

Scope of Work

The contractor shall provide a quote for purchasing four (4) radar speed feedback signs with a year of free cloud service for each sign. The County shall decide after the year is up whether to purchase additional cloud service. If the cloud service is discontinued, the signs shall have the ability to be converted to or be Wi-Fi enabled for data download. Please provide the per item cost to purchase a total of 4 units. If the product you sell is only Bluetooth enabled, then enter zero (0) for this line item.
