WHEREAS, the CONTRACTOR desires to perform such services subject to the terms of this Agreement; and

WHEREAS, the provision of such services will benefit the parties and the residents of Lake County, Florida.

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, understandings, conditions, promises, covenants, and payment set forth in this Agreement, and intending to be legally bound, the parties hereby agree as follows:

ARTICLE 1. LEGAL FINDINGS.

1.1 The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this Agreement upon adoption hereof.

ARTICLE 2. PURPOSE.

2.1 Purpose. ARTICLE 3. SCOPE OF SERVICES.

3.1 On the terms and conditions set forth in this Agreement, the COUNTY hereby engages the CONTRACTOR to provide all labor, materials, and equipment to complete the Service in accordance with the Scope of Services, including all addenda, and the completed Submittal Form, attached hereto and incorporated herein as **Composite Exhibit A**. AGREEMENT BETWEEN LAKE COUNTY, FLORIDA AND FOR CONSTRUCTION OF ASTOR LIONS PARK IMPROVEMENTS (CDBG FUNDED); ITB #24-524

in writing, executed by the parties, and in accordance with the COUNTY'S Purchasing Policies and Procedures. A copy of these policies and procedures will be made available to the CONTRACTOR upon request.

3.2 The Service consists of the installation of a concrete basketball court, including goals and padding; concrete bleacher pad; ADA compliant sidewalks; and swale at the Astor Lions Community Park. The Service must be scheduled and constructed in a manner which allows park operations to continue outside the Project area while site improvements are completed. The Service shall include the Base Bid Item #1 as well as the Bid Item #2 (additional basketball court), as described in Exhibit A (Composite).

3.3 The parties acknowledge that this is a project specific agreement and **that the single Service shall not exceed two hundred seventy (270) days from the date the Notice to Proceed is issued. Final completion of the project, including completion of all inspections and closeout of permits, must be achieved no later than thirty (30) days after substantial completion of the project. DUE TO FEDERAL FUNDING SOURCE, TIME IS OF THE ESSENCE IN COMPLETING THIS CONTRACT.**

3.4 This Agreement will become effective upon both parties signing this Agreement (the "Effective Date"). The Service will commence upon issuance of the Notice to Proceed by the COUNTY to the CONTRACTOR following the Effective Date.

The terms and conditions of this Agreement shall remain in effect until completion of all express- and implied-warranty periods. The COUNTY reserves the right to negotiate for additional services/items similar in nature not known at the time of solicitation.

3.6 All work must be performed in accordance with good commercial practice. The work schedule and completion dates must be adhered to by the CONTRACTOR except in such cases where the completion date will be delayed due to acts of God, strikes, or other causes beyond the control of the CONTRACTOR. In these cases, the CONTRACTOR shall notify the COUNTY of the delays in advance of the original completion date so that a revised delivery schedule can be appropriately considered by the COUNTY. **NO ADDITIONAL DAYS WILL BE GRANTED FOR RAIN DELAYS.**

3.7 The CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the Service.

The CONTRACTOR further acknowledges that the CONTRACTOR has satisfied itself as to the character, quality and quantity of surface and subsurface materials, obstacles, and conditions of the site. Any failure by the CONTRACTOR to acquaint itself with any aspect of the work or with any of the applicable conditions will not relieve the

CONTRACTOR from responsibility for adequately evaluating the difficulty or cost of successfully performing the work required, nor will it be considered a basis for any claim for additional time or compensation. The COUNTY assumes no responsibility for any conclusions or interpretations made by the CONTRACTOR on the basis of the information made available by the COUNTY. The COUNTY also assumes no responsibility for any understanding or representations made by its officers or agents during or prior to the execution of this Agreement, unless such understanding or interpretations are made in writing and incorporated in this Agreement by reference.

C. Payments will be deemed timely if postmarked on or before the payment date defined in this Agreement or any other payment due date stated in this Article 4.

D. COUNTY may withhold all or part of an application for payment to the extent reasonably necessary to protect the COUNTY if in the COUNTY'S opinion the representations to the COUNTY required by this section cannot be made. If the COUNTY is unable to certify payment in the amount of the application, the COUNTY will notify the CONTRACTOR as provided for in this Agreement. If the CONTRACTOR and the COUNTY cannot agree on a revised amount, the COUNTY will promptly authorize payment for the amount which the CONTRACTOR is able to make such representations to the COUNTY. The COUNTY may also withhold payment or, because of subsequently discovered evidence, may nullify the whole or part of an application for payment previously issued, to such extent as may be necessary in the COUNTY'S opinion to protect the COUNTY from loss for which the CONTRACTOR is responsible, including loss resulting from its acts and omissions, because of:

1. Defective Work not remedied;
2. Third party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to the COUNTY is provided by the CONTRACTOR;
3. Failure of the CONTRACTOR to make payments properly to subcontractors for labor, materials, or equipment;
4. Reasonable evidence that the Service cannot be completed for the unpaid balance of the contract price;
5. Damage to the COUNTY or other CONTRACTOR;
6. Reasonable evidence that the Service will not be completed within dates established in this Agreement, and that the unpaid balance would not be adequate to cover liquidated damages for the anticipated delay; or

7. Persistent failure to carry out the Service in accordance with this Agreement.

4.9 County's Right to Refuse Payment. The COUNTY'S approval of the CONTRACTOR'S invoice will not preclude the COUNTY from exercising any of its remedies under this Agreement. These remedies include, without limitation the COUNTY'S right to withhold all or part of any payment (including Final Payment) for the reasons described in **Article 4**. In the event of a dispute, payment will be made on or before the payment date for amounts not in dispute, subject to any setoffs claimed by the COUNTY. The COUNTY will have the right to refuse to make payment and, if necessary, may demand the return of a portion or all the amount previously paid to the CONTRACTOR to the extent due to:

A. The CONTRACTOR'S failure to perform the Work in compliance with the requirements of this Agreement or any other agreement between the parties.

B. The CONTRACTOR'S failure to correctly and accurately represent the Service performed in a payment request, or otherwise.

C. The CONTRACTOR'S performance of the Service at a rate or in a manner that, in the COUNTY'S reasonable opinion, is likely to result in the Service being inexcusably delayed.

D. The CONTRACTOR'S failure to use funds previously paid the COUNTY, to pay the CONTRACTOR'S Service-related obligations including, but not limited to, the CONTRACTOR'S subcontractors, materialmen, and suppliers.

E. Claims made against the COUNTY or its property.

F. Loss caused by the CONTRACTOR'S subcontractors, or suppliers and not paid by insurance or covered by bonds provided by CONTRACTOR.

G. The CONTRACTOR'S failure or refusal to perform any of its obligations to the COUNTY.

4.10 Contractor's Right to Refuse Performance for Non-Payment. If within the time set forth in Section 218.735, Florida Statutes, the COUNTY, without cause or basis under this Agreement, fails to pay the CONTRACTOR any amounts then due and payable to the CONTRACTOR will have the right, in addition to all other rights and remedies contained in this Agreement, to send the COUNTY an overdue notice. If the payment request is not rejected within four (4) business days after delivery of the overdue notice, the payment request or invoice shall be deemed accepted, except for any portion of the payment request or invoice that is fraudulent or misleading.

4.11 Correction of Past Payments. All prior payments, whether based on estimates or otherwise, may be corrected and adjusted in any subsequent payment and will be corrected and adjusted in the final payment. If any invoice contains a defect or impropriety which would prevent payment by the payment date, the COUNTY shall notify the CONTRACTOR in writing of such defect or impropriety in accordance with Section 218.735, Florida Statutes. Any disputed amounts determined by the COUNTY to be payable to the CONTRACTOR will be due in the time frames set forth in Section 218.735, Florida Statutes, from the date the dispute is resolved.

4.12 Interest on Outstanding Amounts Due. To the extent allowed by Chapter 218, Florida Statutes, interest will accrue on amounts owed by the COUNTY to the CONTRACTOR which remain unpaid for the time specified in the statutes. CONTRACTOR must invoice COUNTY for any interest accrued in order to receive the interest payment.

No interest will accrue when payment is delayed because of a dispute between the COUNTY and the CONTRACTOR, or a dispute as to the accuracy or completeness of any request for payment received. This exception to the accrual of interest will apply only to that portion of a delayed payment which is the subject of the dispute and will apply only for the duration of such disagreement.

4.13 Invoice Warranties and Guarantees. The CONTRACTOR expressly warrants and guarantees to the COUNTY that:

A. Title to all goods, products, materials, equipment, and systems covered by an invoice will pass to the COUNTY either by incorporation into the Service, or upon receipt of payment by the CONTRACTOR, whichever occurs last.

B. All goods, products, materials, equipment, and systems covered by an invoice are free and clear of liens, claims, security interests or encumbrances.

C. No goods, products, materials, equipment, or systems covered by an invoice have been acquired by the CONTRACTOR, or its subcontractors or suppliers, subject to an agreement under which an interest or an encumbrance is retained by the seller or otherwise imposed by the CONTRACTOR, or its subcontractors or suppliers.

4.14 Contractor's Signature. The signature of the CONTRACTOR on any invoice constitutes the CONTRACTOR'S certification to the COUNTY that (i) the CONTRACTOR'S services listed in the invoice have progressed to the level indicated and have been performed as required by this Agreement; (ii) the CONTRACTOR has paid its subcontractors and suppliers their proportional share of all previous payments received from the COUNTY; and (iii) the amount requested is currently due and owing.

4.15 Taxes. The CONTRACTOR shall incorporate into the Pricing Sheet, and pay, all sales, consumer, use and similar taxes for goods, products, materials, equipment, and systems incorporated into the Service which were legally required at the time of execution of this Agreement, whether yet effective or merely scheduled to go into effect. The CONTRACTOR shall secure, defend, protect, hold harmless, and indemnify the COUNTY from and against all liability, loss, claims, demands, suits, costs, fees and expenses (including actual fees and expenses of attorneys, expert witnesses, and other consultants) relating to any taxes assessed or imposed upon, incurred by or asserted against the COUNTY by any taxing authority with respect to such taxes. The CONTRACTOR shall cooperate with and assist the COUNTY in securing qualified refunds of any sales or use tax paid by the COUNTY or CONTRACTOR on goods, products, materials, equipment, or systems. Any refund secured must be paid to the COUNTY.

