GROUP B - NON-WARRANTY MAINTENANCE SERVICE

Contractor(s) shall be required to submit an estimate on each project reflecting the regular hourly wages for each classification represented and the percentage discounts for materials and equipment quoted. The estimate shall be itemized by the number of work hours per classification, and by the cost of materials and equipment. Lump sum estimates shall not be accepted. County will not accept nor authorize payment for travel time or expenses of service personnel to any County facility locations. The hourly rate must commence on the job site. Billable time will be for service work performed.
