUNTY either by incorporation into the Service, or upon receipt of payment by the CONTRACTOR, whichever occurs last.

B. All goods, products, materials, equipment, and systems covered by an invoice are free and clear of liens, claims, security interests or encumbrances.

C. No goods, products, materials, equipment, or systems covered by an invoice have been acquired by the CONTRACTOR, or its subcontractors or suppliers, subject to an agreement under which an interest or an encumbrance is retained by the seller or otherwise imposed by the CONTRACTOR, or its subcontractors or suppliers.

5.14 Contractor's Signature. The signature of the CONTRACTOR on any invoice constitutes the CONTRACTOR's certification to the COUNTY that (i) the CONTRACTOR's services listed in the invoice have progressed to the level indicated and have been performed as required by this Agreement; (ii) the CONTRACTOR has paid its subcontractors and suppliers their proportional share of all previous payments received from the COUNTY; and (iii) the amount requested is currently due and owing.

5.15 Taxes. The CONTRACTOR shall incorporate into the Pricing Sheet, and pay, all sales, consumer, use and similar taxes for goods, products, materials, equipment, and systems incorporated into the Service which were legally required at the time of execution of this Agreement, whether yet effective or merely scheduled to go into effect. The CONTRACTOR shall secure, defend, protect, hold harmless, and indemnify the COUNTY from and against all liability, loss, claims, demands, suits, costs, fees and expenses (including actual fees and expenses of attorneys, expert witnesses, and other consultants) relating to any taxes assessed or imposed upon, incurred by or asserted against the COUNTY by any taxing authority with respect to such taxes. The CONTRACTOR shall cooperate with and assist the COUNTY in securing qualified refunds of any sales or use tax paid by the COUNTY or CONTRACTOR on goods, products, materials, equipment, or systems. Any refund secured must be paid to the COUNTY.

5.16 Sales Tax Recovery Program. In accordance with Section 212.08(6), Florida Statutes, and Rule 12A-1.094, Florida Administrative Code, the COUNTY is tax exempt when it purchases tangible personal

property for use in public works projects, subject to certain restrictions. In the event this project is declared a sales tax recovery project by the COUNTY, the following procedures will apply:

A. The COUNTY, through the Office of Public Safety Support, shall determine whether the COUNTY will directly purchase certain materials required for the Work.

B. Upon execution of this Agreement, the CONTRACTOR shall prepare a list of proposed items that may be desirable for COUNTY direct purchasing. Proposed items will be items that are purchased in a single order from a single vendor with a value greater than \$10,000. Upon reviewing this list, the COUNTY will determine whether it will directly purchase certain materials. The COUNTY shall notify the CONTRACTOR in writing of the specific materials which are intended to be purchased.

C. Within ten (10) calendar days from receipt of the written notice described in Article 4.16.B, the CONTRACTOR shall advise the COUNTY in writing of: (a) the date upon which the materials must be on-site according to the construction schedule approved at that time, (b) the date that the CONTRACTOR directs that the COUNTY place the order for the described materials, (c) the location to which the materials are to be delivered, and (d) any other particular details of the order which the CONTRACTOR requests that the COUNTY include in the Purchase Order to the vendor.

D. The COUNTY may, but is not required to, provide the CONTRACTOR with the proposed Purchase Order for the materials. In that case, the CONTRACTOR shall review the Purchase Order for compliance with the construction documents, including, without limitation, the plans, specifications, and construction schedule. Within five (5) calendar days from the receipt of the proposed Purchase Order, the CONTRACTOR shall provide the COUNTY with written approval of the Purchase Order or shall provide written revisions to the Purchase Order, in order that the materials and the delivery will comply with the Construction Documents, including, without limitation, the plans, specifications and Construction Schedule.

E. The COUNTY will place the Order for the materials with the vendor.

F. The COUNTY will take title to those materials directly from the vendor and will bear the risk of loss or damage to the materials which are delivered by the vendor through the time that the materials are delivered to the location designated by the CONTRACTOR. After the materials are delivered to the location designated by the CONTRACTOR, the CONTRACTOR will have full responsibility for their storage, protection, risk-of-loss, and installation pursuant to the construction documents, including, without limitation, the plans, specifications, and construction schedule.

G. The vendor will invoice the COUNTY directly for the materials purchased from the vendor. The COUNTY shall pay the invoices for the materials directly, presenting its sales tax exemption certificate to each vendor at the time of payment.

With respect to the materials specifically designated by this section, the CONTRACTOR will be relieved only of its responsibilities to place the order for the subject materials, to pay for the materials and to insure the materials against loss through the date that they are delivered to the location designated by the CONTRACTOR. Otherwise, nothing in this Agreement will revise or modify the CONTRACTOR's responsibilities set forth in this Agreement, including, without limitation, the responsibility to schedule the timely ordering and delivery of the materials purchased under this Agreement, the management of the materials once delivered or the incorporation of the materials into the Service, as provided in the construction documents, including, without limitation, the plans, specifications and construction schedule.

THE PURPOSE OF THE SALES TAX RECOVERY PROGRAM IS TO ACHIEVE COST SAVINGS FOR THE COUNTY. THE COST OF ANY MATERIALS PURCHASED THROUGH THE SALES TAX RECOVERY PROGRAM WILL BE DEDUCTED FROM THE CONTRACT AMOUNT. ALL SAVINGS REALIZED BY THE SALES TAX RECOVERY PROGRAM WILL INURE TO THE BENEFIT OF THE COUNTY. IT IS THE CONTRACTOR'S RESPONSIBILITY TO ADJUST ANY SUBCONTRACTS ACCORDINGLY.

The COUNTY and CONTRACTOR shall execute a written change order described in this Agreement and approved in accordance with the COUNTY's policy and the Change Order will become a part of the contract documents as provided in this Agreement. The CONTRACTOR's fee will be calculated on the basis that the CONTRACTOR, rather than the COUNTY, procured the materials. Therefore, for purpose of calculating the fee, the total of subcontractor and supplier costs will include payments made by the COUNTY under this program. The calculation of the fee in this manner will provide, among other things, specific supplemental consideration for the provisions of this Article.

5.17 Compensation of Contractor's Subcontractors and Suppliers. Upon receipt of payment from the COUNTY, the CONTRACTOR shall pay each of its subcontractors and suppliers out of the amount received by the CONTRACTOR on account of such subcontractor's or supplier's portion of the Service, the amount to which each entity is entitled, reflecting percentages retained from payments to the CONTRACTOR on account of such entity's portion of the Service. The COUNTY will have no obligation to pay, and will not be responsible for payments to, the CONTRACTOR's subcontractors or suppliers. However, the COUNTY reserves the right, but has no duty, to make payment jointly to the CONTRACTOR and to any of its subcontractors or suppliers if the COUNTY becomes aware that the CONTRACTOR fails to pay or unreasonably withholds payment from one or more of those entities. Such joint check procedure, if employed by the COUNTY, will create no rights in favor of any person or entity beyond the right of the named payees to payment of the check and will not be deemed to commit the COUNTY to repeat the procedure in the future.

5.18 Final Payment. Prior to being entitled to receive final payment, and as a condition precedent, the CONTRACTOR must achieve Final Completion of the Service and provide documents needed for final payment.

