Vendors are responsible for the receiving and acknowledging all solicitation addenda. An electronically signed copy of each addendum must be submitted along with the solicitation response. Failure to acknowledge any addendum may result in the submission being disqualified from award consideration.

QUESTIONS/RESPONSES

- Q1. Are we allowed to change pricing during the year if we have a manufacturer price increase? Pharmaceuticals are a very volatile market and can change daily, and the manufacturer determines the pricing.
- R. See bottom of pricing sheet. Due to the fluidity of the market, it is understood that vendors cannot lock in product pricing. The product manufacturer determines and establishes the product price. As such, vendors may increase pricing at any time under contract, in proportion to any manufacturer's price increase. Price redetermination requests must clearly substantiate the requested increase. The County will quote out requests for current pricing.
- Q2. Is Docusign an acceptable form of signature?
- R. Yes, a digital signature provided on a hard copy is acceptable.
- Q3. If there are terms and conditions we cannot agree to, can we submit these without submission.
- R. Changes to the General Terms and Conditions will not be considered.
- Q4. Do we have to bid on all items to be considered?
- R. See bid document's Method of Award. The County reserves the right to make awards on the basis of lowest price by individual item, group of items, all items collectively, or a combination thereof; award to one or more vendors; reject any or all offers; waive any irregularities or technicalities in submitted responses.
- Q5. Are we required to list Lake County as additionally insured?
- R. Yes. See Exhibit B, Insurance Requirements. The County must be listed as additionally insured. Also, a waiver of subrogation in favor of the County is a requirement.
- Q6. If a third party is delivering, is auto and worker's comp insurance required?
- R. No. See Exhibit B, Insurance Requirements. Auto and Worker's Compensation is not listed as a requirement.
- Q7. Line # 1-1450 list NDC 69547-353-052 with NO SUB but this NDC# is being discontinued and replaced by 69547-627-02. Will this be accepted on the bid?

R. Yes, it is the same item only the NDC# is changing. Currently we have NDC 45802-578-84 (dosage is the same), the manufacturer is Padagis.

Q8. Line 1 uses an item number 0409-9094-22 which seems to be an NDC # for Fentanyl not Haloperidol. Can you please clarify the information for this line?

R. The number that we have for this is: NDC 67457-426-12. The current manufacturer is Mylan.

Q9. Line 15 - Will vials be acceptable packaging for this product instead of ampules?

R. No.

Q 10. Since PPI is a market-wide average with undoubtably items experiencing much higher and lower price changes than that average, can Lake County consider price redetermination higher and/or lower than PPI on an individual item basis?

R. See Question 1 response.

Q11. During price redetermination will the county allow removal of items from the contract if the resulting price redetermination cannot be honored by the bidder?

R. It will not be removed. The County will consider line item pricing prior to each order.

Q12. If a significant price change occurs, will the county allow price redetermination outside of "within 30 calendar days of the anniversary date of the Contract"?

S. See Question 1 response.

Q13. Are the quantities listed based on recent actual annual usage history?

R. Yes.

Q14. Was the prior award of this contract to multiple vendors?

R. Yes. Award of contract(s) under this solicitation will be made to the lowest responsive and responsible vendor(s) on the basis of lowest price by individual item, group of items, all items collectively, or a combination thereof; award to one or more vendors; reject any and all offers; waive any minor irregularities or technicalities in submitted response.

QUESTIONS/RESPONSES

- Q15. On the bottom of the pricing sheet it states, “The following information is required for price redetermination consideration”. It seems like a carryover from a different type of bid rather than something relevant for medical supplies purchasing
- A. It is acceptable for vendors to leave this area blank when submitting a bid.
- Q16. The tranexamic acid listed in the no substitution section has the manufacturer listed as Eugia with no NDC# listed. Will tranexamic acid injection 100mg/mL SDV 10mL/package #25021041510 be an acceptable alternative?

The Vendor awarded a Contract shall act as the Prime Contractor and will assume full responsibility for the successful performance under the Contract. The Awarded Vendor (Contractor) will be considered the sole point of contact regarding meeting all requirements of the Contract. All subcontractors may be subject to advance review by the County regarding competency and security concerns. No change in subcontractors may be made without the consent of the County after the award of the Contract. Contractor will be responsible for all insurance, permits, licenses, and related matters for any and all subcontractors. GENERAL CONTRACT CONDITIONS

The Contract will be binding upon and will inure to the benefit of each of the parties and respective successors and permitted assigns. The Contract may not be amended, released, discharged, rescinded or abandoned, except by a written instrument duly executed by the parties. The failure of any party at any time to enforce any of the provisions of the Contract will in no way constitute or be construed as a waiver of such provision or of any other provision of the Contract, nor in any way affect the validity of, or the right to enforce, each and every provision of the Contract. Any dispute arising during Contract performance that is not readily rectified by coordination between the Contractor and the County user department will be referred to Procurement Services.

GOVERNING LAW

The interpretation, effect, and validity of any contract will be governed by the laws and regulations of the State of Florida, and Lake County, Florida. Venue of any court action will be solely in Lake County, Florida. The Contractor hereby waives its right to a jury trial.

In no case will the County be liable for billings in excess of the quantity of goods or services provided under the Contract.

Purchases are governed by the Contract's terms and conditions except for the change in agency name. Each agency will be responsible and liable for its own purchases for materials or services received.

CONTINUATION OF WORK

Any work that commences prior to, and will extend, beyond the expiration date of any Contract period must, unless terminated by mutual written agreement between the County and the Contractor, continue until completion without change to the then current prices, terms and conditions.

WARRANTY

All warranties express and implied, must be made available to the County for goods and services covered by a solicitation. All goods furnished must be fully guaranteed by the Contractor against factory defects and workmanship. They will be covered by the most favorable commercial warranty given for comparable quantities of products or services and the rights and remedies provided in the Contract will be in addition to the warranty and do not limit any right afforded to the County by any other provision of a solicitation. Contractor shall correct any and all apparent and latent defects that may occur within the manufacturer's standard warranty period at no expense to the County. The special conditions of a solicitation may supersede the manufacturer's standard warranty.

LAKE COUNTY, FLORIDA – GENERAL TERMS AND CONDITIONS

must be made within seven (7) calendar days after such rejected defects, deficiencies, or non-conformances are verbally reported to the Contractor by the County's project administrator. Contractor must bear all costs of correcting such rejected work. If the Contractor fails to correct the work within the period specified, the County may, at its discretion, notify the Contractor, in writing, that the Contractor is subject to contractual default provisions if the corrections are not completed to the satisfaction of the County within seven (7) calendar days of receipt of the notice. If the Contractor fails to correct the work within the period specified in the notice, the County may place the Contractor in default, obtain the services of another Contractor to correct the deficiencies, and charge the incumbent Contractor for these costs, either through a deduction from the final payment owed to the Contractor or through invoicing. If the Contractor fails to honor this invoice or credit memo, the County may terminate the contract for default.

COUNTY IS TAX-EXEMPT

When purchasing on a direct basis, the County is generally exempt from Federal Excise Taxes and all State of Florida sales and use taxes (85-8013874700C-1). Visit [Lake County Tax Exemption Certificate page](#) to print a copy of the certificate.
