- C. Contents of Solicitation and Vendors' Responsibilities: The Vendor shall be thoroughly familiar with the requirements of this solicitation. Ignorance of these matters by the Vendor will not be accepted as a basis for varying the requirements of the County, or the compensation to be paid.
- E. Restricted Discussions: From the date of solicitation issuance until final County action, Vendors will not discuss any part of the solicitation with any employee, agent, or other representative of the County except as expressly authorized by the designated procurement representative. The only communications that will be considered pertinent to a solicitation are appropriately signed written documents from the Vendor to the designated procurement representative and any relevant written document promulgated by the designated procurement representative.
- F. Changes to Proposal: Prior to the scheduled due date, a Vendor may change its Proposal by submitting a new proposal with a letter on the firm's letterhead, signed by an authorized agent stating that the new submittal replaces the original. The new submittal must contain the letter and all information as required in the solicitation.
- G. Withdrawal of Proposal: A Proposal will be irrevocable unless it is withdrawn as provided in a solicitation. A Proposal may be withdrawn, either physically or by written notice, at any time prior to solicitation award. If withdrawn by written notice, that notice must be addressed to, and received

Prompt Payment Terms: Payment for all purchases by County agencies will be made in a timely manner and interest payments will be made on late payments in accordance with Part VII, Chapter 218, Florida Statutes, known as the Florida Prompt Payment Act. The Vendor may offer cash discounts for prompt payments; however, such discounts will not be considered in determining the lowest price during Proposal evaluation.

The affected employee shall disclose the employee's assigned function within the County and interest or the interest of his or her immediate family in the proposed contract and the nature of the intended contract.

BLUE CREEK RUN

The 4-mile Blue Creek Run (8 miles roundtrip) leads paddlers from the community of Astor to the St. Johns River. Blue Creek is known for its diverse wildlife, including a large population of alligators. Evening boaters have been known to spot as many as a dozen gators along the creek bed.

Astor is known for its quaint-style of living with family-owned restaurants and small

vacation homes. Once a bustling commercial center on the St. Johns River, citrus from Lake County groves was sent to Astor by rail and then shipped to Jacksonville by steamboats. According to Emmett Peter Jr., author of *Lake County, Florida: A Pictorial History*, Astor is surrounded by the Ocala National Forest, where man coexists with the black bear, the osprey and the majestic eagle, a world "Created by God and not yet spoiled by man."

GOLDEN TRIANGLE RUN

Named after the three municipalities forming the Golden Triangle — Mount Dora, Tavares and Eustis — this peaceful area of Lake County

is rich in history. Early residents were attracted to the central area of Lake County because of its high elevation, sparkling lakes and majestic oak groves. All three Golden Triangle cities feature

quaint downtowns where boutiques and restaurants abound.

A must see of the Golden Triangle Run is the Dora Canal. Connecting the lakes of Dora and Eustis, the canal is the most well-known waterway in

Lake County. A leading sports writer in the 1930s penned it as "the most beautiful mile of water in the world." Lined with towering cypress trees draped with Spanish moss, the Dora Canal is a safe haven for nesting ospreys, herons, egrets and river otters.

HELENA RUN

With an entry point at the City of Leesburg's Singletary Park, Helena Run skirts the west side of Lake Harris before entering Helena Run,

which this Blueway trail was named after. About two miles into Helena Run, paddlers will come to a fork. To the left is Bugg Spring Run, which winds to Bugg Spring, and to the right is Lake Denham.

From Helena Run to Lake Denham, this run immerses paddlers in the Lake County Water Authority's 2,300-acre Flat Island Preserve. This preserve is a popular location for bird watching, hiking and primitive camping.

A canal north of Lake Denham leads to a dock and a 440-foot boardwalk, which connects to Daubenmire Trail, the main loop trail of the preserve. Canoes, paddles and floatation devices are available at the end of the boardwalk. Call the Lake County Water Authority at (352) 343-3777 for details.

LAKE GRIFFIN RUN

The most northern of three Blueway trails in the Oklawaha Basin, the Lake Griffin Run encircles the southern section of the 9,428-acre lake. Griffin is one of eight in the Harris Chain of Lakes. The lake is the last link in the chain as the water continues to flow into the Ocklawaha River through the Ocala National Forest as it winds toward the St. Johns River and out to the Atlantic Ocean at Jacksonville.

The lake is a popular largemouth bass fishing spot and its shores were once well populated with Timaquan Indians. At the turn of the century, steamboats frequented the lake to provide transportation between ports on lakes Eustis, Harris and Griffin. Today, the lake is a popular recreational spot as Lake Griffin State Park lies on the west side of the lake near the City of Fruitland Park.

LAKE HARRIS RUN

Lake Harris is one of the most popular waterways in Lake County. Nationally prominent fishing tournaments use this 15,321-acre lake as a starting point into the eight-lake Harris Chain. Originally named Lake Astatula, which translates in Native American to "Lake of Sunbeams," the municipalities of Astatula, Howey-in-the-Hills, Leesburg and Tavares all border Lake Harris.

The Lake Harris Run features four public entry

points at Singletary Park and Venetian Gardens in Leesburg, Hickory Point Recreational Facility in Tavares and the Astatula Boat Ramp. All four are popular for recreational boaters, but Hickory Point is well known for its countless amenities. The highlight of Hickory Point is the two-story, screened picnic pavilion with first-floor picnic tables and barbecue grills. The park also features a swimming beach, boardwalks, outdoor picnic areas with barbecue grills, open-field play areas, nature trail, playground, horseshoe pits and a sand volleyball court. For more information call the Lake County Water Authority at (352) 343-3777.

STAGGER MUD LAKE RUN

Start a paddling adventure along the Stagger Mud Lake Run at the Butler Street boat ramp in Astor, this trail's only public entry point. Astor is known for its quaint-style of living with family-owned restaurants and small vacation homes. Once a bustling commercial center on the St. Johns River, citrus from Lake County groves was sent

to Astor by rail and then shipped to Jacksonville by steamboats. The Stagger Mud Lake Run begins south from Astor through the St. Johns River and Lake Dexter before entering Stagger Mud Lake. The 203-acre lake is primarily known for an occasional manatee sighting. The average

adult manatee is about 10 feet long and weighs between 800 and 1,200 pounds. Gentle and slow moving, manatees spend most of their time eating vegetation, resting and traveling. Please do not disturb the endangered species.

St. Francis is one of Lake County's 30-plus ghost towns, but quite possibly the most prolific during its heyday. A thriving port on the St. Johns River, St. Francis had its

own newspaper (*The Florida Facts*), post office, general store, warehouse, wharves and several hundred acres of citrus. After the Big Freeze of 1894-1895, many residents abandoned the town.