Article 6. County Responsibilities

6.1 The COUNTY shall designate a COUNTY staff member to act as COUNTY's Project Manager. It is agreed to by the parties that the COUNTY's Project Manager will decide all questions, difficulties, or disputes, of whatever nature, which may arise relative to the interpretation of the plans, construction, prosecution and fulfillment of the Scope of Services, and as to the character, quality, amount and value of any work done, and materials furnished, under or by reason of this Agreement. The COUNTY's Project Manager may appoint representatives as desired that will be authorized to inspect all work done and all materials furnished.

6.2 The COUNTY shall pay in accordance with the provisions set forth in this Agreement.

6.3 The COUNTY retains the right to inspect all work to verify compliance with the contract documents. Such inspection may extend to all or any part of the work and to the manufacture, preparation, or fabrication of the materials to be used.

Article 7. Facilities Provisions

7.1 Intent of the Contract Documents.

A. For purposes of this Agreement, the term “contract documents” includes all bid documents, drawings, the Statement of Work, attachments to this Agreement, and provisions within this Agreement, along with any change orders or amendments to this Agreement.

B. It is the intent of the contract documents to describe a functionally complete Service which defines the scope of work. Any work, materials, or equipment that may reasonably be inferred from the contract documents as being required to produce the intended result must be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, material or equipment, such words must be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Service, whether such reference be specified or by implication, will mean the latest standard specification, manual, code, law or regulation in effect at the time the work performed, unless specifically stated otherwise in this Agreement.

C. The contract documents and all referenced standards cited in the contract documents are essential parts of the contract requirements. A requirement occurring in one is binding as though occurring in all.

D. Drawings and specifications are intended to agree and be mutually complete. Any item not contained within the drawings, but contained in the specifications, or vice-versa, must be provided and executed as shown in either the drawing or specification at no extra costs to the COUNTY. Should anything not included in either the drawing or the specifications be necessary for the proper construction and operation of the Service as specified in this Agreement or should any error or disagreement between the specifications and drawings exist or appear to exist, the CONTRACTOR may not derive any unjust benefit, or use such disagreement counter to the best interests of the COUNTY. The CONTRACTOR shall immediately notify the COUNTY's Project Manager of any discrepancy and await the Project Manager's direction before proceeding with the work in question.

7.2 Errors and Omissions. The CONTRACTOR shall not take advantage of any apparent error or omission in the contract documents. If any error or omission appears in the contract documents, the CONTRACTOR shall immediately notify the COUNTY in writing of such errors or omissions. In the event the CONTRACTOR knows or should have known of any error or omission and failed to provide such notification, the CONTRACTOR will be deemed to have waived any claim for increased time or compensation the CONTRACTOR may have had and the CONTRACTOR will be responsible for the results and the costs of rectifying any such error or omission.

7.3 Contractor Personnel.

A. The CONTRACTOR shall assure that all personnel are competent, careful and reliable. All personnel must have sufficient skill and experience to perform their assigned task properly and satisfactorily and to operate any equipment involved and must make due and proper effort to execute the work in the manner prescribed in the contract documents.

B. When the COUNTY determines that any person is incompetent, unfaithful, intemperate, disorderly or insubordinate, such person will be immediately discharged from the Service and will not again be employed on the Service without the written consent of the COUNTY. Should the CONTRACTOR fail to remove such person or persons, the COUNTY may withhold all payments which are or may become due, or may suspend the work with approval of the COUNTY until such orders are complied with.

C. The CONTRACTOR shall at all times have at the Service site as its agent a competent superintendent capable and thoroughly experienced in the type of work being performed, who will receive instructions from the COUNTY. The superintendent shall supervise all trades, direct all Service activities, establish and maintain installation schedules, and provide the COUNTY's Project Manager with progress reports as requested. The superintendent shall have full authority to execute the orders or directions of the COUNTY, and if applicable to promptly supply any materials, tools, equipment, labor and incidentals which may be required. Such superintendent must be furnished regardless of the amount of work sublet. The CONTRACTOR's superintendent shall speak, write, and understand English and shall be on the job site during all working hours.

D. No alcoholic beverages or drugs are permitted on any COUNTY properties. Evidence of alcoholic beverages or drug use by an individual will result in immediate termination from the job site.

E. The CONTRACTOR shall maintain a dress code for their employees with a minimum of shirts, pants, and work shoes/boots, in decent condition, at all times while the work is being performed. Additionally, there may be times in which the COUNTY will require all workers on a particular individual Service to wear ID badges. The COUNTY shall supply the ID badges. If ID badges are necessary, the CONTRACTOR will ensure that all workers employed for that particular Service, whether employed by the CONTRACTOR or a subcontractor, are scheduled, prior to assignment, for an appointment during the COUNTY's normal working hours with the COUNTY's Project Manager, to process and receive ID badges. All new workers must be assigned an ID badge prior to starting work for that Service. The CONTRACTOR shall be aware that it may take up to one (1) week to receive ID badges after required information has been received and pictures have been taken.

F. If required by the COUNTY for the Service, the CONTRACTOR shall provide the COUNTY's Project Manager (the person managing the specific Service from the Facilities & Fleet Management Department) with all requested documentation for all personnel, subcontractors, and representatives of the CONTRACTOR that will be utilized for the Service. All work must be done in accordance with the contract documents. 7.7 State Funding. The CONTRACTOR acknowledges and agrees that, in accordance with Section 255.099, Florida Statutes, if the Service assigned to the CONTRACTOR is being supported in whole or in part by State funding, the CONTRACTOR shall give preference to the employment of State residents in the performance of the work on the Service if State residents have substantially equal qualifications to those of non-residents. If the CONTRACTOR is required to employ State residents, the CONTRACTOR shall contact the Department of Economic Opportunity to post Federal employment needs in the State's job bank system. However, in work involving the expenditure of aid funds, this section may not be enforced in such a manner as to conflict with or be contrary to Federal law prescribing a labor preference to honorably discharged soldiers, sailors, or marines, or prohibiting as unlawful any other preference or discrimination among the citizens of the United States.

7.8 Emergencies. Dependent on County need, the CONTRACTOR must have a responsible person available at, or reasonably near, the Service on a twenty-four (24) hour basis, seven (7) days a week, who may be contacted in emergencies and in cases where immediate action must be taken to maintain traffic or to handle any other problem that might arise. In the event of an emergency affecting the safety or protection of persons, or the work or property at a Service site or adjacent to a Service site, the CONTRACTOR, without special instruction or authorization from the COUNTY, is obligated to act to prevent threatened damage, injury or loss. The CONTRACTOR shall contact the COUNTY as soon as possible by telephone and with written notice as soon as feasible after the emergency, but no later than twenty-four (24) hours after the occurrence of the emergency, if the CONTRACTOR believes that any significant changes in the work or variations from the contract documents has occurred. If the COUNTY determines that a change in the contract documents is required because of the action taken in response to an emergency, a change order request will be issued to document the consequences of the changes or variations. If the CONTRACTOR fails to provide written notice within the twenty-four (24) hour limitation noted above, the CONTRACTOR will be deemed to have waived any right it otherwise may have had to seek an adjustment to the contract amount or an extension to the contract time.

7.9 Safety.

A. The CONTRACTOR shall initiate, maintain, and supervise all safety precautions and programs in connection with the work, and shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) and any other industry, Federal, State or local government standards, including the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA). The CONTRACTOR shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to persons or property. The CONTRACTOR shall be aware that while working for the COUNTY, representatives from agencies such as OSHA are invitees and need not have warrants or permission to enter the work site. Any fines levied by the above-mentioned authorities for failure to comply with these requirements will be borne solely by the CONTRACTOR.

