## FEMA RELATED CONTRACT CLAUSES

The work under this Agreement may be funded in whole or in part by funds provided by a federal grant, including funding from Federal Emergency Management Agency (FEMA). Contractor agrees to comply with any additional specific requirements of a Federal Awarding Agency, such as FEMA, at the time a federal funding source is identified. The following contract provisions are required by Appendix II to 2 CFR, Part 200 (“Uniform Guidance”). During the performance of this contract, the Contractor agrees to comply to the terms below, as may be updated from time to time by the Federal Awarding Agency.

### A. FEDERAL PARTICIPATION

The Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from this Agreement.

### B. DAVIS BACON ACT & COPELAND ANTI-KICKBACK ACT COMPLIANCE

(FEMA Funded contracts and subcontracts for construction work over \$2,000.00 for construction funded under FEMA’s Emergency Management Performance Grant (EMPG), Homeland Security Grant Program (HSGP), Non-Profit Security Grant Program (NSGP), Tribal Homeland Security Grant Program (THSGP), Port Security Grant Program (PSGP), Transit Security Grant Program (TSGP), Intercity Passenger Rail – Amtrack Program (IPR), and Rehabilitation of High Hazard Potential Dam (HHPD) programs).

(1) **Davis-Bacon Act.** If required by a Federal Awarding Agency, Contractor agrees to comply with the requirements of 40 U.S.C. 3141–3144, and 3146–3148, as supplemented by Department of Labor regulations (29 CFR Part 5, “**Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction**”). If applicable, contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. A copy of the current prevailing wage determination issued by the Department of Labor will be provided for in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

**In the event work under this Agreement is covered by Davis-Bacon, Contractor agrees to enter into an amendment including the provisions of 29 CFR 5.5(a)(1)-(11) in full before covered work begins. Further, Contractor agrees to incorporate the provisions of 29 CFR 5.5(a)(1)-(11) in full into any subcontracts entered for the futherance of the work.**

(2) **Copeland “Anti-Kickback” Act.** If required by a Federal Awarding Agency, Contractor agrees to comply with the **Copeland “Anti-Kickback” Act** (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). Contractor is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The Contractor and the County must report all suspected or reported violations to the Federal awarding agency.

### C. COMPLIANCE WITH THE CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (29 CFR 5.5(b))

(Federally funded contracts and subcontracts over \$100,000 utilizing mechanics or laborers; the terms “laborers and mechanics includes watchpersons and guards.”)

## FEMA RELATED CONTRACT CLAUSES

(1) **Overtime requirements.** No Contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in paragraph (1) of this section the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$33.00 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) **Withholding for unpaid wages and liquidated damages.**

a. **Withholding Process.** The County may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for any unpaid wages; monetary relief, including interest; and liquidated damages required by the clauses set forth in this Section, any other Federal contract with the same prime contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act that is held by the same prime contractor (as defined in [§ 5.2](#)). The necessary funds may be withheld from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to the Contract Work Hours and Safety Standards Act and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld.

b. **Priority to withheld funds.** The Department has priority to funds withheld or to be withheld in accordance with 29 CFR 5.5(a)(2)(i) or 29 CFR 5.5(b)(3)(i) of this section, or both, over claims to those funds by: (A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties; (B) A contracting agency for its procurement costs; (C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate; (D) A contractor's assignee(s); (E) A contractor's successor(s); or (F) A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901-3907.

(4) **Subcontracts.** The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (5) of this Section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (5) of this section. In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and associated liquidated damages and may be subject to debarment, as appropriate.

c. Cooperating in any investigation or other compliance action, or testifying in any proceeding under CWHSSA or this part; or

d. Informing any other person about their rights under CWHSSA or this part.

(6) **CWHSSA Records Retention.** In the event that a contract is subject only to CWHSSA and not Davis-Bacon, Contractor and its subcontractors must retain regular payrolls and other basic records during the course of the work and must preserve them for a period of three (3) years after all the work on the prime contract is completed for all laborers and mechanics, including guards and watchpersons, working on the contract. Such records must contain the name; last known address, telephone number, and email address; and social security number of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid; daily and weekly number of hours actually worked; deductions made; and actual wages paid. Further, the records to be maintained under this paragraph must be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the County, FEMA, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview workers during working hours on the job.

(2) For the purposes of this section: “Produced in the United States” means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. “Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

### M. BUILD AMERICA, BUY AMERICA ACT (BABAA)

The BABAA domestic preference requirements are applicable to infrastructure projects funded under subject FEMA financial assistance program awards issued on or after January 2, 2023, as well as new funding FEMA obligates to existing awards or through renewal awards where the new funding is obligated on or after January 2, 2023. For a list of FEMA programs for which BABAA applies, see [Programs and Definitions: Build America, Buy America Act | FEMA.gov](https://www.fema.gov/grants/policy-guidance/buy-america/programs-definitions#subject) (<https://www.fema.gov/grants/policy-guidance/buy-america/programs-definitions#subject>).

L. 117-58 §§ 70901-52, no federal financial assistance funding for infrastructure projects will be used unless all the iron, steel, manufactured projects, and construction materials used in the project are produced in the United States.

(2) Contractors and their subcontractors who apply or bid for an award for an infrastructure project subject to the domestic preference requirement in the Build America, Buy America Act shall file the required certification to County with each bid or offer for an infrastructure project, unless a domestic preference requirement is waived by FEMA. Contractors and subcontractors certify that no federal financial assistance funding for infrastructure projects will be provided unless all the iron, steel, manufactured projects, and construction materials used in the project are produced in the United States. BABAA, Pub. L. No. 117-58, §§ 70901-52. Contractors and subcontractors shall also disclose any use of federal financial assistance for infrastructure projects that does not ensure compliance with BABAA domestic preference requirements. Such disclosures shall be forwarded to the recipient who, in turn, will forward the disclosures to FEMA, the federal agency; subrecipients will forward disclosures to the pass-through entity, who will, in turn, forward the disclosures to FEMA.

(3) For FEMA financial assistance programs subject to BABAA, contractors and subcontractors must sign and submit the following certification to the next tier (e.g., subcontractors submit to the contractor;

2. All manufactured products purchased with FEMA financial assistance must be produced in the United States. For a manufactured product to be considered produced in the United States, the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55% of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.

3. All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

The Contractor, \_\_\_\_\_, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.