4.16 Sales Tax Recovery Program. In accordance with Section 212.08(6), Florida Statutes, and Rule 12A-1.094, Florida Administrative Code, the COUNTY is tax exempt when it purchases tangible personal property for use in public works projects, subject to certain restrictions. In the event this project is declared a sales tax recovery project by the COUNTY, the following procedures will apply:

A. The COUNTY, through its Project Manager, shall determine whether the COUNTY will directly purchase certain materials required for the Work.

B. If requested by the Project Manager, the CONTRACTOR shall prepare a list of proposed items that may be desirable for COUNTY direct purchasing. Proposed items will be items that are purchased in a single order from a single vendor with a value greater than \$10,000. Upon reviewing this list, the COUNTY will determine whether it will directly purchase certain materials. The COUNTY shall notify the CONTRACTOR in writing of the specific materials which are intended to be purchased.

C. Within ten (10) calendar days from receipt of the written notice described in Article 4.16.B, the CONTRACTOR shall advise the COUNTY in writing of: (a) the date upon which the materials must be on-site according to the construction schedule approved at that time, (b) the date that the CONTRACTOR directs that the COUNTY place the order for the described materials, (c) the location to which the materials are to be delivered, and (d) any other particular details of the order which the CONTRACTOR requests that the COUNTY include in the Purchase Order to the vendor.

D. The COUNTY may, but is not required to, provide the CONTRACTOR with the proposed Purchase Order for the materials. In that case, the CONTRACTOR shall review the Purchase Order for compliance with the construction documents, including, without limitation, the plans, specifications, and construction schedule. Within five (5) calendar days from the receipt of the proposed Purchase Order, the CONTRACTOR shall provide the COUNTY with written approval of the Purchase Order or shall provide written revisions to the Purchase Order, in order that the materials and the delivery will comply with the Construction Documents, including, without limitation, the plans, specifications and Construction Schedule.

E. The COUNTY will place the Order for the materials with the vendor.

F. The COUNTY will take title to those materials directly from the vendor and will bear the risk of loss or damage to the materials which are delivered by the vendor through the time that the materials are delivered to the location designated by the CONTRACTOR. After the materials are delivered to the location designated by the CONTRACTOR, the CONTRACTOR will have full responsibility for their storage, protection, risk-of-loss, and installation pursuant to the construction documents, including, without limitation, the plans, specifications, and construction schedule.

G. The vendor will invoice the COUNTY directly for the materials purchased from the vendor. The COUNTY shall pay the invoices for the materials directly, presenting its sales tax exemption certificate to each vendor at the time of payment.

With respect to the materials specifically designated by this section, the CONTRACTOR will be relieved only of its responsibilities to place the order for the subject materials, to pay for the materials and to insure the materials against loss through the date that they are delivered to the location designated by the CONTRACTOR. Otherwise, nothing in this Agreement will revise or modify the CONTRACTOR'S responsibilities set forth in this Agreement, including, without limitation, the responsibility to schedule the timely ordering and delivery of the materials purchased under this Agreement, the management of the materials once delivered or the incorporation of the materials into the Service, as provided in the construction documents, including, without limitation, the plans, specifications and construction schedule.

THE PURPOSE OF THE SALES TAX RECOVERY PROGRAM IS TO ACHIEVE COST SAVINGS FOR THE COUNTY. THE COST OF ANY MATERIALS PURCHASED THROUGH THE SALES TAX RECOVERY PROGRAM WILL BE DEDUCTED FROM THE CONTRACT AMOUNT. ALL SAVINGS REALIZED BY THE SALES TAX RECOVERY PROGRAM WILL INURE TO THE BENEFIT OF THE COUNTY. IT IS THE CONTRACTOR'S RESPONSIBILITY TO ADJUST ANY SUBCONTRACTS ACCORDINGLY.

The COUNTY and CONTRACTOR shall execute a written change order described in this Agreement and approved in accordance with the COUNTY'S policy and the Change Order will become a part of the contract documents as provided in this Agreement. The CONTRACTOR'S fee will be calculated on the basis that the CONTRACTOR, rather than the COUNTY, procured the materials. Therefore, for purpose of calculating the fee, the total of subcontractor and supplier costs will include payments made by the

COUNTY under this program. The calculation of the fee in this manner will provide, among other things, specific supplemental consideration for the provisions of this Article.

4.17 Compensation of Contractor's Subcontractors and Suppliers. Upon receipt of payment from the COUNTY, the CONTRACTOR shall pay each of its subcontractors and suppliers out of the amount received by the CONTRACTOR on account of such subcontractor's or supplier's portion of the Service, the amount to which each entity is entitled, reflecting percentages retained from payments to the CONTRACTOR on account of such entity's portion of the Service. CONTRACTOR shall comply with the timeframes set forth in Section 218.735(6), Florida Statutes, for remitting payment to subcontractors. The COUNTY will have no obligation to pay, and will not be responsible for payments to, the CONTRACTOR'S subcontractors or suppliers. However, the COUNTY reserves the right, but has no duty, to make payment jointly to the CONTRACTOR and to any of its subcontractors or suppliers if the COUNTY becomes aware that the CONTRACTOR fails to pay or unreasonably withholds payment from one or more of those entities. Such joint check procedure, if employed by the COUNTY, will create no rights in favor of any person or entity beyond the right of the named payees to payment of the check and will not be deemed to commit the COUNTY to repeat the procedure in the future.

4.18 Final Payment. Prior to being entitled to receive final payment, and as a condition precedent, the CONTRACTOR must achieve Final Completion of the Service and provide documents needed for final payment. CONTRACTOR shall submit the *Contractors Final Payment Affidavit*, attached hereto as part of **Exhibit E (Composite)**, as part of CONTRACTOR'S final payment request.

ARTICLE 5. COUNTY RESPONSIBILITIES.

5.1 The COUNTY shall designate a COUNTY staff member to act as COUNTY'S Project Manager. It is agreed to by the parties that the COUNTY'S Project Manager will decide all questions, difficulties, or disputes, of whatever nature, which may arise relative to the interpretation of the plans, construction, prosecution and fulfillment of the Scope of Services, and as to the character, quality, amount and value of any work done, and materials furnished, under or by reason of this Agreement. The COUNTY'S Project Manager may appoint representatives as desired that will be authorized to inspect all work done and all materials furnished.

5.2 The COUNTY shall pay in accordance with the provisions set forth in this Agreement.

5.3 The COUNTY retains the right to inspect all work to verify compliance with the contract documents. Such inspection may extend to all or any part of the work and to the manufacture, preparation, or fabrication of the materials to be used.

ARTICLE 6. FACILITIES PROVISIONS.

6.1 Intent of the Contract Documents.

A. For purposes of this Agreement, the term "contract documents" includes all bid documents, drawings, the Scope of Work, attachments to this Agreement, and provisions within this Agreement, along with any change orders or amendments to this Agreement.

B. It is the intent of the contract documents to describe a functionally complete Service which defines the Scope of Work. Any work, materials, or equipment that may reasonably be inferred from the contract documents as being required to produce the intended result must be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, material or equipment, such words must be interpreted in accordance with that meaning.

Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Service, whether such reference be specified or by implication, will mean the latest standard specification, manual, code, law or regulation in effect at the time the work performed, unless specifically stated otherwise in this Agreement.

C. The contract documents and all referenced standards cited in the contract documents are essential parts of the contract requirements. A requirement occurring in one is binding as though occurring in all.

D. Drawings and specifications are intended to agree and be mutually complete. Any item not contained within the drawings, but are contained in the specifications, or vice-versa, must be provided and executed as shown in either the drawing or specification at no extra costs to the COUNTY. If the CONTRACTOR fails to provide written notice within the twenty-four (24) hour limitation noted above, the CONTRACTOR will be deemed to have waived any right it otherwise may have had to seek an adjustment to the contract amount or an extension to the contract time.

6.7 Safety.

A. The CONTRACTOR shall initiate, maintain, and supervise all safety precautions and programs in connection with the work, and shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) and any other industry, Federal, State or local government standards, including the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA). The CONTRACTOR shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to, persons or property. The CONTRACTOR shall be aware that while working for the COUNTY, representatives from agencies such as OSHA are invitees and need not have warrants or permission to enter the work site. Any fines levied by the above-mentioned authorities for failure to comply with these requirements will be borne solely by the CONTRACTOR.

B. The CONTRACTOR certifies that all material, equipment, etc. to be used in an individual Service meets all Occupational Safety and Health Administration (OSHA) requirements. If the COUNTY determines that equipment is deficient in safety devices, the CONTRACTOR will be notified immediately. The CONTRACTOR shall immediately repair or remove the equipment from service until the deficiency is corrected to the satisfaction of the COUNTY.

D. The COUNTY may periodically monitor the work site for safety. Should there be safety or health violations, the COUNTY will have the authority, but not the duty, to require the CONTRACTOR

to correct the violation in an expeditious manner. If there is any situation that is deemed unsafe by the COUNTY, the Service will be shut down immediately upon notice and will not resume work until the unsafe condition has been remedied. CONTRACTOR shall receive no additional compensation, no extension of time, and shall not be entitled to reimbursement of any demobilization costs, remobilization costs, or other out-of-pocket expenses incurred as a result of such work stoppage. If the violation is not corrected within a reasonable time, COUNTY may in its sole discretion declare CONTRACTOR to be in default of this Agreement.

E. Should the work site be in a hazardous area, the COUNTY shall take reasonable actions to furnish the CONTRACTOR with information concerning hazards such as the types or the identification of known toxic material, machine hazards, Safety Data Sheets, or any other information that would assist the CONTRACTOR in the planning of a safe work site. The CONTRACTOR retains the ultimate responsibility to ensure all work is performed in a manner consistent with all applicable safety standards and directives.

F. The CONTRACTOR shall erect and maintain, as required by existing conditions and contract performance, safeguards for safety and protection such as barricades, danger signs, a construction fence, and other warnings against hazardous conditions.