B. The CONTRACTOR certifies that all material, equipment, etc. to be used in an individual Service meets all Occupational Safety and Health Administration (OSHA) requirements. The CONTRACTOR further certifies that if any of the material, equipment, etc. is found to be deficient in any OSHA requirement in effect on the date of delivery, all costs necessary to bring the material, equipment, etc. into compliance with these requirements will be borne by the CONTRACTOR. All standard equipment, work operations, safety equipment, personal protective equipment, and lighting required or mandated by State, Federal, OSHA, or Americans with Disabilities Act (ADA) regulations must be provided and used by the CONTRACTOR and its employees.

C. All safety devices installed by the manufacturer on equipment utilized by the CONTRACTOR on the jobsite must be in place and in proper working order at all times. If the COUNTY determines that the equipment is deficient in safety devices, the CONTRACTOR will be notified immediately. The CONTRACTOR shall immediately repair or remove the equipment from service until the deficiency is corrected to the satisfaction of the COUNTY.

D. The COUNTY may periodically monitor the work site for safety. Should there be safety or health violations, the COUNTY will have the authority, but not the duty, to require the CONTRACTOR to correct the violation in an expeditious manner. If there is any situation that is deemed unsafe by the COUNTY, the Service will be shut down immediately upon notice and will not resume work until the unsafe condition has been remedied. Contractor shall receive no additional compensation, no extension of the Time of Completion date applicable to the work and shall not be entitled to reimbursement of any demobilization costs, remobilization costs, or other out-of-pocket expenses incurred as a result of such work stoppage. If the violation is not corrected within a reasonable period of time, County may in its sole discretion declare Contractor to be in default of this Agreement.

E. Should the work site be in a hazardous area, the COUNTY shall take reasonable actions to furnish the CONTRACTOR with information concerning hazards such as the types or the identification of known toxic material, machine hazards, Safety Data Sheets, or any other information that would assist the CONTRACTOR in the planning of a safe work site. The CONTRACTOR retains the ultimate responsibility to ensure all work is performed in a manner consistent with all applicable safety standards and directives.

F. The CONTRACTOR shall erect and maintain, as required by existing conditions and contract performance, safeguards for safety and protection such as barricades, danger signs, a construction fence, and other warnings against hazardous conditions.

G. The CONTRACTOR shall remove all surplus material and debris from the Service site at the end of each work day. All costs associated with clean-up and debris removal must be included in the lump sum price stated elsewhere in this Agreement. The CONTRACTOR shall leave the site clean and neat. All work must be cleaned up prior to the next day of business. At no time may the specified work interfere with the regular operating hours of Lake County.

H. CONTRACTOR must have ample cleaning supplies for clean-up. At no time may the CONTRACTOR use COUNTY cleaning supplies or equipment. Upon final completion, the CONTRACTOR shall thoroughly clean-up all areas where work has been involved as mutually agreed with the COUNTY's Project Manager. **PLEASE NOTE: If at any time the CONTRACTOR fails to clean up the work area to acceptable levels, the COUNTY may retain outside cleaning services and the actual costs for this service will be deducted from the CONTRACTOR's final payment with the minimum cost of \$50.00 to offset the COUNTY's time for securing services to properly clean and inspect the site.**

I. The CONTRACTOR shall confine all equipment, materials and operations to the Service site and areas identified in the agreement documents. The CONTRACTOR shall assume all responsibility for any damage to any such area resulting from the performance of the work.

CONTRACTOR is responsible for notifying the COUNTY of any hazardous materials used on the work site and providing the COUNTY a copy of the Safety Data Sheets (SDS). Any spillage of hazardous chemicals or wastes by the CONTRACTOR will be reported immediately to the COUNTY and cleaned up in accordance with all State and Federal Regulations. The cost of cleanup of any spillage of hazardous chemicals or wastes caused by CONTRACTOR will be the sole responsibility of CONTRACTOR and the COUNTY will share no responsibility of these costs. A copy of the complete report showing compliance with local, state, and federal agencies will be given to the COUNTY. If any hazardous chemicals or conditions are discovered during the normal operation, it is the responsibility of CONTRACTOR to

immediately contact the COUNTY with a description and location of the condition. The SDS must meet the requirements of 29 C.F.R. 1910.1200(g), and include the following information:

- Section 1: Identification
- Section 2: Hazard(s) identification;
- Section 3: Composition/information on ingredients;
- Section 4: First-aid measures;
- Section 5: Fire-fighting measures;
- Section 6: Accidental release measures;
- Section 7: Handling and storage;
- Section 8: Exposure controls / personal protection;
- Section 9: Physical and chemical properties;
- Section 10: Stability and reactivity;
- Section 11: Toxicological information;
- Section 12: Ecological information;
- Section 13: Disposal considerations;
- Section 14: Transport information;
- Section 15: Regulatory information; and
- Section 16: Other information, including date of preparation or last revision.

The CONTRACTOR shall designate a competent person of its organization whose duty will be the prevention of accidents. This person must be literate and able to communicate fully in the English language because of the necessity to read job instructions and signs, as well as the need for conversing with management personnel. This person will be the CONTRACTOR's superintendent unless otherwise designated in writing to the COUNTY's Project Manager. All communications to the superintendent will be as binding as if given to the CONTRACTOR.

7.10 Additional Safety and Security Provisions. CONTRACTOR acknowledges that the sites at which the Services are to be performed ("Sites") are emergency communication sites containing equipment critical to the ability of emergency responders to communicate and provide emergency services in the County and the surrounding area. CONTRACTOR further acknowledges that the Services to be performed are inherently dangerous and may pose substantial risks including but not limited to severe bodily injury, death, property damage or other harm to persons or property. As such, CONTRACTOR acknowledges that Site safety and security are of paramount concern and hereby agrees to adhere at all times to COUNTY and/or Site Owner policies and procedures related to Site access, safety and security. CONTRACTOR shall further be solely responsible for the safety of its employees and agents, if any, on and around the Site including without limitation compliance with all applicable laws and regulations with regard to the means, methods, techniques, sequences and procedures and for coordinating all portions of the performance Services.

7.11 Underground Utilities. Any required digging or subsurface work will be done in accordance with Chapter 556, Florida Statutes. It will be the responsibility of CONTRACTOR to have all underground utilities located before any work begins (Sunshine State One Call 1-800-432-4770). The repairs of any damaged underground utilities because of the work being performed by CONTRACTOR will be the responsibility of CONTRACTOR. The proper utility company will be contacted immediately to expedite the repairs if damage has occurred. CONTRACTOR will notify the COUNTY and provide a written explanation of the incident within two days of the damage to any underground utilities.

7.12 Maintenance of Traffic.

A. In the event that any of the work is conducted within any public right of way, the CONTRACTOR shall provide proper Maintenance of Traffic (MOT). Unless otherwise specified, the standard specifications to be used for the Service will be the strictest and latest edition as promulgated by the Florida Department of Transportation (FDOT) or the Federal Highway Administration (FHWA).

B. Maintenance of traffic will be the responsibility of the CONTRACTOR, is part of the CONTRACTOR's proposal price, and must conform to FDOT's most current editions and supplements of Standard Specifications for Road and Bridge Construction, Roadway and Traffic Design Standards, Manual or Uniform Minimum Standards for Design, Construction and Maintenance for Streets and Highways, or the Federal Highway Administration (FHWA) Manual on Uniform Traffic Control Devices (MUTCD), as applicable. These documents can be ordered from FDOT, Maps and Publications Department, 605 Suwannee Street, Tallahassee, Florida, 32399-0450, or by going to the FDOT website at: <https://www.fdot.gov/publications/publications.shtm>.

