Section 3 Business Certification

- To be completed by the business claiming Section 3 business status.

Business being certified:

All contracts and subcontracts awarded on Section 3 covered projects must be reported in aggregate on the Section 3 Summary Report. For all businesses reported as being Section 3 Businesses, documentation of their status must be retained in the project files.

Projects that receive \$200,000 or more in HUD funds are "Section 3 projects". Contractors are required to report on all contracts they make both with Section 3 Businesses and with businesses that are not Section 3 Businesses.

This form is a tool to determine and document the Section 3 Business status. Documentation of the status of Section 3 Businesses should be retained in the project files.