G. The CONTRACTOR shall remove all surplus material and debris from the Service site at the end of each workday. All costs associated with clean-up and debris removal must be included in the lump sum price stated elsewhere in this Agreement. The CONTRACTOR shall leave the site clean and neat. H. CONTRACTOR must have sufficient and Service appropriate supplies on-site for clean-up. At no time may the CONTRACTOR use COUNTY cleaning supplies or equipment. Upon final completion, the CONTRACTOR shall thoroughly clean-up all areas where work has been involved as mutually agreed with the COUNTY'S Project Manager. **If at any time the CONTRACTOR fails to clean up the work area to acceptable levels, the COUNTY may retain outside cleaning services and the actual costs for this service will be deducted from the CONTRACTOR'S final payment with the minimum cost of \$50.00 to offset the COUNTY'S time for securing services to properly clean and inspect the site.**

I. The CONTRACTOR shall confine all equipment, materials and operations to the Service site and areas identified in the agreement documents. The CONTRACTOR shall assume all responsibility for any damage to any such area resulting from the performance of the work.

J. Hazardous Materials. CONTRACTOR is responsible for notifying the COUNTY of any hazardous materials used on the work site and providing the COUNTY a copy of the Safety Data Sheets (SDS). Any spillage of hazardous chemicals or wastes by the CONTRACTOR will be reported immediately to the COUNTY and cleaned up in accordance with all State and Federal Regulations. The cost of cleanup of any spillage of hazardous chemicals or wastes caused by CONTRACTOR will be the sole responsibility of CONTRACTOR and the COUNTY will share no responsibility of these costs. A copy of the complete report showing compliance with local, state, and federal agencies will be given to the COUNTY. If any hazardous chemicals or conditions are discovered during the normal operation, it is the responsibility of CONTRACTOR to immediately contact the COUNTY with a description and location of the condition. The SDS must meet the requirements of 29 CFR 1910.1200(g), and include the following information:

- Section 1: Identification;
- Section 2: Hazard(s) identification;
- Section 3: Composition/information on ingredients;

- Section 4: First-aid measures;
- Section 5: Fire-fighting measures;

- Section 14: Transport information;
- Section 15: Regulatory information; and
- Section 16: Other information, including date of preparation or last revision.

The CONTRACTOR shall designate a competent person of its organization whose duty will be the prevention of accidents. This person must be literate and able to communicate fully in the English language because of the necessity to read job instructions and signs, as well as the need for conversing with management personnel. This person will be the CONTRACTOR'S superintendent unless otherwise designated in writing to the COUNTY'S Project Manager. All communications to the superintendent will be as binding as if given to the CONTRACTOR.

K. Tobacco Products. Tobacco use, including both smoke and smokeless tobacco, is prohibited on COUNTY owned property.

6.8 Underground Utilities. Any required digging or subsurface work will be done in accordance with Chapter 556, Florida Statutes. It will be the responsibility of CONTRACTOR to have all underground utilities located before any work begins (Sunshine State One Call 1-800-432-4770). The repairs of any damaged underground utilities because of the work being performed by CONTRACTOR will be the responsibility of CONTRACTOR. The proper utility company will be contacted immediately to expedite the repairs if damage has occurred. CONTRACTOR will notify the COUNTY and provide a written explanation of the incident within two days of the damage to any underground utilities.

6.9 Maintenance of Traffic.

A. In the event that any of the work is conducted within any public right of way, the CONTRACTOR shall provide proper Maintenance of Traffic (MOT). Unless otherwise specified, the standard specifications to be used for the Service will be the strictest and latest edition as promulgated by the Florida Department of Transportation (FDOT) or the Federal Highway Administration (FHWA).

B. Maintenance of traffic will be the responsibility of the CONTRACTOR, is part of the CONTRACTOR'S proposal price, and must conform to FDOT'S most current editions and supplements of Standard Specifications for Road and Bridge Construction, Roadway and Traffic Design Standards, Manual or Uniform Minimum Standards for Design, Construction and Maintenance for Streets and Highways, or the Federal Highway Administration (FHWA) Manual on Uniform Traffic Control Devices (MUTCD), as applicable. These documents can be ordered from FDOT, Maps and Publications Department, 605 Suwannee Street, Tallahassee, Florida, 32399-0450, or by going to the FDOT website at: <https://www.fdot.gov/publications/publications.shtm>.

C. All costs associated with MOT must be included in the CONTRACTOR'S proposal price. No separate line items for MOT will be included in the cost estimate. If the CONTRACTOR does not

comply with all of the FDOT and the FHWA standards (i.e., signs, qualified flaggers, and barricades), the COUNTY reserves the right to direct the CONTRACTOR to cease operation until deficiencies are corrected. In addition, no road closures will be allowed except in the case of emergencies.

D. If the CONTRACTOR feels that assistance from an off-duty police officer is needed, it will be the responsibility of the CONTRACTOR, at the CONTRACTOR'S sole cost and expense, to hire and pay for this service.

E. All lane closures must have the prior approval of the COUNTY.

F. These requirements are to be considered a minimum and the CONTRACTOR'S compliance will in no way relieve the CONTRACTOR of final responsibility for providing adequate traffic control devices for the protection of the public and the CONTRACTOR'S employees throughout the work area.

G. The use of public roads and streets by the CONTRACTOR must provide minimal inconvenience to the public and traffic. Furthermore, if the CONTRACTOR is utilizing a road by driving slow moving equipment, the operator must allow no more than three (3) vehicles to be backed up behind them at any time before pulling to the side to let traffic pass.

6.10 General Inspection Requirements.

A. Due to the nature of this Agreement, the COUNTY will, at the time of establishment of need, require the CONTRACTOR to become fully informed as to the nature and extent of the work required and its relation to any other work in the area, including possible interference from other site activities. Arrangement for the CONTRACTOR'S inspection of facilities or sites and activity schedules may be secured from the user COUNTY department. Failure to visually inspect the facilities or sites may be cause for disqualification of the CONTRACTOR on that individual Service.

B. The CONTRACTOR shall furnish the COUNTY with every reasonable accommodation for ascertaining whether the work performed and materials used are in accordance with the requirements and intent of the contract documents. If the COUNTY so requests, the CONTRACTOR shall, at any time before final acceptance of the work, remove or uncover such portions of the finished work as may be directed. After examination, the CONTRACTOR shall restore the uncovered portions of the work to the standard required by the specifications. Should the work so exposed or examined prove unacceptable in the opinion of the COUNTY, the uncovering or removal, and the replacing of the covering or making good of the parts removed, will be at the CONTRACTOR'S expense. However, should the work thus exposed or examined prove acceptable in the opinion of the COUNTY, the uncovering or removing and the replacing or the covering or making good of the parts removed, will be paid for as unforeseen work.

C. If the COUNTY should, at any point before, during, or after, completion of construction activities, fail to reject defective work or materials, whether from lack of discovery of such defect or for any other reason, such initial failure to reject will in no way prevent the COUNTY'S later rejection when such defect is discovered, nor obligate the COUNTY to final acceptance or payment, and the CONTRACTOR will make no claim for losses suffered due to any necessary removals or repairs of such defects.

D. If, during or prior to construction operations, the COUNTY rejects any portion of the work on the grounds that the work or materials are defective, the COUNTY shall give the CONTRACTOR notice of the defect, which notice may be confirmed in writing. The CONTRACTOR will then have seven (7) calendar days from the date the notice is given to correct the defective condition. If the CONTRACTOR fails to correct the deficiency within the seven (7) calendar days after receipt of the notice, the COUNTY

may take any action necessary, including correcting the deficient work utilizing another CONTRACTOR, returning any non-compliant goods to the CONTRACTOR at the CONTRACTOR's expense or terminating the contract. The CONTRACTOR may not assess any additional charges for any conforming action taken by the COUNTY. The COUNTY will not be responsible to pay for any product or service that does not conform to the contract specifications.

E. Should the CONTRACTOR fail to remove and renew any defective materials used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the contract requirements, within the time indicated in writing, the COUNTY will have the authority to cause the unacceptable or defective materials or work to be corrected as necessary at the CONTRACTOR'S expense. Any expense incurred by the COUNTY, whether direct, indirect or consequential, in making these repairs, removals, or renewals will be paid for out of any monies due or which may become due to the CONTRACTOR. A change order will be issued, incorporating the necessary revisions to the contract documents, including an appropriate decrease to the contract amount. Such costs will include, but not be limited to, costs of repair and replacement of work destroyed or damaged by correction, removal or replacement of the CONTRACTOR'S defective work and additional compensation due the COUNTY. The CONTRACTOR will not be allowed an extension of the contract time because of any delay in performance of the Service attributable to the exercise by the COUNTY of the COUNTY'S rights and remedies under this Agreement. If the CONTRACTOR fails to honor the change order, the COUNTY may terminate this Agreement for default.

F. All work performed and all materials furnished must be in reasonably close conformity with the tolerances indicated in the specifications. In the event the COUNTY'S Project Manager finds the materials or the finished product in which the materials are used and not within reasonably close conformity to the specifications, the COUNTY'S Project Manager will then make a determination if the work will be accepted and remain in place. In this event, the COUNTY'S Project Manager will document the basis of acceptance by a Change Order that will provide for an appropriate deduction as needed in the contract price for such work or materials as the COUNTY'S Project Manager deems necessary to conform to the determination based on the COUNTY'S Project Manager's professional judgment.

G. When the United States Government or the State of Florida is to pay a portion of the cost of construction, the work will be subject to such inspection by Federal or State representatives as deemed necessary, but such inspections will in no case make the United States Government or the State of Florida a party to this contract.

6.11 Service Materials and Storage.

A. Unless otherwise specified within the contract documents, all materials to be used to complete the Service, except where recycled content is specifically requested, must be new, unused, of recent manufacture, and suitable for its intended purpose. All goods must be assembled, fully serviced and ready for operation when delivered. In the event any of the materials supplied by the CONTRACTOR are found to be defective or do not conform to specifications: (1) the materials may be returned to the CONTRACTOR at the CONTRACTOR'S expense and this Agreement may be terminated or (2) the COUNTY may require the CONTRACTOR to replace the materials at the CONTRACTOR'S expense.

B. Materials must be placed to permit easy access for proper inspection and identification of each shipment. Any material which has deteriorated, become damaged, or is otherwise unfit for use, as determined by the COUNTY, must not be used for the Service, and must be removed from the site by the CONTRACTOR at the CONTRACTOR'S expense. Until incorporated into the work, materials will be the sole responsibility of the CONTRACTOR and the CONTRACTOR will not be paid for such materials until incorporated into the work. If any chemicals, materials or products containing toxic substances are to be

used at any time, the CONTRACTOR shall furnish a Material Safety Data Sheet to the COUNTY prior to commencing such use.