C. All costs associated with MOT must be included in the CONTRACTOR's proposal price. No separate line items for MOT will be included in the cost estimate. If the CONTRACTOR does not comply with all of the FDOT and the FHWA standards (i.e., signs, qualified flaggers, and barricades), the COUNTY reserves the right to direct the CONTRACTOR to cease operation until deficiencies are corrected. In addition, no road closures will be allowed except in the case of emergencies.

D. If the CONTRACTOR feels that assistance from an off-duty police officer is needed, it will be the responsibility of the CONTRACTOR, at the CONTRACTOR's sole cost and expense, to hire and pay for this service.

E. All lane closures must have the prior approval of the COUNTY.

F. These requirements are to be considered a minimum and the CONTRACTOR's compliance will in no way relieve the CONTRACTOR of final responsibility for providing adequate traffic control devices for the protection of the public and the CONTRACTOR's employees throughout the work area.

G. The use of public roads and streets by the CONTRACTOR must provide minimal inconvenience to the public and traffic. Furthermore, if the CONTRACTOR is utilizing a road by driving slow moving equipment, the operator must allow no more than three (3) vehicles to be backed up behind them at any time before pulling to the side to let traffic pass.

7.13 General Inspection Requirements.

A. Due to the nature of this Agreement, the COUNTY will, at the time of establishment of need, require the CONTRACTOR to become fully informed as to the nature and extent of the work required and its relation to any other work in the area, including possible interference from other site activities. Arrangement for the CONTRACTOR's inspection of facilities or sites and activity schedules may be secured from the user COUNTY department. Failure to visually inspect the facilities or sites may be cause for disqualification of the CONTRACTOR on that individual Service.

B. The CONTRACTOR shall furnish the COUNTY with every reasonable accommodation for ascertaining whether the work performed, and materials used are in accordance with the requirements

and intent of the contract documents. If the COUNTY so requests, the CONTRACTOR shall, at any time before final acceptance of the work, remove or uncover such portions of the finished work as may be directed. After examination, the CONTRACTOR shall restore the uncovered portions of the work to the standard required by the specifications. Should the work so exposed or examined prove unacceptable in the opinion of the COUNTY, the uncovering or removal, and the replacing of the covering or making good of the parts removed, will be at the CONTRACTOR's expense. However, should the work thus exposed or examined prove acceptable in the opinion of the COUNTY, the uncovering or removing and the replacing or the covering or making good of the parts removed, will be paid for as unforeseen work.

C. If, during or prior to construction operations, the COUNTY should fail to reject defective work or materials, whether from lack of discovery of such defect or for any other reason, such initial failure to reject will in no way prevent the COUNTY's later rejection when such defect is discovered, nor obligate the COUNTY to final acceptance or payment, and the CONTRACTOR will make no claim for losses suffered due to any necessary removals or repairs of such defects.

D. If, during or prior to construction operations, the COUNTY rejects any portion of the work on the grounds that the work or materials are defective, the COUNTY shall give the CONTRACTOR notice of the defect, which notice may be confirmed in writing. The CONTRACTOR will then have seven (7) calendar days from the date the notice is given to correct the defective condition. If the CONTRACTOR fails to correct the deficiency within the seven (7) calendar days after receipt of the notice, the COUNTY may take any action necessary, including correcting the deficient work utilizing another contractor, returning any non-compliant goods to the CONTRACTOR at the CONTRACTOR's expense or terminating the contract. The CONTRACTOR may not assess any additional charges for any conforming action taken by the COUNTY. The COUNTY will not be responsible to pay for any product or service that does not conform to the contract specifications.

E. Should the CONTRACTOR fail to remove and renew any defective materials used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the contract requirements, within the time indicated in writing, the COUNTY will have the authority to cause the unacceptable or defective materials or work to be corrected as necessary at the CONTRACTOR's expense. Any expense incurred by the COUNTY, whether direct, indirect or consequential, in making these repairs, removals, or renewals will be paid for out of any monies due or which may become due to the CONTRACTOR. A change order will be issued, incorporating the necessary revisions to the contract documents, including an appropriate decrease to the contract amount. Such costs will include, but not be limited to, costs of repair and replacement of work destroyed or damaged by correction, removal or replacement of the CONTRACTOR's defective work and additional compensation due the COUNTY. The CONTRACTOR will not be allowed an extension of the contract time because of any delay in performance of the Service attributable to the exercise by the COUNTY of the COUNTY's rights and remedies under this Agreement. If the CONTRACTOR fails to honor the change order, the COUNTY may terminate this Agreement for default.

F. All work performed and all materials furnished must be in reasonably close conformity with the tolerances indicated in the specifications. In the event the COUNTY's Project Manager finds the materials or the finished product in which the materials are used and not within reasonably close conformity to the specifications, the COUNTY's Project Manager will then make a determination if the work will be accepted and remain in place. In this event, the COUNTY's Project Manager will document the basis of

acceptance by a Change Order that will provide for an appropriate deduction as needed in the contract price for such work or materials as the COUNTY's Project Manager deems necessary to conform to the determination based on the COUNTY's Project Manager's professional judgment.

G. When the United States Government or the State of Florida is to pay a portion of the cost of construction, the work will be subject to such inspection by Federal or State representatives as deemed necessary, but such inspections will in no case make the United States Government or the State of Florida a party to this contract.

7.14 Service Materials and Storage.

A. Unless otherwise specified within the contract documents, all materials to be used to complete the Service, except where recycled content is specifically requested, must be new, unused, of recent manufacture, and suitable for its intended purpose. All goods must be assembled, fully serviced and ready for operation when delivered. In the event any of the materials supplied by the CONTRACTOR are found to be defective or do not conform to specifications: (1) the materials may be returned to the CONTRACTOR at the CONTRACTOR's expense and this Agreement may be terminated or (2) the COUNTY may require the CONTRACTOR to replace the materials at the CONTRACTOR's expense.

B. Materials must be placed to permit easy access for proper inspection and identification of each shipment. Any material which has deteriorated, become damaged, or is otherwise unfit for use, as determined by the COUNTY, must not be used for the Service, and must be removed from the site by the CONTRACTOR at the CONTRACTOR'S expense. Until incorporated into the work, materials will be the sole responsibility of the CONTRACTOR and the CONTRACTOR will not be paid for such materials until incorporated into the work. If any chemicals, materials, or products containing toxic substances are to be used at any time, the CONTRACTOR shall furnish a Material Safety Data Sheet to the COUNTY prior to commencing such use.

C. When not specifically identified in the technical specifications, materials and equipment must be of a suitable type and grade for the purpose which they are used.

D. All unusable materials and debris must be removed from the premises by the CONTRACTOR at the end of each workday and disposed of in an appropriate manner.

7.15 Time for Completion and Extensions.

A. A written Notice to Proceed is required for the CONTRACTOR to schedule or begin work. Purchase orders will be issued for Services to the CONTRACTOR. Issuance of a purchase order is not a directive to begin work unless otherwise specified. Email notice is acceptable.

B. The CONTRACTOR shall diligently pursue the completion of the work and coordinate the work being done on the Service by its subcontractors and material suppliers, as well as coordinate the CONTRACTOR'S work with the work of other contractors so that the CONTRACTOR'S work or the work of others will not be delayed or impaired. The CONTRACTOR will be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the work under the contract documents. The time for completion requirements are contained in Article 3.2 above.

