

- copper & 3M fiber to Water Lab
- 25 pair copper (abandoned)
- 24 count fiber to Hazmat
- Century Link & Summit
- 24 count fiber to Sign Shop & old Animal Shelter
- copper & MM fiber
- copper & fiber to Scale House

Re-Direct the Green 24 Count to line up with the ORANGE CenturyLink & Summit The new path is PINK Dotted Line

Proposed to set two Hand holes and capture the existing 24ct fiber. Dig back pull up 25' of slack create on both ends blunt splice 24 to 24. Placement of new 2" conduit into new proposed hand holes and splice into proposed fiber.