C. When not specifically identified in the technical specifications, materials and equipment must be of a suitable type and grade for the purpose which they are used.

D. All unusable materials and debris must be removed from the premises by the CONTRACTOR at the end of each workday and disposed of in an appropriate manner.

6.12 Time for Completion and Extensions.

A. A written Notice to Proceed is required for the CONTRACTOR to schedule or begin work. Purchase Orders will be issued for Services to the CONTRACTOR. Issuance of a Purchase Order is not a directive to begin work unless otherwise specified. Email notice is acceptable.

B. The CONTRACTOR shall diligently pursue the completion of the work and coordinate the work being done on the Service by its subcontractors and material suppliers, as well as coordinate the CONTRACTOR'S work with the work of other contractors so that the CONTRACTOR'S work or the work of others will not be delayed or impaired. The CONTRACTOR will be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the work under the contract documents. The time for completion requirements are contained in Article 3.3 above.

C. Should the CONTRACTOR be obstructed or delayed in the completion of the work as a result of unforeseeable causes beyond the control of the CONTRACTOR, and not due to the CONTRACTOR'S fault or neglect, the CONTRACTOR shall notify the COUNTY in writing within twenty-four (24) hours after the commencement of such delay, stating the cause or causes of the delay, or be deemed to have waived any right which the CONTRACTOR may have had to request a time extension.

D. If the CONTRACTOR complies with the twenty-four (24) hour notice requirement, the COUNTY will ascertain the facts and the extent of the delay being claimed and recommend an extension to the contract time when, in the COUNTY'S sole judgment, the findings of fact justify such an extension. The CONTRACTOR shall cooperate with the COUNTY'S investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the contract time may be granted only for those delays which impact the CONTRACTOR'S construction schedule. Extensions of contract time, if approved by the COUNTY, must be authorized by written change order.

6.13 Changes in the Scope of Services.

A. The COUNTY may at any time, by written change order, in accordance with the COUNTY'S Purchasing Policy and Procedures, increase or decrease the scope of the work. For changes in work requested by the CONTRACTOR, the CONTRACTOR must prepare and submit change order requests for the COUNTY'S approval. Each change order will include time and monetary impacts of the change, whether the change order is considered alone or with all other changes during the course of the Service. Both the COUNTY and the CONTRACTOR must execute the change order for the order to become effective.

B. The value of such extra work or change will be determined by the contract unit values, if applicable unit values are set forth in this Agreement. The amount of the change will be computed from such values and added to or deducted from the contract price.

C. If the COUNTY and the CONTRACTOR are unable to agree on the change order for a requested change, the CONTRACTOR shall, nevertheless, promptly perform the change as directed in writing by the COUNTY. If the CONTRACTOR disagrees with the COUNTY'S adjustment determination, the CONTRACTOR must make a claim pursuant to the Claims and Disputes section in this Agreement, or else be deemed to have waived any claim on this matter the CONTRACTOR might have otherwise had.

D. For work not contemplated by the original Agreement where the Project Manager determines the CONTRACTOR is best suited to complete the work, CONTRACTOR may complete the work under a time-and-materials agreement, as provided herein. CONTRACTOR'S quote to complete the additional work will be limited to (i) the CONTRACTOR'S reasonable direct material costs and reasonable actual equipment costs as a result of the change and (ii) direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit. In such case, the CONTRACTOR will keep and present to the COUNTY an itemized accounting together with appropriate supporting data for the total cost incurred. In the event such changed work is performed by a subcontractor, additional work will be limited to (i) the subcontractor's reasonable direct material costs and reasonable actual equipment costs as a result of the change and (ii) direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit. CONTRACTOR may charge appropriate reasonable direct hourly costs related to overseeing and subcontracting the work. All compensation due the CONTRACTOR and any subcontractor or sub-subcontractor for field and home office overhead is included in the markups listed above. Payment to CONTRACTOR will be limited to the amount quoted by the CONTRACTOR for the additional work, which the CONTRACTOR exceeds at its own risk.

E. The COUNTY will not be liable to the CONTRACTOR for any increased compensation in the absence of a written change order executed in accordance with the COUNTY'S policy. The payment authorized by such a change order will represent full and complete compensation to the CONTRACTOR for labor, materials, incidental expenses, overhead, profit, impact costs and time associated with the work authorized by such change order.

F. Execution by the CONTRACTOR of a properly authorized change order will be considered a waiver of all claims or requests for additional time or compensation for any activities prior to the time of execution related to items included in the change order.

G. Upon receipt of an approved change order, changes in the Scope of Services must be promptly performed. All changes in work must be performed under the terms and conditions of this Agreement.

H. Change orders will not be issued for incidental items or tasks that should have been reasonably construed to be part of the project by the CONTRACTOR.

6.14 Claims and Disputes.

A. Claims by the CONTRACTOR must be made in writing to the COUNTY within two (2) business days, unless another provision of this Agreement sets forth a different time frame, after the commencement of the event giving rise to such claim or the CONTRACTOR will be deemed to have waived the claim. All claims will be priced in accordance with the section in this document entitled "Changes in the Scope of Services."

B. The CONTRACTOR shall proceed diligently with its performance as directed by the COUNTY, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise

agreed to by the COUNTY in writing. The COUNTY shall continue to make payments on the undisputed portion of the contract in accordance with the contract documents during the pendency of any claim.

C. Claims by the CONTRACTOR will be resolved in the following manner: (1) Upon receiving the claim and supporting data, the COUNTY will within fifteen (15) calendar days respond to the claim in writing stating that the claim is either approved or denied. If denied, the COUNTY will specify the grounds for denial. The CONTRACTOR will then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the COUNTY that the original claim stands as is. (2) If the claim is not resolved, the COUNTY may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the parties and each party will pay one-half (1/2) the expense of mediation. If the COUNTY declines to mediate the dispute, the CONTRACTOR may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

D. Claims by the COUNTY against the CONTRACTOR must be made in writing to the CONTRACTOR as soon as the event leading to the claim is discovered by the COUNTY. Written supporting data will be submitted to the CONTRACTOR. All claims will be priced in accordance with the provisions of the section in this document entitled "Changes in the Scope of Services." The CONTRACTOR shall respond in writing within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the COUNTY may submit the matter to mediation as set forth in I above.

E. Arbitration will not be considered as a means of dispute resolution.

F. NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME MAY BE MADE OR ASSERTED AGAINST THE COUNTY BY REASON OF ANY DELAYS. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work will relieve the CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. The CONTRACTOR expressly acknowledges and agrees that the CONTRACTOR will receive no damages for delay. However, this provision will not preclude recovery or damages by the CONTRACTOR for hindrances or delays due solely to fraud, bad faith, or active interference on the part of the COUNTY. Otherwise, the CONTRACTOR will be entitled to extensions of the contract time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

6.15 Acceptance of the Work and Final Payment.

A. The work delivered and services rendered under this Agreement will remain the property of the CONTRACTOR and will not be deemed complete until a physical inspection and actual usage of the Service is accepted by the COUNTY and will be in compliance with the terms of this Agreement, fully in accord with the specifications and of the highest quality. Any goods or services purchased under this Agreement may be tested/inspected for compliance with the specifications listed.

B. Maintenance of Work. The CONTRACTOR shall maintain all work in as-new condition until the final inspection is completed and the work is accepted by the COUNTY. All insurance must be maintained until final acceptance by the COUNTY.

C. Final Invoice. When the work provided for under this Agreement has been completely performed by the CONTRACTOR a final invoice will be prepared by the CONTRACTOR. The amount of this invoice, less any sums that may have been deducted or retained under the provisions of this Agreement, will be paid to the CONTRACTOR in accordance with Article 4 of this Agreement, and after the CONTRACTOR has agreed in writing to accept the balance due, as determined by the COUNTY, as

full settlement of the account under the contract and of all claims in connection with the invoice. Occupancy by the COUNTY alone does not constitute final acceptance.

D. Final Inspection. When all materials have been furnished, all work has been performed, and the construction contemplated by this Agreement has reached substantial completion, CONTRACTOR shall request a final inspection by the COUNTY. The COUNTY, or the COUNTY'S representative, shall make the final inspection within five (5) business days of receipt of notification from the CONTRACTOR that the Service is ready. The COUNTY shall, pursuant to Section 218.735(7), Florida Statutes, prepare and deliver to the CONTRACTOR a single list of items required to render the Service complete, satisfactory, and acceptable within thirty (30) calendar days after being notified by CONTRACTOR of the project, or project phase if the project is multi-phased, reaching substantial completion. The single list will be delivered by the COUNTY to the CONTRACTOR within five (5) days after the list of items has been developed and reviewed.

The failure by the COUNTY to include any corrective work or pending items on the list does not alter CONTRACTOR'S responsibility for completing the Service pursuant to this Agreement. All items that require correction under the contract and that are identified after the preparation and delivery of the list remain the obligation of CONTRACTOR as defined by this Agreement. The CONTRACTOR shall correct all deficiencies before final acceptance and payment of retainage is made.

E. Final Acceptance. Final completion must be within thirty (30) days after delivery of the list of items in paragraph D of this section. If the COUNTY fails to provide the list as provided for in paragraph D of this section, the time for completion will be extended by the number of days the COUNTY exceeded the delivery date. COUNTY will re-inspect to verify completion of the list of items provided to CONTRACTOR for final acceptance. An eighty-dollar (\$80.00) re-inspection fee will be applied for the third inspection and any required re-inspection. The COUNTY may exclude the CONTRACTOR from those portions of the work designated as complete after the inspection; provided, however, that the CONTRACTOR will have reasonable access for the time allotted by the COUNTY to complete or correct items on the punch list.

F. Release of Retained Funds. As set forth in Section 218.735, Florida Statutes, upon completion and acceptance by the COUNTY of all items on the list of items provided for in paragraph D of this section, CONTRACTOR may submit a payment request for all remaining retainage withheld for the project, or phase of project, as applicable. If a good faith dispute exists as to whether one or more of the items identified in the list have been completed pursuant to the contract, COUNTY may continue to withhold up to 150% of the total costs to complete such items. CONTRACTOR shall submit CONTRACTOR'S Final Payment Affidavit with the request for payment.