C. Should the CONTRACTOR be obstructed or delayed in the completion of the work as a result of unforeseeable causes beyond the control of the CONTRACTOR, and not due to the

CONTRACTOR'S fault or neglect, the CONTRACTOR shall notify the COUNTY in writing within twenty-four (24) hours after the commencement of such delay, stating the cause or causes of the delay, or be deemed to have waived any right which the CONTRACTOR may have had to request a time extension.

D. If the CONTRACTOR complies with the twenty-four (24) hour notice requirement, the COUNTY will ascertain the facts and the extent of the delay being claimed and recommend an extension to the contract time when, in the COUNTY'S sole judgment, the findings of fact justify such an extension. The CONTRACTOR shall cooperate with the COUNTY'S investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the contract time may be granted only for those delays which impact the CONTRACTOR'S construction schedule. Extensions of contract time, if approved by the COUNTY, must be authorized by written change order.

7.16 Changes in the Scope of Services.

A. The COUNTY may at any time, by written change order, in accordance with the COUNTY'S Purchasing Policy and Procedures, increase or decrease the scope of the work. For changes in work requested by the CONTRACTOR, the CONTRACTOR must prepare and submit change order requests for the COUNTY'S approval. Each change order will include time and monetary impacts of the change, whether the change order is considered alone or with all other changes during the course of the Service. Both the COUNTY and the CONTRACTOR must execute the change order for the order to become effective.

B. The value of such extra work or change will be determined by the contract unit values, if applicable unit values are set forth in this Agreement. The amount of the change will be computed from such values and added to or deducted from the contract price.

C. If the COUNTY and the CONTRACTOR are unable to agree on the change order for a requested change, the CONTRACTOR shall, nevertheless, promptly perform the change as directed in writing by the COUNTY. If the CONTRACTOR disagrees with the COUNTY'S adjustment determination, the CONTRACTOR must make a claim pursuant to the Claims and Disputes section in this Agreement, or else be deemed to have waived any claim on this matter the CONTRACTOR might have otherwise had.

D. For work not contemplated by the original Agreement, the amount of an increase will be limited to the CONTRACTOR'S reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit, unless otherwise agreed to in writing by the COUNTY. In such case, the CONTRACTOR will keep and present to the COUNTY an itemized accounting together with appropriate supporting data. In the event such changed work is performed by a subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all subcontractors' direct labor and material costs and actual equipment costs will be permitted, with a maximum five percent (5%) markup by the CONTRACTOR for all of its overhead and profit, for a total overall maximum markup of fifteen percent (15%) of the amount of changed work. All compensation due the CONTRACTOR and any subcontractor or sub-subcontractor for field and home office overhead is included in the markups listed above.

E. The COUNTY will not be liable to the CONTRACTOR for any increased compensation in the absence of a written change order executed in accordance with the COUNTY'S policy. The payment authorized by such a change order will represent full and complete compensation to the CONTRACTOR

for labor, materials, incidental expenses, overhead, profit, impact costs and time associated with the work authorized by such change order.

F. Execution by the CONTRACTOR of a properly authorized change order will be considered a waiver of all claims or requests for additional time or compensation for any activities prior to the time of execution related to items included in the change order.

G. Upon receipt of an approved change order, changes in the Scope of Services must be promptly performed. All changes in work must be performed under the terms and conditions of this Agreement.

H. Change orders will not be issued for incidental items or tasks that should have been reasonably construed to be part of the project by the CONTRACTOR.

7.17 Claims and Disputes.

A. Claims by the CONTRACTOR must be made in writing to the COUNTY within two (2) business days, unless another provision of this Agreement sets forth a different time frame, after the commencement of the event giving rise to such claim or the CONTRACTOR will be deemed to have waived the claim. All claims will be priced in accordance with the section in this document entitled "Changes in the Scope of Services".

B. The CONTRACTOR shall proceed diligently with its performance as directed by the COUNTY, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the COUNTY in writing. The COUNTY shall continue to make payments on the undisputed portion of the contract in accordance with the contract documents during the pendency of any claim.

C. Claims by the CONTRACTOR will be resolved in the following manner: (1) Upon receiving the claim and supporting data, the COUNTY will within fifteen (15) calendar days respond to the claim in writing stating that the claim is either approved or denied. If denied, the COUNTY will specify the grounds for denial. The CONTRACTOR will then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the COUNTY that the original claim stands as is. (2) If the claim is not resolved, the COUNTY may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the parties and each party will pay one-half (1/2) the expense of mediation. If the COUNTY declines to mediate the dispute, the CONTRACTOR may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

D. Claims by the COUNTY against the CONTRACTOR must be made in writing to the CONTRACTOR as soon as the event leading to the claim is discovered by the COUNTY. Written supporting data will be submitted to the CONTRACTOR. All claims will be priced in accordance with the provisions of the section in this document entitled "Changes in the Scope of Services". The CONTRACTOR shall respond in writing within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the COUNTY may submit the matter to mediation as set forth in (C) above.

E. Arbitration will not be considered as a means of dispute resolution.

F. **NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME MAY BE MADE OR ASSERTED AGAINST THE COUNTY BY REASON OF ANY DELAYS.** No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work will relieve the CONTRACTOR of its duty to perform or give rise to any right to

damages or additional compensation from the COUNTY. The CONTRACTOR expressly acknowledges and agrees that the CONTRACTOR will receive no damages for delay. However, this provision will not preclude recovery or damages by the CONTRACTOR for hindrances or delays due solely to fraud, bad faith, or active interference on the part of the COUNTY. Otherwise, the CONTRACTOR will be entitled to extensions of the contract time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

7.18 Acceptance of the Work and Final Payment.

A. The work delivered and services rendered under this Agreement will remain the property of the CONTRACTOR and will not be deemed complete until a physical inspection and actual usage of the Service is accepted by the COUNTY and will be in compliance with the terms of this Agreement, fully in accord with the specifications and of the highest quality. Any goods or services purchased under this Agreement may be tested/inspected for compliance with the specifications listed.

B. Maintenance of Work. The CONTRACTOR shall maintain all work in as-new condition until the final inspection is completed and the work is accepted by the COUNTY. All insurance must be maintained until final acceptance by the COUNTY.

C. Final Invoice. When the work provided for under this Agreement has been completely performed by the CONTRACTOR a final invoice will be prepared by the CONTRACTOR. The amount of this invoice, less any sums that may have been deducted or retained under the provisions of this Agreement, will be paid to the CONTRACTOR in accordance with Article 4 of this Agreement, and after the CONTRACTOR has agreed in writing to accept the balance due, as determined by the COUNTY, as full settlement of the account under the contract and of all claims in connection with the invoice. Occupancy by the COUNTY alone does not constitute final acceptance.

D. Final Inspection. When all materials have been furnished, all work has been performed, and the construction contemplated by this Agreement has reached substantial completion, CONTRACTOR shall request a final inspection by the COUNTY. The COUNTY, or the COUNTY'S representative, shall make the final inspection within five (5) business days of receipt of notification from the CONTRACTOR that the Service is ready. The COUNTY shall, pursuant to Section 218.735(7), Florida Statutes, prepare and deliver to the CONTRACTOR a single list of items required to render the Service complete, satisfactory, and acceptable within thirty (30) calendar days after being notified by CONTRACTOR of the project, or project phase if the project is multi-phased, reaching substantial completion. The single list will be delivered by the COUNTY to the CONTRACTOR within five (5) days after the list of items has been developed and reviewed.

