QUESTIONS/RESPONSES

Q1. I see that a liftgate truck is required due to a forklift not being on the property and that there will not be any County staff available to assist in off-loading. I'm curious if a Moffett trailer would be an acceptable form of delivery also. The Moffett trailer is a flat bed trailer with a forklift attached – we would still do all of the unloading for them upon arrival.

R1. Yes, a Moffett trailer would be acceptable.

Q2. For this RFQ, is the County buying all of these at one time? What was the last price paid when the product was purchased?

R.2 Yes, all of these will be purchased at one time. No previous RFQ's completed for this purchase.
