No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

The Contract initial term is from 7/1/2026 through 6/30/2027 with the option for two subsequent two-year renewals. The County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. Renewals are contingent upon mutual written agreement.

Modifications to this Contract must be in writing signed by the County's Procurement Services Director.

LAKE COUNTY, FLORIDA

By: Ronald A. Falanga
Procurement Services Director

Date: 4/28/26

The undersigned hereby declares that The Middlesex Corporation has reviewed and accepts all specifications, terms, and conditions outlined in this Solicitation and affirms compliance with all legal requirements necessary to conduct business with the County, and to provide **ROAD RESURFACING AND RELATED SERVICES** specified. Submittals were advertised to be submitted by 3:00 P.M. Eastern time on the date indicated in the Solicitation or any subsequent addenda. Furthermore, the undersigned confirms they are duly authorized to execute this document, as well as any related contracts or transactions resulting from the award of this Solicitation.

1.0 TERM OF CONTRACT

Contract will be awarded for an initial one (1) year term with the option for two (2) subsequent two (2) year renewals. Renewals are contingent upon mutual written agreement.

Contract will commence upon the first day of the next calendar month after approval by the authorized authority. The Contract shall remain in effect until completion of both the expressed and implied warranty periods. The County reserves the right to negotiate for additional services or items of a similar nature that were not known or anticipated at the time of solicitation.

2.0 PAYMENT

Contractor shall email County's using department an accurate invoice within 30 calendar days after delivery. Invoices shall reference: Lake County BCC purchase/task order, delivery date, delivery location, and corresponding packing slip or delivery ticket signed by a County representative at the time of acceptance. Failure to submit invoices in the prescribed manner will delay payment.

Payments will be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

All pricing will be FOB Destination unless otherwise specified in this solicitation document. Pricing submitted will remain valid for a ninety (90) day period.

The County's preferred method for invoice payment is electronic remittance via virtual credit card (eCard) payments rather than paper checks. Contractors are encouraged to adopt this electronic payment option. The eCard system is designed to expedite payables and improve efficiency compared to paper check payments. This procedure aligns with the County's responsibilities and objectives, reflecting a commitment to leveraging technology to deliver greater value to taxpayers.

8.0 ANTITRUST VIOLATOR VENDOR LISTS

A person or affiliated entity listed on the antitrust violator vendor list due to a conviction or civil liability for an antitrust violation is prohibited from submitting bids, proposals, or responses for any new contracts to provide goods or services to a public entity. This restriction also applies to new contracts involving the construction or repair of a public building or public works, new leases of real property to a public entity, and includes being awarded or performing work as a contractor, supplier, subcontractor, or consultant under any such new contract. Furthermore, such persons or affiliates are barred from transacting any new business with a public entity.

9.0 FEDERAL FUNDING REQUIREMENT

9.1. A federally funded project expected to equal or exceed \$25,000 or a contract award at any tier for a federally required audit (irrespective of the contract amount) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. part 180. The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Recipients, contractors, and subcontractors (at any level) that enter into covered transactions are required to verify that the entity (as well as its principals and affiliates) with which they propose to contract or subcontract is not excluded or disqualified. This is done by: (a) checking the SAM exclusions; (b) collecting a certification from that person; or (c) adding a clause or condition to the contract or subcontract.

QUESTIONS/RESPONSES

- Q1. Is a bid bond required? If so, what percentage?
- A. No.
- Q2. Will there be a Pre-Bid Meeting for this project?
- A. Refer to the bid document, Section 4.0 Pre-Bid Conference
- Q3. Will this contract be awarded to one contractor or multiple contractors?
- A. Refer to Exhibit A – Scope of Work, first sentence.
- Q4. In the Lake County General Terms and Conditions, Price Redeterminations, it states that the contractor shall present documented increases in costs 30 days prior to the anniversary date of the contract, but any price redetermination shall be based on the applicable ECI or PPI, not the actual, documented price increases presented by the contractor, is this correct?
- A. Because each project will be quoted using the RFQ system, price redeterminations will not apply to this contract. However, if an awarded project exceeds 90 days, adjustments may be requested and would be calculated using FDOT Bituminous & Fuel adjustments.
- Q5. In the bid, there are 2 FC-12.5 Friction Course items that are specified as PG76-22 while other Friction Course items, FC-5, FC-9.5 and FC-12.5, are not designated as PG76-22. If these are not polymer modified and are acceptable to have a non-polymer liquid, can the RAP content be increased to the Lake County acceptable maximum?
- A. Yes.
- Q6. Will the contractor be responsible for maintaining the stockpile at any of the 3 Lake County milling stockpile sites?
- A. No. Refer Exhibit A – Scope of Work, Sections 5.5.7 through 5.5.9.