The failure by the COUNTY to include any corrective work or pending items on the list does not alter CONTRACTOR'S responsibility for completing the Service pursuant to this Agreement. All items that require correction under the contract and that are identified after the preparation and delivery of the list remain the obligation of CONTRACTOR as defined by this Agreement. The CONTRACTOR shall correct all deficiencies before final acceptance and payment of retainage is made.

E. Final Acceptance. Final completion must be within thirty (30) days after delivery of the list of items in paragraph D of this section. If the COUNTY fails to provide the list as provided for in paragraph D of this section, the time for completion will be extended by the number of days the COUNTY exceeded the delivery date. COUNTY will re-inspect to verify completion of the list of items provided to CONTRACTOR for final acceptance. An eighty-dollar (\$80.00) re-inspection fee will be applied for the

third inspection and any required re-inspection. The COUNTY may exclude the CONTRACTOR from those portions of the work designated as complete after the inspection; provided, however, that the CONTRACTOR will have reasonable access for the time allotted by the COUNTY to complete or correct items on the punch list.

F. Release of Retained Funds. As set forth in Section 218.735, Florida Statutes, upon completion and acceptance by the COUNTY of all items on the list of items provided for in paragraph D of this section, CONTRACTOR may submit a payment request for all remaining retainage withheld for the project, or phase of project, as applicable. If a good faith dispute exists as to whether one or more of the items identified in the list have been completed pursuant to the contract, COUNTY may continue to withhold up to 150% of the total costs to complete such items. CONTRACTOR shall submit Contractor's Final Payment Affidavit with the request for payment.

G. Waiver of Claims. The CONTRACTOR'S acceptance of final payment will constitute a full waiver of any and all claims by the CONTRACTOR against the COUNTY arising out of the contract or otherwise related to the Service, except those previously made in writing and identified by the CONTRACTOR as unsettled at the time the final estimate is prepared. Neither the acceptance of the work nor payment by the COUNTY will be deemed a waiver of the COUNTY'S rights to enforce any continuing obligations of the CONTRACTOR or to the recovery of damages for defective work not discovered by the COUNTY at the time of final inspection.

H. Termination of Contractor's Responsibilities. This Agreement will be considered complete when all work has been completed and accepted by the COUNTY and all warranty periods have expired. The CONTRACTOR will then be released from further obligation except as set forth in this Agreement.

I. Recovery Rights Subsequent to Final Payment. The COUNTY reserves the right, should an error be discovered in the invoice, or should proof of defective work or materials used by or on the part of the CONTRACTOR be discovered after the final payment has been made, to claim and recover from the CONTRACTOR by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of the COUNTY.

7.19 Warranties.

A. All warranties will begin on the date of the COUNTY'S acceptance and will last for a period of twelve (12) months unless otherwise specified in the Scope of Services, plans, or specifications. The CONTRACTOR shall obtain and assign to the COUNTY all express warranties given to the CONTRACTOR or any subcontractors by any material suppliers, equipment, or fixtures to be incorporated into the Service.

B. The CONTRACTOR warrants to the COUNTY that any materials and equipment furnished under the contract documents will be new unless otherwise specified, and that all work will be of good quality, free from defects and in conformance with the contract documents. The CONTRACTOR further warrants to the COUNTY that all materials and equipment furnished under the contract documents will be applied, installed, connected, erected, used, cleaned, and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers, or processors except as otherwise provided for the contract documents. This warranty requirement will remain in force for the full period identified above, regardless of whether the CONTRACTOR is still under contract at the time of the defect.

These warranties are in addition to those implied warranties to which the COUNTY is entitled as a matter of law.

C. If sod is used as part of an individual Service, it will be warranted to be free of noxious and invasive weeds, disease, and insects. If pests or noxious weeds manifest themselves within sixty (60) days of placement of the sod, CONTRACTOR will treat the affected areas. The process for treating these areas will be approved by the COUNTY. If the sod does not meet any of the required specifications, CONTRACTOR will be responsible to replace it at no expense to the COUNTY. It will be the responsibility of CONTRACTOR to ensure the sod is sufficiently established as described as specified in the Scope of Services, plans, or specifications. This will include watering the sod on a regular basis as needed to keep it alive until established. Established will be considered as being sufficiently rooted, as determined by the County Project Manager, into the surface that it was installed. If the sod dies or does not become established CONTRACTOR will be responsible for the replacement at no cost to the COUNTY.

D. CONTRACTOR will be responsible for promptly correcting any deficiency, at no cost to the COUNTY, within five (5) calendar days after the COUNTY notifies CONTRACTOR of such deficiency in writing. If CONTRACTOR fails to honor the warranty or fails to correct or replace the defective work or items within the period specified, the COUNTY may, at its discretion, notify CONTRACTOR in writing that CONTRACTOR may be debarred as a COUNTY vendor, and become subject to contractual default if the corrections or replacements are not completed to the satisfaction of the COUNTY within five calendar days of receipt of the notice. If CONTRACTOR fails to satisfy the warranty within the period specified in the notice, the COUNTY may (a) place CONTRACTOR in default of its agreement and (b) procure the products or services from another source and charge CONTRACTOR for any additional costs that are incurred by the COUNTY for this work or items, either through a credit memorandum or through invoicing.

7.20 Liquidated Damages.

A. Unless otherwise agreed to, weather events are specifically excluded as excused cause for delay under this Agreement and no additional days will be given for rain days. If the deficiencies have been noted and the remedies have not been completed within the contracted time, the COUNTY may send out a notification notifying the CONTRACTOR of an assessment of Liquidated Damages that can be applied for any day over the time allowed under this Agreement.

B. The COUNTY and the CONTRACTOR recognize that, since time is of the essence for this Agreement, the COUNTY will suffer financial loss if the work is not completed within the time specified. The COUNTY will be entitled to assess, as Liquidated Damages, but not as a penalty, for each calendar day after the scheduled completion date the Service continues. The Service will be deemed to be completed on the date the work is considered complete to the satisfaction of the COUNTY. The CONTRACTOR hereby expressly waives and relinquishes any right which it may have to seek to characterize the Liquidated Damages as a penalty. The parties agree that the Liquidated Damages sum represents a fair and reasonable estimate of the COUNTY'S actual damages at the time of contracting if the CONTRACTOR fails to complete the work in a timely manner.

C. The Liquidated Damages will be as set forth in the following table:

Service/Project Amount	Daily Charge (Per Calendar Day)
\$5,000 and under	\$25
Over \$5,000 but less than \$10,000	\$65
\$10,000 or more but less than \$20,000	\$91
\$20,000 or more but less than \$30,000	\$121
\$30,000 or more but less than \$40,000	\$166
\$40,000 or more but less than \$50,000	\$228
\$50,001 or more	\$250

D. The COUNTY will retain from the compensation to be paid to the CONTRACTOR the above-described sum. If CONTRACTOR is in default for not completing the Service within the time specified, the COUNTY may require CONTRACTOR to stop work on any other project or service to the COUNTY until the Service specific in this Agreement is complete and the Liquidated damages Sum is satisfied.