G. Waiver of Claims. The CONTRACTOR'S acceptance of final payment will constitute a full waiver of any and all claims by the CONTRACTOR against the COUNTY arising out of this Agreement or otherwise related to the Service, except those previously made in writing and identified by the CONTRACTOR as unsettled at the time the final estimate is prepared. Neither the acceptance of the work nor payment by the COUNTY will be deemed a waiver of the COUNTY'S rights to enforce any continuing obligations of the CONTRACTOR or to the recovery of damages for defective work not discovered by the COUNTY at the time of final inspection.

H. Termination of Contractor's Responsibilities. This Agreement will be considered complete when all work has been completed and accepted by the COUNTY and all warranty periods have expired. The CONTRACTOR will then be released from further obligation except as set forth in this Agreement.

I. Recovery Rights Subsequent to Final Payment. The COUNTY reserves the right, should an error be discovered in the invoice, or should proof of defective work or materials used by or on the part of the CONTRACTOR be discovered after the final payment has been made, to claim and recover from the CONTRACTOR by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of the COUNTY.

6.16 Warranties.

A. All warranties will begin on the date of the COUNTY'S acceptance and will last for a period of twelve (12) months unless otherwise specified in the Scope of Services, plans, or specifications. The CONTRACTOR shall obtain and assign to the COUNTY all express warranties given to the CONTRACTOR or any subcontractors by any material suppliers, equipment, or fixtures to be incorporated into the Service.

B. The CONTRACTOR warrants to the COUNTY that any materials and equipment furnished under the contract documents will be new unless otherwise specified, and that all work will be of good quality, free from defects and in conformance with the contract documents. The CONTRACTOR further warrants to the COUNTY that all materials and equipment furnished under the contract documents will be applied, installed, connected, erected, used, cleaned, and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers, or processors except as otherwise provided for the contract documents. This warranty requirement will remain in force for the full period identified above, regardless of whether the CONTRACTOR is still under contract at the time of the defect. These warranties are in addition to those implied warranties to which the COUNTY is entitled as a matter of law.

C. If sod is used as part of an individual Service, it will be warranted to be free of noxious and invasive weeds, disease, and insects. If pests or noxious weeds manifest themselves within sixty (60) days of placement of the sod, CONTRACTOR will treat the affected areas. The process for treating these areas will be approved by the COUNTY. If the sod does not meet any of the required specifications, CONTRACTOR will be responsible to replace it at no expense to the COUNTY. It will be the responsibility of CONTRACTOR to ensure the sod is sufficiently established as described as specified in the Scope of Services, plans, or specifications. This will include watering the sod on a regular basis as needed to keep it alive until established. Established will be considered as being sufficiently rooted, as determined by the COUNTY Project Manager, into the surface that it was installed. If the sod dies or does not become established CONTRACTOR will be responsible for the replacement at no cost to the COUNTY.

D. CONTRACTOR will be responsible for promptly correcting all apparent and latent deficiencies or defects in work, regardless of the project completion status, at no cost to the COUNTY, within five (5) calendar days after the COUNTY notifies CONTRACTOR of such deficiency in writing. If CONTRACTOR fails to honor the warranty or fails to correct or replace the defective work or items within the period specified, the COUNTY may, at its discretion, notify CONTRACTOR in writing that CONTRACTOR may be debarred as a COUNTY vendor, and become subject to contractual default if the corrections or replacements are not completed to the satisfaction of the COUNTY within five (5) calendar days of receipt of the notice. If CONTRACTOR fails to satisfy the warranty within the period specified in the notice, the COUNTY may (a) place CONTRACTOR in default of its agreement and (b) procure the products or services from another source and charge CONTRACTOR for any additional costs that are incurred by the COUNTY for this work or items, either through a credit memorandum or through invoicing.

6.17 Liquidated Damages.

AGREEMENT BETWEEN LAKE COUNTY, FLORIDA AND FOR CONSTRUCTION OF ASTOR LIONS PARK IMPROVEMENTS (CDBG FUNDED); ITB #24-524

A. Unless otherwise agreed to, weather events are specifically excluded as excused cause for delay under this Agreement and no additional days will be given for rain days. If the deficiencies have been noted and the remedies have not been completed within the contracted time, the COUNTY may send out a notification notifying the CONTRACTOR of an assessment of Liquidated Damages that can be applied for any day over the time allowed under this Agreement.

B. The COUNTY and the CONTRACTOR recognize that, since time is of the essence for this Agreement, the COUNTY will suffer financial loss if the work is not completed within the time specified. The COUNTY will be entitled to assess, as Liquidated Damages, but not as a penalty, for each calendar day after the scheduled completion date the Service continues. The Service will be deemed to be completed on the date the work is considered complete to the satisfaction of the COUNTY. The CONTRACTOR hereby expressly waives and relinquishes any right which it may have to seek to characterize the Liquidated Damages as a penalty. The parties agree that the Liquidated Damages sum represents a fair and reasonable estimate of the COUNTY'S actual damages at the time of contracting if the CONTRACTOR fails to complete the work in a timely manner.

C. The Liquidated Damages will be as set forth in the following table:

| Service/Project Amount | Daily Charge (Per Calendar Day) |
|---|--|
| \$5,000 and under | \$25 |
| Over \$5,000 but less than \$10,000 | \$65 |
| \$10,000 or more but less than \$20,000 | \$91 |
| \$20,000 or more but less than \$30,000 | \$121 |
| \$30,000 or more but less than \$40,000 | \$166 |
| \$40,000 or more but less than \$50,000 | \$228 |
| \$50,001 or more | \$250 |

D. The COUNTY will retain from the compensation to be paid to the CONTRACTOR the above-described sum. If CONTRACTOR is in default for not completing the Service within the time specified, the COUNTY may require CONTRACTOR to stop work on any other project or service to the COUNTY until the Service specific in this Agreement is complete and the Liquidated damages Sum is satisfied.

6.18 Sanitation. If the Service does not involve interior work, the CONTRACTOR shall provide and maintain adequate sanitary conveniences for the use of persons employed for the Service. These conveniences will be maintained at all times without nuisance, and their use must be strictly enforced. The location of these conveniences will be subject to the COUNTY'S Project Manager's approval. All such facilities will be installed and maintained in accordance with applicable Federal, State, and local laws.

6.19 Submittals and Equal Products.

A. Submittals of products required for the Service assigned to the CONTRACTOR under this Agreement, must be supplied to the COUNTY for pre-approval prior to the start of the work. These documents must be provided to the COUNTY at least one (1) week before the installation.

B. If a product or service requested by the COUNTY for the Service has been identified in the specifications by a brand name, and has not been notated as a "No Substitute," item, such identification is intended to be descriptive and not restrictive, and is to indicate the quality and characteristics of product or service that will be acceptable. If the CONTRACTOR offers an alternate product or service for

consideration, such product must be clearly identified by the CONTRACTOR to the COUNTY. The COUNTY shall make a determination whether the alternate meets the salient characteristics of the specifications. An alternate product will not be considered for any item notated "No Substitute."

C. Unless the CONTRACTOR clearly indicates in its response that it is proposing an alternate product, the response will be considered as offering the same brand name referenced in the specifications. If the CONTRACTOR proposes to furnish an alternate product or service, the brand name of the product or service to be furnished must be clearly identified. A formal submittal for the alternate/shop drawings must be submitted. The evaluation of the alternate and the determination as to acceptability of the alternate product or service will be the responsibility of the COUNTY and will be based upon information furnished by the CONTRACTOR. The COUNTY will not be responsible for locating or securing any information which is not included in the CONTRACTOR's response. To ensure that sufficient information is available, the CONTRACTOR will furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so the COUNTY can make an informed determination whether the product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

6.20 Fees. The following is a list of fees that may be assessed to CONTRACTOR during the term of this Agreement. These fees are assessed to help offset the additional costs associated with the COUNTY'S labor and vehicle usage required for unnecessary inspections or missed appointments. The \$80.00 fee shown below is a re-inspection fee for uncorrected workmanship. The fee will be applied to the third inspection and for any subsequent inspections. Any re-inspection fee charged to the COUNTY by other agencies having jurisdiction over the Service, will additionally be charged back to CONTRACTOR. The fees, if any, will be deducted from the final invoices.

| | |
|--|-------------------------|
| Missing scheduled appointments | \$70.00 each occurrence |
| Failure to respond to emergency calls | \$250.00 per day |
| Late to emergency calls | \$36.00 per hour |

| Failure to provide any and all required documentation or reports | \$75.00 per day |
| Failure to pass all inspecting authority re-inspections (within 30 days of initial inspection) | \$250.00 per day |

Further, the CONTRACTOR hereby certifies that no officer, agent, or employee of the COUNTY has any material interest either directly or indirectly in the business of the CONTRACTOR conducted here and that no such person may have any such interest at any time during the term of this Agreement unless approved by the COUNTY.

Any adjustments or payments which must be made as a result of any such audit or inspection of the CONTRACTOR'S invoices or records must be made within a reasonable amount of time, but in no event may the time exceed ninety (90) calendar days, from presentation of the COUNTY'S audit findings to the CONTRACTOR.

4. Upon completion of this Agreement, transfer, at no cost, to the COUNTY all public records in possession of the CONTRACTOR or keep and maintain public records required by the COUNTY to perform the service. If CONTRACTOR transfers all public records to the COUNTY upon completion of the contract, CONTRACTOR will destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If CONTRACTOR keeps and maintains public records upon completion of the Agreement, CONTRACTOR will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY'S custodian of public records, in a format that is compatible with the information technology systems of the COUNTY.

Unless otherwise specified in the technical specifications, all work performed must be accomplished between the hours of 8:00 A.M. and 5:00 P.M., Monday through Friday, and no work may be performed on Saturdays, Sundays, or County Holidays, unless permission to work has been requested in writing by the CONTRACTOR and approval, in writing, has been granted by the COUNTY. Request for permission to work must be received by the COUNTY no less than two (2) days prior to the requested workday. The exception to this pre-approval requirement would be in the case of an emergency in which the emergency specification as outlined in General Terms and Conditions, Section 3, Emergencies, would apply. County Holidays are as follows: New Year's Day; Martin Luther King, Jr. Day; Presidents' Day; Memorial Day; Independence Day; Labor Day; Veteran's Day; Thanksgiving Day; Day after Thanksgiving; and Christmas Day.

