# Play King

5-12 ages

MODEL NUMBER: PGB-36179

The Play King is the reigning champion of commercial playgrounds! This colossal playground is the pinnacle of excitement and innovation, created to elevate the commercial playground experience for children. At the core of Play King's majesty are two Triple Sectional Slides – one tall and one short, ensuring children of all ages can enjoy the thrill of the descent. Adding to the excitement is the iconic Spiral Slide, a swirling masterpiece that ignites young imaginations and keeps them coming back for more. Several climbers challenge children's physical prowess, fostering growth and development. For those looking to explore, a crawl tunnel and bridges invite young adventurers to navigate their way through this commercial playground paradise. Ground-level play options offer diverse activities that cater to every child's interests.