7.21 Sanitation. If the Service does not involve interior work, the CONTRACTOR shall provide and maintain adequate sanitary conveniences for the use of persons employed for the Service. These conveniences will be maintained at all times without nuisance, and their use must be strictly enforced. The location of these conveniences will be subject to the COUNTY'S Project Manager's approval. All such facilities will be installed and maintained in accordance with applicable Federal, State, and local laws.

7.22 Submittals and Equal Products.

A. Submittals of products required for the Service assigned to the CONTRACTOR under this Agreement, must be supplied to the COUNTY for pre-approval prior to the start of the work. These documents must be provided to the COUNTY at least one (1) week before the installation.

B. If a product or service requested by the COUNTY for the Service has been identified in the specifications by a brand name, and has not been notated as a "No Substitute," item, such identification is intended to be descriptive and not restrictive, and is to indicate the quality and characteristics of product or service that will be acceptable. If the CONTRACTOR offers an alternate product or service for consideration, such product must be clearly identified by the CONTRACTOR to the COUNTY. The COUNTY shall make a determination whether the alternate meets the salient characteristics of the specifications. An alternate product will not be considered for any item notated "No Substitute."

C. Unless the CONTRACTOR clearly indicates in its response that it is proposing an alternate product, the response will be considered as offering the same brand name referenced in the specifications. If the CONTRACTOR proposes to furnish an alternate product or service, the brand name of the product or service to be furnished must be clearly identified. A formal submittal for the alternate/shop drawings must be submitted. The evaluation of the alternate and the determination as to acceptability of the alternate product or service will be the responsibility of the COUNTY and will be based upon information furnished by the CONTRACTOR. The COUNTY will not be responsible for locating or securing any information which is not included in the CONTRACTOR'S response. To ensure that sufficient information is available, the CONTRACTOR will furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so the COUNTY can make an informed determination whether the

product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

7.23 Fees. The following is a list of fees that may be assessed to CONTRACTOR during the term of this Agreement. These fees are assessed to help offset the additional costs associated with the COUNTY'S labor and vehicle usage required for unnecessary inspections or missed appointments. The \$80.00 fee shown below is a re-inspection fee for uncorrected workmanship. The fee will be applied to the third inspection and for any subsequent inspections. Any re-inspection fee charged to the COUNTY by other agencies having jurisdiction over the Service, will additionally be charged back to CONTRACTOR. The fees, if any, will be deducted from the final invoices.

Missing scheduled appointments	\$70.00 each occurrence
Failure to respond to emergency calls	\$250.00 per day
Late to emergency calls	\$36.00 per hour
Inspected unacceptable workmanship	\$80.00 each inspection
Failure to provide any and all required documentation or reports	\$75.00 per day
Failure to pass all inspecting authority re-inspections (within 30 days of initial inspection)	\$250.00 per day

Article 8. Special Terms and Conditions

8.1 Qualifications. All firms or individuals will be registered with the Florida Department of State in accordance with the provisions of Chapter 607, Florida Statutes. CONTRACTOR shall be responsible for ensuring that all individuals working under this Agreement have obtained at least the minimum thresholds of education and professional experience required by the statutes to perform the work required under this Agreement.

8.2 Termination.

A. **Termination for Convenience.** This Agreement may be terminated by the COUNTY upon thirty (30) calendar days' written notice to the CONTRACTOR; but if any work, service, or task under this Agreement is in progress but not completed on the date of termination, then this Agreement may be extended upon written approval of the COUNTY until the work, service, or task is completed and accepted. In the event this Agreement is terminated or cancelled upon the request and for the convenience of the COUNTY with the required thirty (30) calendar days' written notice, the COUNTY will reimburse the CONTRACTOR for actual work satisfactorily completed.

B. **Termination for Cause.** This Agreement may be terminated by the COUNTY due to the CONTRACTOR'S breach of a material term of this Agreement, but only after the COUNTY has provided CONTRACTOR with ten (10) calendar days' written notice for the CONTRACTOR to cure the breach and the CONTRACTOR'S failure to cure the breach within that ten (10) day time period; but, if any work, service or task under this Agreement is in progress but not completed on the date of termination, then this Agreement may be extended upon written approval of the COUNTY until the work, service, or task is completed and accepted.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, this Agreement will be terminated, and the CONTRACTOR will be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services/tasks delivered under this Agreement.

8.3 Insurance.

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request.

The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

- i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. **A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.**

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA, AND
THE BOARD OF COUNTY COMMISSIONERS.
P.O. BOX 7800
TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

8.4 Indemnity. The CONTRACTOR will indemnify and hold harmless COUNTY, its officers, employees, and agents from liabilities, damages, losses, and costs, including, but not limited to, reasonable

attorney's fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of CONTRACTOR, its personnel, employees, and other person utilized by CONTRACTOR in the performance of this Agreement, including without limitation, defects in design, or errors or omissions that result in material cost increases to COUNTY. Such indemnification will include the payment of all valid claims, losses, and judgments of any nature whatsoever in connection therewith and the payment of all related fees and costs. The COUNTY reserves the right to defend itself with its own counsel or retained counsel at CONTRACTOR'S expense. This indemnification obligation shall not be construed to negate, abridge, or reduce any other rights or remedies which otherwise may be available to an indemnified party or person described in this paragraph or be deemed to affect the rights, privileges, and immunities of COUNTY as set forth in Section 768.28, Florida Statutes.

8.5 Independent Contractor. The CONTRACTOR, and all its employees, agree that they will be acting as independent contractors and will not be considered or deemed to be an agent, employee, joint venturer, or partner of the COUNTY. The CONTRACTOR will have no authority to contract for or bind the COUNTY in any manner and shall not represent itself as an agent of the COUNTY or as otherwise authorized to act for or on behalf of the COUNTY. Additionally, the CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for the CONTRACTOR any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

8.6 Return of Materials. Upon the request of the COUNTY, but in any event upon termination of this Agreement, the CONTRACTOR shall surrender to the COUNTY all memoranda, notes, records, drawings, manuals, computer software, and other documents or materials pertaining to the services under this Agreement, that were furnished to the CONTRACTOR by the COUNTY pursuant to this Agreement.

8.7 Conflict of Interest. The CONTRACTOR agrees that it will not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement, or which would violate or cause others to violate the provisions of Part III, Chapter 112, Florida Statutes, relating to ethics in government. Further, the CONTRACTOR hereby certifies that no officer, agent, or employee of the COUNTY has any material interest either directly or indirectly in the business of the CONTRACTOR conducted here and that no such person may have any such interest at any time during the term of this Agreement unless approved by the COUNTY.

8.8 Retaining Other Contractors. Nothing in this Agreement will be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONTRACTOR or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

While the COUNTY has listed all major items which are utilized by County departments in conjunction with their operations, there may be similar or ancillary items that must be purchased by the COUNTY during the term of this Agreement. Under these circumstances, a County representative will contact the CONTRACTOR to obtain a price quote for the similar or ancillary items. The COUNTY reserves the right to award these ancillary items to the CONTRACTOR, another vendor based on the lowest price quoted, or to acquire the items through a separate solicitation.

8.9 Accuracy. The CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion, and coordination of all the services furnished under this Agreement. The CONTRACTOR shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies resulting from the services provided in this Agreement. CONTRACTOR shall provide all Services in a timely, skillful, professional, and workmanlike manner by qualified personnel exercising care, skill, and diligence consistent with best practices in the industry, and will devote adequate resources to meet its obligations hereunder, in accordance with the terms and conditions of this Agreement.