Special schedules may be established, if necessary, because of problems with noise or similar difficulties affecting other COUNTY facilities, COUNTY operations, or citizens in homes or buildings/rooms adjacent to the work being completed. When the CONTRACTOR requests and is approved for Saturday, Sunday or Holiday work, the COUNTY may assess the CONTRACTOR the sum of Two Hundred Fifty and 00/100 Dollars (\$250.00) per COUNTY staff member per day for each Saturday, Sunday or recognized Holiday worked or planned to work. These fees will be deducted from the final invoice.

7.16 Minimum Wage. The wage rate paid to all laborers, mechanics, and apprentices employed by the CONTRACTOR for the work under the Agreement may not be less than the prevailing wage rates for similar classifications of work as established by the Federal government and enforced by the U.S. Department of Labor, Wages and Hours Division, and Florida's Minimum Wage requirements in Article X, Section 24(f) of the Florida Constitution and enforced by the Florida Legislature by statute or the State Agency for Workforce Innovation by rule, whichever is higher.

7.17 Protection of Property. All existing structures, utilities, services, roads, trees, shrubbery and property in which the COUNTY has an interest must be protected against damage or interrupted services at all times by the CONTRACTOR during the term of this contract, and the CONTRACTOR will be held responsible for repairing or replacing damaged property to the satisfaction of the COUNTY which is damaged by reason of the CONTRACTOR'S operation on the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to secure the required services and charge the costs of such services back to the CONTRACTOR. All items damaged as a result of CONTRACTOR or subcontractor operations belonging to third parties, such as, but not limited to: sidewalks, irrigation, curbs, pipes, drains, water mains, pavement, mailboxes, turf, signs, or other property

must either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR's expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY.

Furthermore, the CONTRACTOR shall repair or replace any portion of any of the COUNTY'S facility, whether interior or exterior, damaged by reason of the CONTRACTOR'S operation within the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to secure the required services and charge the costs of such services back to the CONTRACTOR. All items within a facility belonging to third parties, or to commissioners, officers, employees, lessees, invitees, or agents of the COUNTY, including but not limited to personal items and furniture, must either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR'S expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY. The CONTRACTOR shall re-grade and re-sod any areas that are disturbed by the CONTRACTOR during the course of the work being completed.

7.18 Lands for Work and Access Thereto. CONTRACTOR hereby represents to COUNTY that it is fully aware of the limits of land for access to the work site and for the site proper. No storage or equipment shall take place on private property unless the CONTRACTOR has a letter from the landowner authorizing the CONTRACTOR to do so. CONTRACTOR is responsible for obtaining any required temporary use permits prior to utilizing the private property. A copy of the letter shall be provided to the COUNTY. The CONTRACTOR shall supply the Project Manager any such letter before the equipment is placed there. The CONTRACTOR shall obtain from landowner any environmental permits and use permits, as applicable, and supply a copy thereof to the COUNTY.

The CONTRACTOR shall, absent written permission from a private property owner, confine all storage of materials, equipment, and the operations of workers to the project site and land and areas identified in and permitted by the contract documents. The CONTRACTOR shall assume full responsibility for any damage to any such land or area or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the work. At the completion of the work, the CONTRACTOR shall remove all debris, rubbish and waste materials from and about the project site, as well as all tools, appliances, equipment, machinery, and surface materials and shall leave the project site clean. All service and supply operations shall be conducted outside the clear zone unless the CONTRACTOR has proper authorization and traffic control. No supply vehicles shall enter the median for any purpose. No service vehicles shall enter the median except when necessary to repair or remove inoperable equipment.

7.19 Risk of Loss. The CONTRACTOR assumes the risk of loss of damage to the COUNTY'S property during possession of such property by the CONTRACTOR, and until delivery to and acceptance of that property to the COUNTY. The CONTRACTOR shall immediately repair, replace or make good on the loss or damage without cost to the COUNTY, whether the loss or damage results from acts or omissions, negligent or otherwise, of the CONTRACTOR or a third party.

7.20 Accident Notification. If in the course of completing work as part of this Agreement there is any accident, including accidents which involve the public, the CONTRACTOR shall as soon as possible inform the COUNTY of the incident by telephone. The CONTRACTOR shall follow up in writing within two (2) business days of the incident. If law enforcement was involved and has written a report, the CONTRACTOR shall forward a copy of the report to the COUNTY.

7.21 Licenses and Permits. CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the service, unless specifically agreed otherwise in the Scope of Services. The CONTRACTOR shall remain appropriately licensed throughout the course of the Service. If the CONTRACTOR employs the services of a subcontractor, the CONTRACTOR shall ensure that any subcontractor is appropriately licensed throughout the course of the Service. Failure to maintain all required licenses will entitle the COUNTY, at its option, to terminate this Agreement. Damages, penalties, or fines

imposed on the COUNTY or CONTRACTOR for failure to obtain required licenses, permits, inspections, or other fees, or inspections, will be borne by the CONTRACTOR.

7.22 Drawings/Plans. If at any time the CONTRACTOR is supplied by the COUNTY or produces building drawings/documentation for construction or any other purpose, the CONTRACTOR shall not share, distribute, display, or in any other way transmit a copy of these plans without the consent of the COUNTY. If there is a need to allow another individual to view the plans, a written request (email is allowed) shall be submitted to the COUNTY'S Project Manager. A written response (email is allowed) from the COUNTY must be obtained before the plans can be released for viewing.

7.23 Assignment of Agreement. This Agreement may not be assigned except with the written consent of the COUNTY. No such consent will be construed as making the COUNTY a party to the assignment or subjecting the COUNTY to liability of any kind to any assignee. No assignment will under any circumstances relieve the CONTRACTOR of liability and obligations under this Agreement and all transactions with the COUNTY must be through the CONTRACTOR. Additionally, unless otherwise stipulated in this Agreement, the CONTRACTOR shall notify and obtain prior written consent from the COUNTY prior to being acquired or subject to a hostile takeover. Any acquisition or hostile takeover without the prior consent of the COUNTY may result in termination of this Agreement for default.

ARTICLE 8. FEDERAL FUNDING PROVISIONS.

The U.S. Department of Housing and Urban Development (HUD) requires that the following terms and conditions be incorporated in this solicitation and subsequent contract. CONTRACTOR acknowledges and agrees to adhere to the specific requirements of these clauses.

8.1 Equal Employment Opportunity. During the performance of this Agreement, the CONTRACTOR agrees as follows:

A. The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

B. The CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of the CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

C. The CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance

of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the CONTRACTOR'S legal duty to furnish information.

D. The CONTRACTOR will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the CONTRACTOR'S commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the CONTRACTOR'S non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The CONTRACTOR will include the provisions of paragraphs 8.1(A) through (H) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The CONTRACTOR will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided*, however, that in the event the CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States. The CONTRACTOR further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the CONTRACTOR so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The CONTRACTOR agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The CONTRACTOR further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a CONTRACTOR or subcontractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon CONTRACTORS and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the CONTRACTOR agrees that

if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

8.2 Access to Records. The following access to records requirements apply to this Agreement:

A. CONTRACTOR agrees to provide COUNTY, the HUD Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of CONTRACTOR which are directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.

B. CONTRACTOR agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

C. CONTRACTOR agrees to provide the HUD Administrator or their authorized representatives' access to construction or other work sites pertaining to the work being completed under the Agreement.

D. CONTRACTOR agrees to retain records for the longer of the time required by HUD or by the State of Florida, as set forth in the Florida Department of State, Division of Library and Information Services, General Records Schedule GS1-SL, a copy of which can be found at this link: <https://dos.fl.gov/library-archives/records-management/general-records-schedules/>.

8.3 Additional Services. The COUNTY shall perform a cost or price analysis as required by 2 CFR 200.324, prior to the issuance of a contract modification/amendment for Additional Services. Such Additional Services shall be within the general scope of services covered by this Agreement.

8.4 Contract Adjustment. Notwithstanding any other term or condition of this Agreement, any settlement or equitable adjustment due to termination, suspension or delays by the Owner shall be negotiated based on the cost principles stated at 48 CFR Subpart 31.2, and conform to the Agreement pricing provisions of 2 CFR 200.324.

8.5 Requirements for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246). (Applicable to federally assisted construction contracts or subcontracts in excess of \$10,000, per 41 CFR § 60-4.2(d).)

A. The CONTRACTOR'S attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth therein. Prior to issuance of the NTP, **CONTRACTOR must provide to COUNTY a fully executed MBE/WBE Commitment Statement demonstrating the goals and timetables set forth below have been met, a copy of which is included in Exhibit G.**

B. The goals and timetables for minority and female participation, expressed in percentage terms for the CONTRACTOR'S aggregate workforce in each trade on all construction work in the covered area, are as follows:

1. Goals and timetables for minority participation in each trade: 14.9%
2. Goals and timetables for female participation in each trade: 6.9%

AGREEMENT BETWEEN LAKE COUNTY, FLORIDA AND FOR CONSTRUCTION OF ASTOR LIONS PARK IMPROVEMENTS (CDBG FUNDED); ITB #24-524

These goals are applicable to all the CONTRACTOR'S construction work (whether or not it is Federal or Federally assisted) performed in the covered area.

The CONTRACTOR'S compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR Part 60-4, paragraph 3(a), and its efforts to meet the goals established for the geographical area where the contract resulting from this solicitation is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the CONTRACTOR shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from CONTRACTOR to CONTRACTOR or from project to project for the sole purpose of meeting the CONTRACTOR'S goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4.

Compliance with the goals will be measured against the total work hours performed.

C. The CONTRACTOR shall provide written notification to the COUNTY within ten (10) working days of award of any construction subcontract in excess of ten thousand (\$10,000) dollars at any tier of construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the Subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

8.6 Standard Federal Equal Employment Opportunity Construction Contract Specifications (Executive Order 11246). (Applicable to federally assisted construction contracts or subcontracts in excess of \$10,000, per 41 CFR § 60-4.3.)

A. As used in these specifications:

1. "Covered area" means the geographical area described in the solicitation from which this contract resulted;

2. "Director" means Director, Office of Federal Contract Compliance Program, United States Department of Labor, or any person to whom the Director delegates authority;

3. "Employer Identification Number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941.

4. "Minority" includes:

i. Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

ii. Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);

iii. Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, and the Indian Subcontinent, or the Pacific Islands); and

iv. American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable affiliations through membership and participation or community identification).

