This project is located south of Clermont at the east end of the existing Sawgrass Bay Boulevard. This project shall consist of constructing a roundabout near the Lake/Orange County line connecting Sawgrass Bay Boulevard to the future Flemings Road. Also included in this project are drainage pipes and structures, stamped red concrete splitter islands, curb and gutter, sidewalks, concrete traffic separators, type B stabilization, limerock, asphalt, landscaping, irrigation, lighting and other incidental miscellaneous construction. The engineer's estimate for this project is \$2,457,000.

Contractor shall include in their bid an extended maintenance period for the landscaping and irrigation that begins immediately after the turnover/acceptance date and continues for a full year (365 days).

Work performed under this contract shall be based on a lump sum bid. Quantities, if shown in the construction plans, are estimated for bidding purposes only and shall be verified by the contractor.

Pay special attention to all notes shown in the construction plans.

Any fences to be relocated shall be moved to the right of way line. If there is an existing gate at a driveway, then match the width of the driveway to the width of the gate. Contractor shall coordinate any fence relocation with the property owner.

Contractor shall video the project limits prior to beginning construction. The video shall be on a thumb drive and provided to Lake County before construction begins. Detail should be given to all existing fence lines, driveways, hedge lines, etc., to document existing conditions prior to construction.

Bid to sod all disturbed areas matching all existing grass types. Contractor shall be responsible for watering all sod until there is established growth.

All utilities shown in the construction plans to be relocated shall be the responsibility of the utility provider to relocate. Contractor is responsible for the coordination of all utility relocation.

Contractor shall provide two complete sets of red-lined record drawings upon completion of the project. One submitted set is to be on a flash drive while the other in paper format. The record drawings must show all additions, omissions, and adjustments made throughout construction of the project. The record drawings are to be signed and sealed by a professional engineer or surveyor, licensed to do business in the State of Florida. The record drawings are to be a complete set of construction plans, but only sheets that display changes must be signed and sealed by the engineer or surveyor.

Contractor shall add a line item to the bid tabulation sheet in Division W of the bidding document for any items that may be required but not shown on the tabulation sheet.

No oral interpretations will be made to any bidder as to the meaning of the Specifications, or any other Contract Documents. Every request for such an interpretation must be in writing, and shall be received by the Office of Procurement Services not less than ten (10) calendar days prior to the date set for opening of bids. Every interpretation made to a bidder will be made by an addendum to the Contract Documents, which, when issued, will be sent as promptly as is practicable to all persons to whom the Specifications have been issued by the County. All such addenda shall become part of the Contract Documents. No substitution of any kind or riders of any nature to the bids will be considered except by the above described method. For purposes of this Contract the term "Interpretations" shall include the approval of product substitution. All requests for interpretation shall be submitted to Amy Munday, Senior Contracting Officer, at amy.munday@lakecountyfl.gov and copied to Deb Marchese, Construction Program Coordinator, at deborah.marchese@lakecountyfl.gov.

Each Contractor shall visit the site of the proposed work and fully acquaint himself with conditions relating to construction and labor so that he may fully understand the facilities, difficulties and restrictions attending the execution of work under the contract.

QUESTIONS ASKED AT THE PREBID MEETING

Q1: Does the County maintain a list of plan holders?

A1: No, because the plans are made available on the website the county does not know who downloads the plans.

QUESTIONS ASKED VIA EMAIL

Q2: Would you be able to tell me the number of days to reach substantial completion for this project?

A2: Contractor shall bid the number of days required to complete the project.