8.10 Additional Services. Services not specifically identified in this Agreement may be added to the Agreement upon execution of a written amendment. The COUNTY reserves the right to award any additional services to the CONTRACTOR or to acquire the items from another vendor through a separate solicitation.

8.11 Right to Audit. The COUNTY reserves the right to require the CONTRACTOR to submit to an audit by any auditor of the COUNTY'S choosing. The CONTRACTOR shall provide access to all of its records, which relate directly or indirectly to this Agreement at its place of business during regular business hours. The CONTRACTOR shall retain all records pertaining to this Agreement and upon request make them available to the COUNTY for five (5) years following expiration of the Agreement, or for such time as set forth in the Florida Department of State, Division of Library and Information Services, General Records Schedule GS1-SL, a copy of which can be found at this link: <https://files.floridados.gov/media/703328/gsl-sl-2020.pdf>, whichever is longer. The CONTRACTOR agrees to provide such assistance as may be necessary to facilitate the review or audit by the COUNTY to ensure compliance with applicable accounting and financial standards.

A. If the CONTRACTOR provides technology services, the CONTRACTOR must provide Statement of Standards for Attestations Engagements (SSAE) 16 or 18 and System and Service Organization Control (SOC) reports upon request by the COUNTY. The SOC reports must be full Type II reports that include the CONTRACTOR'S description of control processes, and the independent auditor's evaluation of the design and operating effectiveness of controls. The cost of the reports will be paid by the CONTRACTOR.

B. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONTRACTOR to the COUNTY in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the COUNTY'S audit must be reimbursed to the COUNTY by the CONTRACTOR. Any adjustments or payments which must be made as a result of any such audit or inspection of the CONTRACTOR'S invoices or records must be made within a reasonable amount of time, but in no event may the time exceed 90 calendar days, from presentation of the COUNTY'S audit findings to the CONTRACTOR.

C. This provision is hereby considered to be included within, and applicable to, any subcontractor contract entered into by the CONTRACTOR in performance of any work under this Agreement.

8.12 Public Records.

A. All electronic files, audio and video recordings, and all papers pertaining to any activity performed by the contractor for or on behalf of the COUNTY will be the property of the COUNTY and will be turned over to the COUNTY upon request. In accordance with Chapter 119, Florida Statutes, each file, and all papers pertaining to any activities performed for or on behalf of the COUNTY are public records available for inspection by any person even if the file or paper resides in the CONTRACTOR'S office or facility. The CONTRACTOR will maintain the files and papers for not less than three complete calendar years after the Service has been completed or terminated, or in accordance with any grant requirements, whichever is longer. Prior to the close out of this Agreement, the CONTRACTOR will appoint a records custodian to handle any records request and provide the custodian's name and telephone numbers to the COUNTY'S Project Manager.

B. Pursuant to Section 119.0701, Florida Statutes, CONTRACTOR will comply with the Florida Public Records' laws, and will:

- i. Keep and maintain public records required by the COUNTY to perform the services identified herein.
- ii. Upon request from the COUNTY'S custodian of public records, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law.
- iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the COUNTY.
- iv. Upon completion of this Agreement, transfer, at no cost, to the COUNTY all public records in possession of the CONTRACTOR or keep and maintain public records required by the COUNTY to perform the service. If CONTRACTOR transfers all public records to the COUNTY upon completion of the contract, CONTRACTOR will destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If CONTRACTOR keeps and maintains public records upon completion of the Agreement, CONTRACTOR will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY'S custodian of public records, in a format that is compatible with the information technology systems of the COUNTY.

C. IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT LAKE COUNTY OFFICE OF PROCUREMENT SERVICES, 315 WEST MAIN STREET, P.O. BOX 7800, TAVARES, FL 32778 OR AT

352-343-9424 OR VIA EMAIL AT
PURCHASING@LAKECOUNTYFL.GOV.

D. Failure to comply with this subsection will be deemed a breach of the contract and enforceable as set forth in Section 119.0701, Florida Statutes.

E. Unless otherwise provided, CONTRACTOR shall maintain substantiating records as required by the State of Florida, General Records Schedule GS1-SL ("Schedule") for State and Local Government Agencies. If CONTRACTOR receives notification of a dispute or the commencement of litigation regarding the Project within the time specified in the Schedule, the CONTRACTOR shall continue to maintain all service records until final resolution of the dispute or litigation.

F. Exempt Information. The Service includes building plans, blueprints, drawings, and/or diagrams which are confidential and/or exempt from disclosure pursuant to Section 119.071(3), Florida Statutes. CONTRACTOR must maintain the confidential and exempt nature of all documents received under this Service. Upon completion of the Service, CONTRACTOR will return to COUNTY all confidential and exempt project documents, including, but not limited to, designs, files, photos, reports, maps, drawings, specifications, schematics, diagrams, shop drawings, construction documents and electronic files. CONTRACTOR will provide written certification to COUNTY that all documents designated as confidential and/or exempt have been returned to the COUNTY or destroyed.

8.13 Force Majeure. The parties will exercise every reasonable effort to meet their respective obligations under this Agreement, but will not be liable for delays resulting from force majeure or other causes beyond their reasonable control, including, but not limited to, compliance with any Government law or regulation, acts of nature, acts or omissions of the other party, Government acts or omissions, fires, strikes, national disasters, wars, riots, transportation problems and any other cause whatsoever beyond the reasonable control of the parties. Any such cause will extend the performance of the delayed obligation to the extent of the delay so incurred.

8.14 Business Hours of Operation. Unless otherwise specified in the technical specifications, all work performed must be accomplished between the hours of 8:00 A.M. and 5:00 P.M., Monday through Friday, and no work may be performed on Saturdays, Sundays, or County Holidays, unless permission to work has been requested in writing by the CONTRACTOR and approval, in writing, has been granted by the COUNTY. Request for permission to work must be received by the COUNTY no less than two (2) days prior to the requested workday. The exception to this pre-approval requirement would be in the case of an emergency in which the emergency specification as outlined in General Terms and Conditions, Section 3, Emergencies, would apply. County Holidays are as follows: New Year's Day; Martin Luther King, Jr. Day; Presidents' Day; Memorial Day; Independence Day; Labor Day; Veteran's Day; Thanksgiving Day; Day after Thanksgiving; and Christmas Day.

Special schedules may be established if necessary, because of problems with noise or similar difficulties affecting other County facilities, County operations, or citizens in homes or buildings/rooms adjacent to the work being completed. When the CONTRACTOR requests and is approved for Saturday, Sunday or Holiday work, the COUNTY may assess the CONTRACTOR the sum of Two Hundred Fifty and 00/100 Dollars (\$250.00) per man per day for each Saturday, Sunday or recognized Holiday worked or planned to work. These fees will be deducted from the final invoice.

8.15 Codes and Regulations. All work completed under this Agreement shall conform to all applicable federal, state, and local statutes, codes, regulations and ordinances.

8.16 Truth in Negotiations. Pursuant to Section 287.055, Florida Statutes, the contract pricing, and any additions will be adjusted to exclude any significant sums by which the COUNTY determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such contract adjustments will be made within one year following the end of the contract.

8.17 Public Entity Crimes. Pursuant to Section 287.133(2)(a), Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity nor shall such person or affiliate be awarded or perform work as a CONSULTANT, supplier, subconsultant, or consultant under a contract with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

8.18 Prohibition Against Contingent Fees. The CONSULTANT warrants that they have not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this Agreement, and that they have not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the CONSULTANT any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Agreement.

8.19 Non-Collusion.