B. Whenever the CONTRACTOR, or any subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of ten thousand (\$10,000) dollars the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.

C. If the CONTRACTOR is participating (pursuant to 41 CFR Part 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. CONTRACTOR must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each CONTRACTOR or subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO Clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other contractors or subcontractors toward a goal in an approved Plan does not excuse any covered contractor's or subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

D. **The CONTRACTOR shall implement the specific affirmative action standards provided in Section 8.6 (G) paragraphs (1) through (16) of these specifications.** The goals set forth in the solicitation from which this Agreement resulted are expressed as percentages of the total hours of employment and training of minority and female utilization, the CONTRACTOR should reasonably be able to achieve in each construction trade in which it has employees in the covered area. The CONTRACTOR is expected to make substantially uniform progress toward its goals in each craft during the period specified.

E. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the CONTRACTOR has a collective bargaining agreement, to refer either minorities or women shall excuse the CONTRACTOR'S obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.

F. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the CONTRACTOR during the training period, and the CONTRACTOR must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

G. The CONTRACTOR shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the CONTRACTOR'S compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The CONTRACTOR shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

1. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the CONTRACTOR'S employees are assigned to work. The CONTRACTOR where possible, will assign two or more women to each construction project. The CONTRACTOR shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the CONTRACTOR'S obligation to

maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.

2. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the CONTRACTOR or its unions have employment opportunities available, and maintain a record of the organizations' responses.
3. Maintain a current file of names, addresses, and telephone numbers of each minority and female off-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the CONTRACTOR by the union or, if referred, not employed by the CONTRACTOR, this shall be documented in the file with the reason therefor; along with whatever additional actions the CONTRACTOR may have taken.
4. Provide immediate written notification to the Director when the union or unions with which the CONTRACTOR has a collective bargaining agreement has not referred to the CONTRACTOR a minority person or woman sent by the CONTRACTOR, or when the CONTRACTOR has other information that the union referral process has impeded the CONTRACTOR'S efforts to meet its obligations.
5. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the CONTRACTOR'S employment needs, especially those programs funded or approved by the Department of Labor. The CONTRACTOR shall provide notice of these programs to the sources compiled under (G)(2) above.
6. Disseminate the CONTRACTOR'S EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the CONTRACTOR in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.
7. Review, at least annually, the CONTRACTOR'S EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination, or other employment decisions including specific review of these items within-site supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and in disposition of the subject matter.
8. Disseminate the CONTRACTOR'S EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the CONTRACTOR'S EEO policy with other CONTRACTORS and subcontractors with whom the CONTRACTOR does or anticipates doing business.

9. Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the CONTRACTOR'S recruitment area and employment needs. Not later than one (1) month prior to the date for the acceptance of applications for apprenticeship or other training by and recruitment sources, the CONTRACTOR shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

10. Encourage present minority and female employees to recruit other minority persons and women, and where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a CONTRACTOR'S workforce.

11. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

12. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

13. Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the CONTRACTOR'S obligations under these specifications are being carried out.

14. Ensure that all facilities and company activities are non-segregated except that separate or single-user toilets and necessary changing facilities shall be provided to assure privacy between the sexes.

15. Document and maintain a record of all solicitation of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

16. Conduct a review, at least annually, of all supervisors' adherence to and performance under the CONTRACTOR'S EEO policies and affirmative action obligations.

H. Contractors are encouraged to participate in voluntary associations, which assist in fulfilling one or more of their affirmative action obligations for Section 8.6 (G) paragraphs (1) through (16). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the CONTRACTOR is a member and participant, may be asserted as fulfilling any one or more of its obligations under Section 8.6 (G) paragraphs (1) through (16) of these specifications provided that the CONTRACTOR actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the CONTRACTOR'S minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the CONTRACTOR. The obligation to comply, however, is the CONTRACTOR'S and failure of such a group to fulfill an obligation shall not be a defense for the CONTRACTOR'S noncompliance.

I. A single goal for minorities and a separate single goal for women have been established. The CONTRACTOR, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and

nonminority. Consequently, the CONTRACTOR may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the CONTRACTOR has achieved its goals for women generally, the CONTRACTOR may be in violation of the Executive Order if a specific minority group of women is underutilized).

J. The CONTRACTOR shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

K. The CONTRACTOR shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

L. The CONTRACTOR shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination, and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246 as amended, and its implementing regulations by the Office of Federal Contract Compliance Programs. Any CONTRACTOR who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246 as amended.

M. The CONTRACTOR, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph (G) of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the CONTRACTOR fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR Part 60-4-8.

N. The CONTRACTOR shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation, if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

O. Nothing herein provided shall be construed as a limitation upon the application of other laws, which establish different standards of compliance or upon the application or requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

8.7 Federal Labor Standards Provisions. (Davis-Bacon Act, Copeland Act, and Contract Work Hours & Safety Standards Act). The Project to which the construction work covered by this Agreement pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Agreement pursuant to the provisions applicable to such Federal assistance.

8.8 Copeland Anti-Kickback Act and Davis Bacon Act.

A. All transactions regarding this Agreement shall be done in compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) and the requirements of 29 CFR Part 5, as may be applicable. The CONTRACTOR shall comply with 40 U.S.C. 3141-3144 and 3146-3148 and the requirements of 29 CFR Part 5, as applicable. CONTRACTOR shall pay wages to laborers and mechanics

at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. Additionally, CONTRACTORS are required to pay wages not less than once a week. The CONTRACTOR must include the provisions of 29 CFR Part 5.5(a)(1)-(10) in full in any subcontracts entered into for the completion of this agreement.

B. The CONTRACTOR shall comply with 18 U.S.C. 874, 40 U.S.C. 3145, and the requirements of 29 CFR Part 3 as may be applicable, which are incorporated by reference into this Agreement. The CONTRACTOR or subcontractor shall insert in any subcontracts the clause above and such other clauses as the Federal awarding agency may, by appropriate instruction require, and also a clause requiring subcontractors to include these clauses in any lower tier subcontracts. CONTRACTOR shall be responsible for compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 CFR 5.12.

8.9 Davis Bacon and Related Acts Provisions, 29 CFR § 5.5(a). The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. Minimum wages.

1. All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the CONTRACTOR and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. **The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the CONTRACTOR and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.** A copy of the Davis-Bacon Poster and Davis-Bacon Wage determination are included as Exhibits H and I.

2. **Additional Classifications.**

i. Any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

a. The work to be performed by the classification requested is not performed by a classification in the wage determination; and

b. The classification is utilized in the area by the construction industry; and

c. The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

ii. If the CONTRACTOR and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD, or its designee, agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within (30) days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215- 0140.)

iii. In the event the CONTRACTOR, the laborers or mechanics to be employed in the classification or their representatives, and HUD, or its designee, do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD, or its designee, shall refer the questions, including the views of all interested parties and the recommendation of the HUD, or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within thirty (30) days of receipt and so advise the contracting officer or will notify HUD, or its designee, within the 30-day period that additional time is necessary.

iv. (iv) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

3. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the CONTRACTOR shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

4. If the CONTRACTOR does not make payments to a trustee or other third person, the CONTRACTOR may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the CONTRACTOR,

that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the CONTRACTOR to set aside in a separate account assets for the meeting of obligations under the plan or program.

B. Withholding. HUD, or its designee, shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the CONTRACTOR under this contract or any other Federal contract with the same prime CONTRACTOR, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime CONTRACTOR, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the CONTRACTOR or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, HUD, or its designee, may, after written notice to the CONTRACTOR, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the CONTRACTOR, disburse such amounts withheld for and on account of the CONTRACTOR or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

C. Payrolls and basic records.

1. Payrolls and basic records relating thereto shall be maintained by the CONTRACTOR during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the CONTRACTOR shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. CONTRACTORS employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

2. The CONTRACTOR shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the COUNTY for submittal to HUD. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead, the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division

Web site at <https://www.dol.gov/agencies/whd/forms/wh347> or its successor site. A copy of the required payroll form has been included as **Exhibit J**. The prime CONTRACTOR is responsible for the submission of copies of payrolls by all subcontractors. CONTRACTORS and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD, or its designee, if the agency is a party to the contract, but if the agency is not such a party, the CONTRACTOR will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to the HUD, or its designee, the CONTRACTOR, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime CONTRACTOR to require a subcontractor to provide addresses and social security numbers to the prime CONTRACTOR for its own records, without weekly submission to HUD, or its designee.

3. Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the CONTRACTOR or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and **shall certify the following:**

i. That the payroll for the payroll period contains the information required to be provided under § 5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under § 5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

ii. That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

iii. That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

4. The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section. (See **Exhibit J**.)

5. The falsification of any of the above certifications may subject the CONTRACTOR or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

6. The CONTRACTOR or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives HUD, or its designee, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the CONTRACTOR or subcontractor fails to submit the required records or to make them available, HUD, or its designee, may, after written notice to the CONTRACTOR, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

D. Apprentices and trainees

1. Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first ninety (90) days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the CONTRACTOR as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a CONTRACTOR is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the CONTRACTOR'S or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the CONTRACTOR will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

2. Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered

program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the CONTRACTOR will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

3. Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

B. Compliance with Copeland Act requirements. The CONTRACTOR shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

C. Subcontracts. The CONTRACTOR or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Department of Housing and Urban Development may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime CONTRACTOR shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

D. Contract termination: debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the Agreement, and for debarment as a CONTRACTOR and a subcontractor as provided in 29 CFR 5.12.

E. Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this Agreement.

F. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this Agreement shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the CONTRACTOR (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

G. Certification of eligibility.

1. By entering into this Agreement, the CONTRACTOR certifies that neither it (nor he/she/they) nor any person or firm who has an interest in the CONTRACTOR'S firm is a person or firm ineligible to be awarded HUD contracts or participate in HUD programs by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR .5.12(a)(1) or be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

2. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

3. The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . .

influencing in any way the action of such Administration.... makes, utters or publishes any statement knowing the same to be false.... shall be fined not more than \$5,000 or imprisoned not more than two years, or both.”

H. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Agreement are applicable shall be discharged or in any other manner discriminated against by the CONTRACTOR or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Agreement to their employer.

8.10 Contract Work Hours and Safety Standards Act (CWHSSA) Provisions, 29 CFR § 5.5(b).

A. Overtime requirements. No CONTRACTOR or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty (40) hours in such workweek.

B. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the CONTRACTOR and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such CONTRACTOR and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty (40) hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

C. Withholding for unpaid wages and liquidated damages. The COUNTY shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the CONTRACTOR or subcontractor under any such contract or any other Federal contract with the same prime CONTRACTOR, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime CONTRACTOR, such sums as may be determined to be necessary to satisfy any liabilities of such CONTRACTOR or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

D. Subcontracts. The CONTRACTOR or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime CONTRACTOR shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

8.11 Health and Safety. The provisions of this section are applicable where the amount of the prime contract exceeds \$100,000.

A. No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

B. The CONTRACTOR shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91- 54, 83 Stat 96). 40 U.S.C. 3701 et seq.

C. The CONTRACTOR shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The CONTRACTOR shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

8.12 Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et. seq.). The CONTRACTOR, if the contract is in excess of \$2,000, and any of his subcontractors, shall comply with Section 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations contained in 29 CFR Part 5.

Under Section 103 of the Act, the CONTRACTOR and any of their subcontractors, shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of forty (40) hours. Work in excess of the standard work week is permissible, provided the worker is compensated at a rate not less than one and one-half (1 ½) times the basic rate of pay for all hours worked in excess of forty (40) hours in any week. Section 5 of the Federal Labor Standards Provisions, as shown in below sets forth in detail the Section 103 requirements.

Section 107 of the Act provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to his health and safety, as determined under construction, safety and health standards promulgated by the Secretary of Labor.

These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market.

8.13 Clean Air and Clean Water Acts.

A. Clean Air Act. This Agreement is subject to the requirements of the Clean Air Act, as amended, 42 U.S.C. 1857 et. seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended from time to time.

The CONTRACTOR and any of its subcontractors for work funded under the Agreement which is in excess of one-hundred thousand (\$100,000) dollars agree to the following requirements:

1. A stipulation by the CONTRACTOR or subcontractors that any facility to be utilized in the performance of any nonexempt contract or subcontract is not listed on the List of Violating Facilities issued by the Environmental Protection Agency (EPA) pursuant to 40 CFR Part 15.20.
2. Agreement by the CONTRACTOR to comply with all the requirements of Section 114 of the Clean Air Act, as amended (42 U.S.C. 1857c-8) and (33 U.S.C. 1318) relating to the inspection, monitoring, entry reports and information as well as all other requirements specified in said Section 114 and Section 308, and all regulations, and guidelines issued thereunder.
3. 4. Agreement by the CONTRACTOR that he/she will include or cause to be included the criteria and requirements in paragraph (1) through (4) of this section in every nonexempt subcontract and requiring that the CONTRACTOR will take such action as the Government may direct as a means of enforcing such provision.

B. Federal Water Pollution Control Act. The CONTRACTOR shall comply with all applicable standards, orders, and regulations issued pursuant to the Federal Water Pollution Control Act, 33 U.S.C., Section 1251, *et seq.* The CONTRACTOR shall report each violation to the COUNTY, which will report each violation as required to HUD and the appropriate EPA Regional Office. The CONTRACTOR shall include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by HUD under this Agreement.

C. In no event shall any amount of the assistance provided under this Agreement be utilized with respect to a facility which has given rise to a conviction under Section 113(c)(1) of the Clean Air Act or Section 309(c) of the Federal Water Pollution Control Act.

8.14 Energy Conservation Provisions. CONTRACTORS must recognize mandatory standards and policies relating to energy efficiency contained in the Cost-Effective Energy Conservation Measures.

8.15 Debarment and Suspension. A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR.180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Use www.SAM.gov. CONTRACTOR'S certification regarding debarment, suspension, ineligibility, and voluntary exclusion is a material representation upon which the contract award is based.

A. This Agreement is a covered transaction for purposes of 2 CFR pt. 180 and 2 CFR pt. 3000. As such the CONTRACTOR is required to verify that none of the CONTRACTOR, its principals (defined at 2 CFR § 180.995), or its affiliates (defined at 2 CFR § 180.905) are excluded (defined at 2 CFR § 180.940) or disqualified (defined at 2 CFR § 180.935).

B. The CONTRACTOR must comply with 2 CFR pt. 180, subpart C and 2 CFR pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

C. This certification is a material representation of fact relied upon by the COUNTY. If it is later determined that the CONTRACTOR did not comply with 2 CFR pt. 180, subpart C and 2 CFR pt. 3000, subpart C, in addition to remedies available to the State of Florida and, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

D. The CONTRACTOR agrees to comply with the requirements of 2 CFR pt. 180, subpart C and 2 CFR pt. 3000, subpart C, while this offer is valid and throughout the period of any contract that may arise from this offer. The CONTRACTOR further agrees to include a provision requiring such compliance in its lower tier covered transactions.

8.16 Byrd Anti-Lobbying Amendment. CONTRACTOR has executed the certification regarding lobbying, and such is considered attached to and incorporated within this Agreement. CONTRACTORS who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or

organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. Section 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

8.17 Procurement of Recovered Materials. In performance of this Agreement, the CONTRACTOR shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired: (a) Competitively within a timeframe providing for compliance with the contract performance schedule; (b) Meeting contract performance requirements; or (c) At a reasonable price. Information about this requirement and the list of EPA designated items is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program#products>. The CONTRACTOR also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

C. Exceptions.

1. This clause does not prohibit CONTRACTOR from providing:
 - i. A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
 - ii. Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

D. Reporting requirement.

1. In the event the CONTRACTOR identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the CONTRACTOR is notified of such by a subcontractor at any tier or by any other source, the CONTRACTOR shall report the information in paragraph D.2 of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.
2. The CONTRACTOR shall report the following information pursuant to paragraph D.1 of this clause:

In addition, the CONTRACTOR shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

E. Subcontracts. The CONTRACTOR shall insert the substance of this clause, including this paragraph E, in all subcontracts and other contractual instruments.

8.19 Domestic Preferences for Procurements. As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including, but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this section: (1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. (2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

8.20 2 CFR 200.471 Telecommunication costs and video surveillance costs. Costs incurred for telecommunications and video surveillance services or equipment such as phones, internet, video surveillance, cloud servers are allowable except for the following circumstances: Obligor or expending covered telecommunications and video surveillance services or equipment or services as described in § 200.216 to: (1) Procure or obtain, extend or renew a contract to procure or obtain; (2) Enter into a contract (or extend or renew a contract) to procure; or (3) Obtain the equipment, services, or systems.

The Act establishes domestic content procurement preference for infrastructure projects. (1) All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. (2) All manufactured products used in the project are produced in the United States. This means the manufactured product was manufactured in the United States, and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than fifty-five percent (55%) of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.

8.22 Federal Participation. The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

8.23 Compliance with Federal Law, Regulations, and Executive Orders. The CONTRACTOR will comply with all applicable federal law, regulations, executive orders, HUD policies, procedures, and directives.

8.24 HUD Agency Seal, Logo, and Flags. The CONTRACTOR shall not use the HUD's seal(s), logos, crests, or reproductions of flags or likenesses of agency officials without specific HUD preapproval.

Exhibit I - Basketball Goals

Pole shall be constructed of 5 9/16" outside diameter schedule 40 structural pipe and have a hot dipped galvanized finish. Design shall be a bent gooseneck style and allow for a 48" bury into the ground and a 72" extension from the front of the pole to the face of the backboard. Two 1 5/8" diameter, 13 ga. flow coated galvanized tubular braces shall support the top of the backboard and connect directly to the pole. Pole shall be designed so that the rim mounts directly to the horizontal pole section through the backboard to eliminate stress on the backboard during play. Pole systems without backboard support braces shall not be considered equal. Pole shall carry a limited lifetime warranty. Backboard shall be 42" x 72" and constructed of 1/2" clear unbreakable polycarbonate with a limited lifetime warranty. Polycarbonate shall be framed with aluminum extrusions with 7 ga. steel corner brackets and have a white border and shooters square. A tubular sub-frame shall be mounted to the rear of the backboard to provide support at the rim mounting location and provide threaded inserts for brace attachment on gooseneck playground systems. Backboard shall accept rims with 5" x 4" mounting pattern. Backboard shall carry a lifetime limited warranty. Rim shall be of a flexible type so as to absorb the player contact. Spring action shall be provided by a compression spring. Rim shall have a one-piece continuous wire net attachment system to accept nylon net (included). The rim shall be of an institutional quality with all structural components being no less than 3/16" thick. The ring shall be an official size 5/8" AISI 1018 cold drawn carbon steel and be supported by a 3/16" x 1 1/2" rim support that is welded around 180° of the bottom of the ring. A steel coverplate must enclose all internal mechanism. Rim shall be punched to mount on any front mount backboard, have a 1-year limited warranty and an orange powder coated finish. Mounting hardware shall be included. Rim shall be made in the USA. Installation to be completed in accordance with manufacturer's instructions. Do not scale drawings. WORKER RIGHTS

UNDER THE DAVIS-BACON ACT

FOR LABORERS AND MECHANICS WORKING ON FEDERAL OR FEDERALLY ASSISTED CONSTRUCTION PROJECTS

The law requires employers to display this poster where employees can readily see it.

PREVAILING WAGES

You must be paid not less than the wage rate listed in the Davis-Bacon Wage Decision posted with this Notice for the work you perform.

OVERTIME

You must be paid not less than one and one-half times your basic rate of pay for all hours worked over 40 in a work week. There are few exceptions.

ENFORCEMENT

Contract payments can be withheld to ensure workers receive wages and overtime pay due, and liquidated damages may apply if overtime pay requirements are not met. Davis-Bacon contract clauses allow contract termination and debarment of contractors from future federal contracts for three years. A contractor who falsifies certified payroll records or induces wage kickbacks may be subject to civil or criminal prosecution, fines and/or imprisonment.

APPRENTICES

Apprentice rates apply only to apprentices properly registered under approved Federal or State apprenticeship programs.

RETALIATION

The law prohibits discharging or otherwise retaliating against workers for filing a complaint, cooperating in an investigation, or testifying in a proceeding under the Davis-Bacon and Related Acts.

PROPER PAY

If you do not receive proper pay, or require further information on the applicable wages, contact the Contracting Officer listed below:

** Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.20) or 13658 (\$12.90). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "Identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
